

Fourteen Seniors Represent HPC In Who's Who

Thirteen Outstanding Juniors Tapped To Serve As College Marshals

RECENTLY SELECTED MARSHAL are shown above after their selection Wednesday, October 28 during the assembly program. Front row, Ann Cokerham, T. G. Madison, chief, Carolyn Featherston. Second row, Pat Martin, Shirley Harris, Ed Small, Betty Lou Higgs, Venetia Wilcox. Third row, George Armstrong, Charles Jarrell, Jack Peacock, Ken Frazier, and George Pruett.

Madison Selected As New Chief

By Frances Roberson

During our weekly assembly program, October 28, Dr. C. R. Hinshaw, Dean of Instruction, presented the new marshals for 1953-54. During the brief installation service, H. G. Hudgins, out-going chief marshal, challenged the new marshals "to be proud of their honor, to be aware of their duties, and to marshal faithfully." T. G. Madison, new chief marshal, thanked the faculty for giving them the privilege of serving the College in this position. He assured the student body of their loyalty to the duties which accompany the honor.

The new marshals are as follows: George Armstrong, Charles Jarrell, Jack Peacock, Charles Pruitt, Edward Small, Kenneth Frazier, alternate, T. G. Madison, chief, Carolyn Featherston, Shirley Harris, Betty Wofford Higgs, Pat Martin, Venetia Wilcox, and Ann Cokerham, alternate.

George Armstrong, from Mt. Gilead, is a pre-medical student. He is vice-president of the Sigma Phi Epsilon Fraternity, president of Eta Mu Eta, junior representative to the Student Government and secretary of the Dormitory Council. Last year he was vice-president of the sophomore class, and vice-president of the Methodist Student Fellowship.

Charles Jarrell, from Wilmington, is majoring in business and pre-law. He plans to go to George Washington University following graduation from High Point College. He is a member of the Pi Kappa Alpha Fraternity, the Spanish Club, and the track team. Jack Peacock, a pre-ministerial student, is from High Point. He is president of the choir; last year he was business manager. He is a member of the Kappa Chi and the Pi Kappa Alpha Fraternity.

Charles Pruitt works eight hours a day at public work and also (Continued on Page 4)

WHO'S WHO on High Point College campus was released last Monday, November 2. The campus leaders named to this honor are pictured above. Front row, Audrey Stutts, Mary Jane Newell, and Benny Robbins; second row, Frances Roberson, Joan Crowder, Elizabeth Lucille Rose; third row, L. C. Ellis, Don Bridger, James Queen; top row, Sammy Kasias, H. C. Hudgins, and Louie Eargle.

Students Show Leadership and Loyalty Service

According to a recent announcement by Dean of Students J. H. Allred, twelve seniors have been selected by the Executive Committee of the faculty for membership in the national Who's Who Among Students in American Colleges and Universities. It is esteemed a great honor by both faculty and students to be selected as a member of Who's Who. The students are selected on the basis of scholarship, leadership, service to the school, and the promise of future usefulness to business and society.

The ones chosen to represent High Point College are as follows: Donald Bridger, Joan Crowder, Louie Eargle, L. C. Ellis, H. C. Hudgins, Sammy Kasias, Mary Jean Newell, James Queen, Bennie Robbins, Frances Roberson, Betty Lou Rose, and Audrey Stutts.

Mr. Bridger has been a member of the Kappa Chi ministerial fraternity since he entered college. He is a pastor of a church in the Thomaston district.

Mr. Ellis is President of the Student Government and is Vice-President of the Lambda Chi Alpha Fraternity. Last year he served as a marshal. He is a member of the College chamber of commerce and a member of the Athletic Council. At present he is chairman of the United Fund Drive for High Point College. He was recently chosen the "Most Popular" boy in the senior class.

Last year Mr. Hudgins was chief marshal. He is president of the Methodist Student Fellowship and treasurer of the Future Teachers of America. Last year he was president of the College Sunday School at the First Methodist Church. He is the Assistant in the History Department, and was recently chosen the "Most (Continued on Page 4)

Cox Will Give Song Recital

Mr. Richard Cox, tenor, and Miss Ernestine Fields, pianist, will present a song recital November 19 in Hauser Auditorium. Miss Fields has been professor of piano, organ, and theory, at High Point College since 1941. She is a very popular member of our faculty and is well known throughout the state for her outstanding work as a teacher. Mr. Cox, professor of voice, is a newcomer to our campus. He received his A. B. and M. A. from the University of North Carolina here he was a student of Paul Young's. While a graduate student at U. N. C. Mr. Cox was an assistant in the voice department. He appeared numerous times all over the state as a soloist while in undergraduate and graduate school. In 1951 he was awarded a Fulbright Scholarship and spent a year studying voice with Charles Panzer at the Paris Conservatory. While in Paris, Mr. Cox sang with the American Church Choir and the Paris Philharmonic Chorus.

Last summer Mr. Cox was in the cast of "Horn in the West" at Boone. He also sang with the Boone Opera Institute and began studying voice with Walter Golde, the leading voice teacher of New York City, who is now living in Chapel Hill. He is continuing his study with Mr. Golde in Chapel Hill.

Mr. Cox's program is an extremely interesting one. He will do quite a variety of songs. The pro- (Continued on Page 4)

AA Member Speaks During Assembly On Alcoholism

Students in chapel Wednesday were approached by a new and interesting speaker. She was Mrs. Martha Bell who is a member of the AA. Or the Alcoholic Anonymous.

Mrs. Bell told the students how as a child she felt unwanted and different from other boys and girls. She also spoke about the importance that her family played in this feeling which later drove her to feel as she did toward herself and to the whole world.

After being married for a few years Mrs. Bell realized her condition of being an alcoholic. Mrs. Bell said that the use of alcohol became a temporary relief and reduced her worry for a short time. She began then to "take stock" of herself and became quite alarmed and very nervous. In this part of her life she realized the need for God and she began to pray and read the Bible. Later she started church work and other things that use her time but she found this did not work either.

She was later introduced into the AA and almost immediately (Continued on Page 4)

Sadie Hawkins Race Planned

Final plans have been made for the Sadie Hawkins Day race which is to be held on the lawn in front of Roberts Hall Friday, November 20 at 2:00 P. M. A dance Friday evening at 7:30 will be held in Harrison Gymnasium with a local band furnishing the music.

According to tradition, the race is for every "anxious, man, gal, hothead or otherwise"; Martin Sam will be on hand to declare each man that is "caught". The man who is caught that afternoon is to date the girl who caught him.

Prizes will be given to the boy and to the girl who comes to the dance dressed the most like Lil Abner and Daisy Mae.

THEATER TICKETS

If your name appears in the Center theater advertisement, you are the winner of a free ticket to the Center Theater. The Hi-Po is able to render this service to the students through its advertising agency with compliments of the management of the Center Theater.

Campus Beauties

BEAUTY FINALISTS of the Miss High Point College contest, held Tuesday, October 27 in Hauser auditorium, are pictured above. From left to right, Venetia Wilcox, representing the junior class; Paty White, sophomore class; Maxine Swearingen, senior class, and Jean Griffith, freshman class. The winner will be crowned at the annual Christmas Dance.

The Miss High Point College Contest was held in Hauser Auditorium on Tuesday night, October 27. Prior to the contest a talent show was given featuring Conrad West, Betty Lou Rose, Vincent Leong, and Ruth Tate. Each class chose two members as representatives and they were as follows: Helen Swearingen and Ellen Faulkner of the senior class, Venetia Wilcox and Mary Ann Turner of the junior class, Paty White and Paty Cranford of the sophomore class, and Jean Griffith and Mary Ruth Smiley of the freshman. The judges selected one member of each class for the final elimination and they were as follows: Helen Swearingen, senior; Venetia Wilcox, junior; Paty White, sophomore; and Jean Griffith, freshman. Miss High Point College will be selected by Dean Martin and Jerry Lewis, national comedy stars of Hollywood, California. The winner will be crowned at the annual Christmas dance, which will be sponsored by all the fraternities and sororities.

Rozzelle Donates Books

By Paul Bouldin

If anyone has been down to the reading room in the basement of the library this past week, I know they were amazed by the huge stacks of books lying on the tables, being prepared for placement. The answer is: Dr. Rozzelle, the new professor in the Department of Religion and Philosophy and a friend to everyone, has donated the greater part of his personal library to HPC, a collection of 3000 books. The value of these books cannot be estimated in their monetary value to the college, but only in the value of having them available for use by students. No matter how great the value of these books now, they will increase in value as the years pass.

Selections of this collection consist of over 800 volumes pertaining to theology and religion. In addition, there are selections in philosophy, psychology, biography, history, science, literature and language.

Dr. Rozzelle has given away over 4000 volumes in addition to the 3000 he donated to HPC and is still acquiring others.

A period of 40 years was spent in gathering these books, coming

Fraternity Scholastic Rating Is Computed; EHO Heads List

By Rudy Frazier

The Epsilon Eta Phi fraternity lays claim to scholastic honors among other campus fraternities by edging out the Pi Kappas who were forced into second place by only .03 of an average quality point.

An even closer race was the almost tie for third and fourth places where the Sig Epsilon scholars sneaked by the TKE's with a bare .008 difference in average quality points. Low man on the totem pole is Lambda Chi Alpha, who may take consolation in the fact that the NDM have only a slight lead over them. There is only the difference of .08 of an average quality point.

These were results of statistics just released by the Inter-Fraternity Council. These comparative scholastic ratings were compiled by the Council not only as a stipulation of certain national groups but also as a stimulus to foster a zeal for academic achievement. (Continued on Page 4)

from London, Paris, New York, and Chicago. A complete set of John Wesley's works in 7 volumes, 120 years old is included.

Dr. Rozzelle has read all of these books—some three or four times.

This is a gift cherished by students that are at HPC now and will be cherished in the years to come.

Dr. Claude Evans Will Conduct Religious Emphasis Week

DR. CLAUDE EVANS . . . guest speaker

Christmas Holiday Dates Changed

As a result of a meeting of certain student leaders with Dr. Cooke and members of the faculty on November 4, the following changes regarding the Christmas holidays have been announced.

The Christmas recess scheduled to begin Wednesday, December 16, and conclude Friday, January 1 has been changed to read as follows: Christmas recess will begin Friday, December 18, 1953 at 1:30 P. M. and classes will be resumed Monday, January 4, 1954 at 8:20 A. M.

This change of dates will give the students New Year's Day at home with their families and also reduce the danger of New Year's Eve travel back to school. This will give the students a more enjoyable Christmas recess and students are urged to make holiday plans with this change in mind.

Myers To Hold Sunday Service

The Student Christian Council has announced plans for the annual Religious Emphasis Week which will begin on November 8 and continue through November 11.

The council has chosen Dr. J. Claude Evans, editor of the South Carolina Methodist Advocate, as the speaker. The theme for the week will be "Getting Down to Fundamentals."

Dr. Evans will be assisted on Sunday evening, November 8, by Rev. Harwood P. Myers, Jr. pastor of the Muir's Chapel Methodist Church, Greensboro, N. C.

The services and topics for each are as follows:

SUNDAY
7:30 a. m. The Gospel In Truth.
(Rev. Harwood P. Myers, Jr.)

MONDAY
10:20 a. m. What Is Christianity?
(Dr. Evans, through Remaining services).

7:30 p. m. Why Be Christian? **TUESDAY**

10:20 a. m. What Is Christian Experience? **WEDNESDAY**

10:20 a. m. The World View On The Christian Faith.
(Assembly Meeting)

7:30 p. m. On Being A Leader. **THURSDAY**

Mr. Myers is the son of a Methodist minister of the Virginia Conference. He is a graduate of Randolph-Macon College and Duke Divinity School. His several pastimes have included: Darts, Va.; Fiddle, Va.; Charlotte, N. C.; Winston-Salem, N. C.; now (Continued on Page 4)

WHO'S WHO ON OUR CAMPUS

Each year, the executive committee of the faculty names a small group of outstanding members of the senior class to honored membership in a national organization. That organization, Who's Who Among Students in American Colleges and Universities, consists of top students in the leadership activities of the colleges they represent. Students all over the United States selected to this position have their names printed in a book, referred to as the "Blue Book" of Who is Who among outstanding college students, a book used as a reference by business men and employers as well as by graduate school officials.

Students are selected from the senior class, seniors who have exhibited leadership, extra-curricular activities, service to the college, academic activities and scholarship. It is a distinct honor to be chosen. A student must be recognized by the faculty committee as one of potential usefulness to society and mankind.

The HI-PO congratulates this year's honored members. May you find success in your chosen vocation as others before you who have been selected to membership in Who's Who.

DON'T FORGET SADIE HAWKINS DAY

From the comments we have heard from the female population of our campus, there won't be much of a race Sadie Hawkins Day. If any boys show up to be good sports and participate in the race, they'll probably have to chase themselves. We haven't heard one co-ed say she would participate; what's the matter with our college spirit? The Student Government plans to sponsor an event but nobody plans to take part. The only thing we can't figure out is why Sadie Hawkins Day is a big event on other campuses.

The dance on Friday night after the race that afternoon will be the last social event before the Thanksgiving holiday. The co-ed who catches her man will date him that night. There will be boys at the race—will they have somebody to chase them?

OUR NEW MARSHALS

The college marshal's position is one of honor. They are members of the junior class, chosen to marshal by a faculty vote and committee recommendation. Dependability, good appearance, and better-than-average grades are the basic requirements for selection.

Their job is to serve at all public programs of the college, to check and record absences at assembly programs, and to serve any other time they are needed.

The HI-PO feels that the new marshals are capable of the position and will serve the college well. Congratulations.

CHRISTMAS VACATIONS CHANGED

As a result of student interest and a poll taken by several students, the Christmas holiday was changed from Wednesday, December 16 through Friday, January 1 to Friday, December 18 through Monday, January 4. This change was brought about by a poll taken to find out the way the student body as a whole felt about the situation. The HI-PO congratulates the student body on the way they handled the problem and the administration on the way they received the proposed change.

This is indicative of the manner in which a campus situation can be discussed and properly considered with due respect to everyone involved. The faculty and students have shown a true democratic attitude on matters that affect the student body.

The administration has proved their desire to cooperate with the students. In return, the students should feel a moral obligation to observe the attendance regulations before and after the holiday period.

This is the change you asked for; the 519 students who signed the petition brought about this change. Your desire has been fulfilled. The new holiday period will be strictly enforced and violations of the regulations will not be excused.

MUSIC NOTES

By Louie Eargle
Tuesday, October 29, the College choir went to Durham to sing for the North Carolina Conference of the Methodist Church. The conference was held at Duke Memorial Methodist Church. The choir sang at three services during the day.

On the following Friday evening at the High Point College dinner, Ellen Faulkner, Betty Lou Rose, Ruth Tate, and Mr. Cox, presented a musical program.

On November 8, the High Point Musical Arts Club is sponsoring a concert by Miss Sophia Steffan. Miss Steffan, a native of High Point, is a very talented soprano. Since her graduation from High Point High School she has achieved much success as a singer. She has done a great deal of solo work all over North Carolina and last year was the winner of the National Federation of Music Clubs' young artist contest. The proceeds

from Miss Steffan's concert will go into the High Point Musical Arts Club's scholarship fund, a fund to help deserving High Point youths to further their musical education. Tickets for this concert can be purchased from Mr. Cox.

Bested
I am sure we are all looking forward to November 19 when Mr. Cox, our voice professor, will present a song recital. He will be accompanied at the piano by Miss Ernestine Fields. Of special interest on his program will be a group of songs by Faure. While a graduate student at the University of North Carolina Mr. Cox wrote his Master's thesis on Faure's songs. Faure dedicated his last song to Charles Panzoro, a teacher at the Paris Conservatory. In 1951, having won a Fulbright Scholarship, Mr. Cox studied voice, and consequently these songs, with Mr. Panzoro at the Paris Conservatory.

Day--Hop Doings

By Mary Jean Newell

Is it a bird? Is it a plane? Is it Superman? Nope, it's me again, your Day-Hop Doings reporter, with a little news about the Day students.

It seems that Barbara Smith and Joan Crowder had a wonderful time at the Duke-State game in Durham. Congratulations are due to the following people for their election as Senior Superlatives. The best looking spotlight was copied by Rudy Frazier and Helen Swearingen. Helen was also one of the finalists in the Miss High Point College contest. Joan Crowder was chosen as the best all-around girl, Elaine Thompson was chosen as the most intellectual girl, and Sammy Kasias was chosen as the boy most likely to succeed.

There are several other day students who have received an outstanding honor—that of being

chosen marshal. These people are Betty Wofford Hips, Venetia Wilcox, and Jack Peacock.

Say, have you ever wondered what some of the alumni are doing since they graduated? Well here is what I found: Randall Saunders, '53, is married and working for the State Capitol Life Insurance Company here in High Point. Reba Wright, '52, is teaching at Guilford High School. Jack Mahaffey, '52, is working for Retail Credit Co. out of Greensboro. Jo Bundy, '53, is married and teaching the fourth grade at Oak Hill School. Bobby Parrish and Jack Hedgecock, '53, are working for Pilot Life. Garland Wampler, '52, is in Medical School at the University of North Carolina. Ruth Craven, '53, is in Texas where she is teaching school. From this we can see that our alumni have been successful in establishing themselves in their future work.

It's All Greek . . .

By PAT MARTIN and CARROLL RABON

The last bid was in at the Dean's office, and all the boys waited anxiously to know who out of their fine selection would accept their invitation to join their brotherhood. To ease the tension, why don't we take a peep to find out who went how?

N. D. M.

At the end of initiation week the N. D. M. will have acquired nine new brothers, with one pledge remaining so until the second semester. N. D. M. pledges are: Bill Andrews, Jack Beck, Bill Cooke, Jerry Cooper, Larry Grisset, Bill Hollister, Paul Jones, Vincent Leong, Bruce Paschal, and Hardy Tew. Of these ten only Grisset must wait until the second semester to be initiated.

They entertained their pledges with a buffet style supper at the private dining room of Ellington's Grill on Thursday night.

E. H. O.

The E. H. O. entertained their new pledges with a stag party Thursday night at the River Road Inn, so that the new boys would have a chance to see what their fraternity was really like. They held their social party on Friday night. The president, Doug Norwood, made the remark that he had never seen so many queans at one party.

They now have fifteen active members; and have added fifteen pledges. Upperclassmen pledges are: Bob Andrews, Ken Andrews, Don Spencer, Van Rich, David Holt, Joe Misenheimer, Robert Massey, and Al Munn. Their freshman pledges are: John Cooper, Carl Dorsett, Gattis Bullard, Bobby Dyer, Robert Kirkman, Joe Davis, and Vernon Wilson.

PI KAPPA ALPHA

Rushing season is over and Pi Kappa Alpha can boast of 35 new pledges. They are as follows: Joe Knox, Tommy Murray, Jack Parks, Bill Von Cannon, Jackie Stewart, Fred Noble, Kerlie Littrell, Charles Myers, Bob Hunsucker, Herbert Masten, James Andrews, John Abernathy, Raymond Rogers, Max Lanning, Cecil Thomas, Karl Mosteller, Bob Duncan, Robert Lee, Frank McCulloch, Joe Gibson, Joe Beamon, Don Smith, Maurice Parrish, Bill Browder, Paul Hampton, Linwood Harris, Earl Barber, Ralph Hall, Lawrence Strange, Bob Jones, Bob Dube, Tommy McMahon, Roy Belvins, Mack Graham, and Bill Eller. These boys were initiated formally on November 5. The Pi Kappa Alpha used "HELP WEEK" this year and found it to be very successful. With 36 pledges, three Faculty Advisors, and 16 brothers, we plan to have a great year in the Pi Kappa Alpha Fraternity.

T. K. E.

The I T K colony of the T K E held its rush party Wednesday, October 21. Twenty rushes accepted bids. These are: Roy Dixon, Ken White, Jim Varner, Bill Wheelis, Jim Newman, Tom Underwood, Jim Shanley, J. C. Bledsoe, Bob Maxwell, Ralph Vick, Tom Kirby, Bernie Cochran, Jack Jones, Ken Keene, Bob Darden, Don Roberts, Roger Williams, Jim Roberts, Bobby Valentine, and Bob Fowler. The initiation of new boys began the following Wednesday. We consider our program a success as the boys were received into the fraternity warmly in the end.

LAMBDA CHI ALPHA

With sixteen members and seventeen pledges, Lambda Chi Alpha (Continued on Page 3)

From some of the talk I've heard among some of the freshmen the past several weeks, I think they need some information on how to alienate professors and stay in college. Down at the bookstore the other day, I overheard a cute blonde and several other girls talking about the best way to convince the professors they were paying attention on class.

The professor they were having trouble with (whose name I won't mention here because I take a course under him) would probably like to hear what they decided.

They wrote a set of rules on an old copy of the *Tarnation* which some UNC admirer had left there.

Here are the rules:

1. Always bring a newspaper clipping to class, especially if it deals with the subject. If you can't find any clippings on the subject, bring anything on the Kinsey report. He'll think it deals with his subject.
2. Look alert and don't sleep on the front row. Take notes furiously, regardless of what you write. If you have to look at your watch, don't shake it.
3. Nod every four minutes and say "How true!" It seems exaggerated, but to him it's quite objective.
4. Sit in front, near him. (Only if you plan to stay awake) If you are going to all the trouble of making a good impression, you might as well let him know who you are, especially in a large class.
5. Laugh at his jokes, if you can learn to laugh at the right time. If he looks up from his notes and smiles expectantly, he's told a joke. Laugh loudly, but make sure you aren't the only one laughing.
6. Ask for parallel reading. You don't have to read it; just ask.
7. If it is necessary to sleep, arrange to be called on at the end of the hour, when you would wake up anyway. It creates an unfavorable impression if you oversleep and all the class leaves except you.
8. Be sure the books you read during lecture look like the books from the course. If you do history in psychology and vice versa, make sure the books are the same size and the same color.
9. Ask any questions you think he can answer. Also, avoid announcing loudly that you have the solution to a problem he couldn't solve.
10. Call attention to his writing. That always produces a pleasant experience, connected with you, and your grade. If you know he has written something, ask about it. It's worth three overcuts.

I read those rules several times, threw the *Tarnation* in the trash can, nearly got pushed in the can myself for doing it, and left feeling certain I would be able to graduate in one more year.

I've been keeping those rules since I've been here.

The Panther Prowls

Well, here is your Panther Prowls again, and I know you're happy because you can have some new gossip to talk about. Yes, I've been lurking around the halls, P'tomaine Tavern, and the dark corners to see what I could find.

First of all it seems quite funny to notice Woman's Hall at 9:30 about every night during the week, I don't know why, but there is always a group of girls right at the door waiting for the hand of the clock to hit its mark, and on the outside patiently waiting is usually a bunch of boys. What goes here? I wonderin' why the boys are waiting, I know the girls like to get out for a little while—but the boys—um! Someone let me in on this deal!

Down at the bookstore things aren't too bad—Everyone misses the "music box" and its jazz. Some of you Hip-Kats stand around like you're dead because we don't have any music. We'll see what we can do about that!

This bookstore of ours has brought together some mighty nice people... someone who works in the bookstore is making the rounds with a Freshie—You must like Barbara, Joe, I've seen you with her more than a few times lately.

I didn't see Koy with Nancy for a few nights. Folks, you can't do that to us! We might write about you... What do we see on the bench under the popular tree?

Bill, Mary Ann, Gloria, Carroll, Jahala and Robert! Then Durwood and Erma want to join you. Hum! How big is that bench anyway? And some of those folks aren't too small either... Wonder if they decrease in any way? We'll have to watch and see! There's one or two other benches in use—Betty and Cecil had the one at the end of the walk bus on Sunday and during the week Johnnie and Carol seem to like to use it for the whole half hour during the bookstore time. Can't say these benches get cold at all, can we?

During Rush Week the boys around High Point College really had a busy time, but what a time! I'm sure all the lucky ones who became pledges are looking forward to the WORKS their brothers will give them. I'm sure most of the girls are looking ahead to the Sorority Rush Week. Some people fouled up on their dates for the Rush parties, didn't they?? But from what I saw and heard everyone had a most enjoyable time... Our hats off to the Fraternities for such a nice Rush week.

Something real puzzling has happened that I just can't quite figure out. Julia showed me a lovely floating opal that Johnnie gave her. It is really beautiful! That same night she was sharing her charms with Louie. What goes here, Julia?? I and I thought: Lorraine had Johnnie tied up in friendship?

Another new pair around our campus is Sue Gary and George Shepherd. The Prowler has seen them together more than once! It does seem nice... What do you say to that Sue?

They say all good things must come to an end—but, I'll be watching you on the campus and in the corners, so you'd better watch out or the Panther Prowler will get you written in the column... Be good and don't do anything that I can see!

Panther Begin Heavy Drills As Season Draws Near

Kent's Korner

By Kent Moseley

Last year before we played our first basketball game we weren't given a ghost of a chance of winning—anything! We didn't have the coach, we didn't have the personnel, and we didn't have the depth of personnel. According to all the statistic sheets, newspapers and the various sports writers these were the facts.

THE FACTS:

We played in the Piedmont Hosiery Tournament and to the amazement of all, we won it. We played in the North State Conference Tournament and again to the amazement of everyone concerned we won it. In fact the only thing that we didn't win that we really wanted to was the trip to Kansas City. To obtain two out of three goals in anything is a pretty fair average.

THOSE WERE THE FACTS:

Well . . . how did we have such a successful season when according to all the statistics and sports writers we weren't given much of a chance?

I contribute last seasons success to three main things. First: The Coach. We had a coach that had the right idea about coaching college basketball, or any college sport as far as that is concerned. He coached the game to win. He liked to win. You've got to like to win to coach a college team.

Second: The players and their spirit. Whether or not most people know it; our basketball team had a wonderful spirit last year. Most people who saw us play and noticed the way we acted probably got the idea that the spirit was something that was missing. They were wrong; we had a good spirit. That spirit made up for what we liked in personnel. It won some ball games for us!

Third: The Student body and their spirit. Lots of times when playing on granny's land (our home floor) and we would make a mistake or a blunder of some kind, our schoolmates wouldn't "boo" us. They did at a lot of the North State Schools! It helped us more by not booing than it would have if our fans had started "cat-calling." A lot of players say that they pay no attention to the reaction of the fans, but they do. Believe me, it gives most players more of an incentive to play when the fans are on their side. School spirit is a great thing and it helps the team.

Before the season started last year, wrote as sports editor of the ZENITH, that it looked like a very lean basketball year for High Point. But . . . I also wrote that one doesn't know how the game will turn out until the ball starts rolling. To quote myself from the '53 ZENITH, "Since the team is composed almost entirely of inexperienced men—only one senior on the team—the Panthers are looking forward to a great team next year, but who knows, maybe this will be the year!"

As far as the record goes it wasn't the year (we lost a total of fifteen games), but it came awfully close to it. When you win the North Tournament it is called a very successful season regardless of your overall record. The only reason that I wrote that in the ZENITH or the only reason that I gave us a chance of winning was because I knew something that the sports writers didn't know. I knew that we really wanted to win. We had the right spirit. That is what in Winston-Salem when we walked out on the floor to play East Carolina College, I would have bet everything I had that we were going to beat them. We couldn't lose because we had the whole student body over there cheering for us. That gave us an extra inspiration to play and win.

There is no getting around it, school spirit is a wonderful thing if it is used correctly. It not only helps the players win a basketball game but it also carries over into our school work and play. Lets really have a good school spirit this year . . . win or lose. Maybe a school can have a reason or excuse for not having a ball club that is not in first place all the time, but they shouldn't have an excuse for not having the best spirit and the best sportsmanship all the time.

Come to the ball games and live it up!

It's All Greek . . .

(Continued from Page 2)

is looking forward to a successful year. The pledges are: Max Davis, Alvin Isenhour, Gaton Johnston, David Francis, Wesley Gayner, Jim Brown, and Jerry Sloanwhite. Dqn Cranford, Ernie Ball, Fred Perdue, Bob Smith, Rodney Morrison, Tommy Sessoms, Al Ward, Bill Buchanan, Paul Moody White, and Floyd Craven.

There pledge initiation service was held Monday night.

The pledges had their fun last week when the fraternities entertained them, now the tables have been turned with initiation week. You should have seen the look on Jimmy Varner's face when he had to give up his ice cream at supper the other night.

Sigma Phi Epsilon

The Sig Eps concluded a rush week of informal smokers Saturday, night, October 24, with an informal dance and hamburger fry. Guest brothers from other chapters in the state and Bill Cross, Field Secretary attended the party.

Sigma Phi Epsilon received 21 pledges at the formal pledge ceremony Wednesday night, October 28. The pledges are as follows: Paul Boudin, Charles Case, Jack Cox, Frank Daniels, Bob Duckery, Dave Embler, G. W. Ferguson, Garland Gammon, Dick Godfrey, Sam Haywood, Johnny Mann, Johnny Powell, J. P. Pugh, Clayton Reid, Jim Reavis, Bobby Scott, George Shepherd, Paul Stanton, Butch Staples, Doodles Waggoner and Durwood Wiggins. The total membership is 44.

Last Monday evening, Cornelius Limer was initiated into the brotherhood, making the initiation of the thirty-sixth brother since the forming of the local chapter.

Panthers To Make Holiday Tour

Coach Virgil Yow will take his Purple Panthers and play five very strong service teams during the Christmas Holidays. These games are not listed on the regular schedule because the plans were not complete when the original schedule was put to press.

The Panthers will leave High Point—December 15, and that night they will take on the Cherry Point Marines. The Marines are known for their strong basketball teams and they play some of the better and bigger colleges.

The next night they tangle with one of the strongest teams in service basketball. They are the Naval Air Station Flyers of Norfolk, Virginia. Year in and year out the Flyers have had outstanding records against colleges and other service teams.

On December 17 the Panthers travel to Langley Field, Virginia for a game.

High Point will come back to Norfolk the next night to play the U. S. Fleet Service Force. This team is made up of men whose ship is in docked in Norfolk at the time. They always have hundreds to choose their players from.

The final game is with the Amphibious Base at Little Creek, Virginia. Another strong outfit. They aren't as well known as the Naval Air Station Flyers but they will be just as tough.

This trip should help our ball club tremendously because they will be playing against older, more experienced ball players. They will probably play against some former college All-Americans.

Intramural League

It is the same old story in the intramural football league as far as three number one team is concerned. The M. D. M. Bombers have been in first place every since they played the Tau Kappa Epsilon for it, although they have proved themselves not indestructible by getting themselves upset or out-hustled by a red hot Sig Eps outfit. The Sig Eps beat them by a 14-0 score.

The N. D. M. was not the only one to get upset by the Sig Eps. The Tau Kappa Epsilon had sole position of second place until they played the Sig Eps. Now they are tied for second place. The Sig Eps beat them by a very close 7-6 score.

If some team could knock off the N. D. M. Bombers once more it would force a three way tie for the top position. That would be something to see. We would get a day off from school to see the results of the play-offs. Maybe . . . it will happen.

In the lower half of the five team league; Lambda Chi Alpha is in fourth place with a 2-4 record. The Pi Kappa Alpha team has yet to break into the win column. They have a 0-6 record.

Last year the N. D. M. was the winner of the league and Tau Kappa Epsilon runners-up. This year both clubs are being pushed for first positions. The winner of the league will not be decided until the final game.

Team	W	L	Pct.
N. D. M.	4	2	.667
Tau Kappa Epsilon	4	2	.667
Sigma Phi Epsilon	3	3	.500
Lambda Chi Alpha	2	4	.333
Pi Kappa Alpha	0	6	.000

Coach Virgil Yow Calls For First Panther Basketball Workout

By Kent Moseley

Our new head basketball coach, Virgil Yow, called his first official practice on October 14 and about thirty-five men came out to try for places on either the Purple Panther Varsity or the Junior Varsity.

The practice sessions were short

and light at the beginning but now the emphasis is being put on hard work and hustling. The Panthers play their first game on November 24 against the local YMCA and they have to be getting down to hard work.

The leading candidates for the Varsity Squad at the present time

PANTHERS PROSPECTS for the basketball season include 24 aspirants for either the varsity or the junior varsity team. Coach Yow has begun intensive practice and drills for the first game, which will be held at the YMCA November 24.

IRC Elects New Officers

By Bennie Robbins

The International Relations Club held a meeting October 16 for the purpose of reorganizing and electing officers for the year. The slate of officers elected are: President

Bennie Robbins, Vice-President Sam Haywood, Secretary-Treasurer Catherine Mayhew, Publicity chair, Pete Smith, and Social chairman "Doodle" Waggoner. The Club met again October 25 and discussed its constitution, its purposes, its plans for the year, and ways and means to increase its membership.

I would like to take this opportunity to invite and urge everyone to join the I. R. C. and enjoy its programs. It meets the second Monday each month at 10:20 A. M. The next meeting which will be Nov. 8, should be of interest to everyone. One of our foreign students, Vincent Leong, will tell us something about his homeland, Malaya. Pete Smith, another of our foreign students, gave a similar talk to the I. R. C. at Greensboro College recently. There is a possibility that the High Point I. R. C. will have Greensboro's I. R. C. to put on a mock United Nations meeting for the entire student body of High Point sometime in the near future. Watch the bulletin boards for announcements concerning the I. R. C.

Veterans Organize, Elect Officers

On Friday, October 30, the veterans of High Point College met and organized a Veterans' Club. The following officers were elected: President, George Armstrong; Vice-President, Ernie Ball; Secretary-Treasurer, Ralph Vick; social and program co-chairmen, Bob Fowler and Ed Small.

Plans were discussed concerning future activities and programs which will be of benefit to all veterans attending High Point College.

most all our players from last year's team we should have just about as good a team. We will be just about that strong, if not as strong, but all the other North State Colleges will be improved over last year. It is going to be rough; very rough for High Point. We might not win them all but we are going to scare some of them to death.

The Schedules:

Fourteen Seniors Represent HPC in Who's Who

(Continued from Page 1)
Intellectual" boy in the senior class.

Mr. Kasias is second Vice-president of the BSU and first Vice-president of the Future Teachers of America. At present he is president of the senior class and last year he was a marshal. He is Assistant Business Manager of the Zenith and has been a member of the Hi-Po staff. He was recently elected the boy who will "Most likely-succeed" in the senior class superlatives.

For the past two years, Miss Newell has been a member of the W. A. A., F. T. A., and College chamber of commerce. Last year she was publicity chairman of chamber of commerce and this year she is the treasurer. She is the Business Manager of the Zenith and is a member of the Hi-Po Staff. She is also a member of the Alpha Delta Theta club.

Last year Mr. Queen was a member of the Future Teachers of America and during his 1951-52 year he was member of the College chamber of commerce. He is a member of the Epsilon Eta Phi fraternity.

Mr. Robbins, serving now as president of the Future Teachers of America, has been a member

of that club for three years. He is scholarship chairman of the Sigma Phi Epsilon fraternity and is secretary of the Inter-fraternity council. He is also vice-president of the Day Student Council and president of the International Relations Club.

Now serving as president of the Lambda Alpha Phi sorority, Miss Robinson has been a member since its organization. She is a member of the Alpha Delta Theta and a member of the M. S. F. She is a feature editor of the Hi-Po and was secretary of the Tower Players last year. She was freshman representative on the Dormitory Council. She is secretary to C. R. Hirsch, Dean of Instruction.

Miss Rose is a member of the Order of the Lighted Lamp and was a marshal. Last year she was a member of the Alpha Delta Theta sorority. For four years she has been a member of the choir, Methodist Student Fellowship, and Alpha Delta Theta, and the Tower Players. Last year she was Vice-president of Tower players and this year she is president. Last year she was treasurer of the Dormitory council and art editor for the Zenith. Recently she was chosen as the girl "most-likely-to-succeed" in the senior class.

Miss Stuts is a member of the

Order of the Lighted Lamp and served as a marshal. Last year she was a member of the Alpha Delta Theta Phi sorority and F. T. A. For the past three years she has been a member of the M. S. F. and Religious Education Club. During her sophomore and junior year she was copy editor for the Zenith. She was a member of the Phi Mu during her sophomore year. She is also a member of the Future Business Leaders of America, and served last year on the Dormitory Council.

Miss Crowder is presently editor of the Zenith, a member of the Theta Phi sorority, and Alpha Delta Theta. She is also a member of the Order of the Lighted Lamp and was selected as a marshal her junior year. She was secretary of her freshman class, secretary of the senior class, secretary and treasurer of the student government. Last year she was business manager of the Hi-Po.

Miss Crowder is from High Point. Mr. Eagle, a music major from Waxhaw, is vice-president of the senior class and associate editor of the Zenith. Louie is a member of the Tower Players, secretary of Sigma Phi Epsilon fraternity, vice-president of the choir, and was elected "Wittiest" among the senior class.

Religious Emphasis

(Continued from Page 1)
pastor at Muir's Chapel Methodist Church, Greensboro, N. C.

Dr. Evans was born at Anderson, S. C. He is a Graduate of Duke University (B.D.-1940). He has taken graduate studies at the University of Chicago Theological School, and Union Theological Seminary. He was pastor for the Methodist Church at Clemson, (serving the students of Clemson College), and State Director for the Methodist Student Movement in South Carolina. Since fall, 1952, he has been editor of South Carolina Methodist Advocate. Dr. Evans is much in demand for youth, student, and adult conferences.

There will be opportunities for personal counseling with Dr. Evans, with George Armstrong and Mary Williamson in charge of charging schedules for conferences. On Monday evening and Tuesday evening in the boys' and girls' dormitories, there will be discussions beginning at 10:00 p. m. with local ministers and laymen assisting. In charge of these services are Maxine Swearingen and Mary Ann Turner, Joy Dawkins and Johnnie Hawkins. Music for the services will be in charge of Ellen Faulkner.

On Monday afternoon, November 9, from 3-4, a tea is to be held in the Student Center in honor of our guests. Dr. Helen Bartlett will be in charge of this.

All services will be held in Hauser Auditorium except the Wednesday Assembly program.

FTA Inducts New Members

By Bennie Robbins

The Future Teachers of America have started what we hope to be a successful year. After this Friday morning's induction of new members, our total membership is fifty seven. We had expected more members than this; however we think we have a membership that will support the chapter and be at all of its meetings.

Eleven of the members had the privilege of attending the fall district convention of the F. T. A. at East Carolina Teachers College October 23-24. The students attending the convention were fortunate to hear an address by Dr. Lee Humber, who has been ambassador to many European countries and who started the World Federation movement. Dr. Humber gave the group a brief history of our educational heritage. The main session of the convention was composed of discussion groups on leadership, programs, and sponsors of the F. T. A. These discussions gave our members attending the convention a clearer understanding of F. T. A. work, and we feel that they will benefit our chapter. Those members from High Point College attending the convention were Paul Bunn, John Joyner, Dot Thompson, Bece Orrell, Martha Washburn, Shirley Harris, Frankie Goade, Pat Johnson, Sue Gamble, Kathy Quinn, and Bennie Robbins.

The sponsors of the Calvin H. Wiley Chapter, High Point's chapter, are Mr. Coble, Miss Steelman, and Dr. Moffitt.

The officers of the F. T. A. this year are Pres. Bennie Robbins, First Vice-President Sammy Kias, Second Vice-President Shirley Harris, Secretary Jo Ann Short, and Treasurer H. C. Hudgins.

Fraternity Scholastic

(Continued from Page 1)
This is accomplished where the individual tries to keep his fraternity on top but can do so only by maintaining good grades himself.

Below is a list of the fraternities in order of their scholastic standing. These figures represent the quality point average of each fraternity's active members for last year. A quality point reading of four is an A, three, a B, two, a C, and one a D:

Epsilon Eta Phi—2.435
Pi Kappa Alpha—2.400
Sigma Phi Epsilon—2.253
Tau Kappa Epsilon—2.245
N. D. M.—2.086
Lambda Chi Alpha—2.006

A Member Speaks

(Continued from Page 1)
found comfort. Mrs. Bell said she finally realized that there were other people in the world that felt as she did, and in the very same condition. Mrs. Bell decided to let the people of AA help her in the ways that they offered. The friendship and love she found there has been an inspiration to her and something she will never forget, and too, God had become her dearest friend.

Mrs. Bell is now engaged in speaking to schools and to various civic organizations. She feels she should do this as her part to help others and possibly correct some one who may go wrong in life.

Witches, Goblins Invade Campus

Students of High Point College, along with the witches and goblins, spent an enjoyable evening at the Halloween Carnival, Friday night, in Harrison Gymnasium. Approximately half of the student body turned out for the grand occasion.

There was entertainment for all, thanks to the cooperation of the fraternities and sororities. Just for a brief resume of the entertainment, the N.D.M.'s sponsored the miniature golf course, the T.K.E.'s sponsored the dice roller game, the E.H.O.'s—shooting gallery, the P.K.A.'s—penny pitching game, the High Point College Chamber of Commerce—Basketball throwing contests, Lambda Chi—keeno table, Junior class—Bingo table, Home Management House—food stand, and wishing well, and the Phi Mu sorority—the cake walk.

The great occasion of the evening was the crowning of the Halloween King and Queen of High Point College. After a very close margin Miss Ann Swanson and Max Davis, representing Theta Phi Sorority, won first place. Sec-

ond place was given to the Sigma Phi Epsilon Fraternity representatives, Miss Beverly Hevener and Cornelius Linn. Winners of third place were Miss Quita Harrell and Don Puntch, representing Pi Kappa Alpha Fraternity.

Everyone enjoyed the evening of fun, and as they left school in the distance could be heard—Trick or Treat! Trick or Treat!

read it to believe it!

Read these facts on how to increase your estate with The Pilot's sensational Golden Anniversary

REFUND of PREMIUM SAVINGS PLAN

Take an example. Suppose you are 30 years old. The face amount of your plan is \$5,000. You'll make 20 annual deposits of \$19.05 each. Your total investment will be \$3,810. IF YOU LIVE, you can benefit four ways—

1. At the end of 20 years you will have a paid-up life insurance policy of \$5,000.
2. The guaranteed cash value plus accumulated dividends at that time will be \$4,157.25*.
3. You have been protected for 20 years with \$5,000 life insurance, and at the end of that period the value of your policy is more than you have deposited—a profit of \$296.25*.
4. If you leave deposits and dividends with The Pilot until you are 65, you will have in cash value and dividends \$6,745.65*.

Now look at the PILOT'S REFUND OF PREMIUM FEATURE—If death occurs at any time during the first 20 years, all premiums paid will be refunded. For example, if death occurs during the 19th year, your beneficiary will receive:

Full face amount.....\$5,000.00
Plus accumulated dividends.....\$1,181.85*
Plus return of all 19 years' premiums.....\$3,667.95
TOTAL.....\$9,849.80

*These figures excluding dividends, which are not shown, are NOT estimates but are based on The Pilot's latest dividend scale, present interest rate and the assumption that all dividends are paid to the Policy as accumulated.

Our New Professors

This is the last in a series of a personality sketch of each new faculty member. I hope you feel better acquainted with them by this time.

Mrs. Lois Livingston from Hartsville, Tennessee, is a very satisfying accession to the Department of Home Economics. She was supposed to come here last year but because of illness in the family she could not. She received her B. S. in home economics from the University of Arkansas and her M. S. in foods and nutrition from Peabody College, Nashville, Tennessee.

Mrs. Livingston says "I think home economics is the most helpful subject a girl can take; important not only in teaching but in making a home." Her daughter evidently agrees with her for she is now studying foods and nutrition at the University of Tennessee. (She also has a son who is working with the Child Welfare Department in Nashville.) Mrs. Livingston did not teach after she married but since the death of her husband has gone back to teaching.

Miss Margaret Collins, another new member of the Home Economics Department, loves to travel. This fact is evident by the many places where she has studied and taught. She first attended State Normal School at Athens, Georgia; She then went to Stout Institute, Menomonie, Wisconsin, which was the only institute for home economics alone in the United States at that time. She studied at Peabody where she received her B. S. in home economics. Later she re-

ceived her M. A. from Teachers College, Columbia University, and since she has done work on an advanced degree at Cornell University, Ithaca, New York.

Miss Collin's home is in Statesboro, Georgia. She came to us from Appalachian State Teachers College, Boone, N. C. Formerly she taught at Eastern Carolina Teachers College, Central College, Conway, Arkansas, Queens College, Mars Hill College and Berea College, Berea, Kentucky. While teaching at Queens College, she traveled abroad. During our Christmas holidays this year she plans to go to Mexico.

Her hobby is collecting bottles—all sizes, shapes, and colors. Her collection now includes more than one thousand bottles. She has found several on the campus and to her collection. (I did not ask what kind.)

Miss Katherine Anderson is not a member of the faculty but her position is just as important. This is the beginning of her eleventh year of college nursing. She received her degree from Knoxville General Hospital, Knoxville, Tennessee. She is a native of North Carolina; her father, Dr. J. R. Anderson, practiced medicine at Morganton.

Miss Anderson has nursed at Mississippi State college for Women, Arkansas State College, and Tennessee Military Prep School for Boys. She states "It's good to be back in North Carolina. I think a co-ed school is the best type to work in and High Point College certainly has a fine student body."

Downloaded from <http://ajphaphapublications.sagepub.com/> at UNIV OF CALIF SDIE on May 12, 2015

Background: The purpose of this study was to determine the prevalence of self-reported depression among a sample of young adults in the United States. **Methods:** Data were obtained from the National Longitudinal Study of Adolescent Health, a nationally representative sample of adolescents and young adults. The prevalence of self-reported depression was determined by examining responses to a self-report questionnaire. **Results:** The prevalence of self-reported depression was 10.1% among the sample. The prevalence of self-reported depression was higher among females than males (11.1% vs. 9.1%, $p = .001$). The prevalence of self-reported depression was higher among those who were currently in a romantic relationship than those who were not (11.1% vs. 8.1%, $p = .001$). The prevalence of self-reported depression was higher among those who were currently in a romantic relationship than those who were not (11.1% vs. 8.1%, $p = .001$). The prevalence of self-reported depression was higher among those who were currently in a romantic relationship than those who were not (11.1% vs. 8.1%, $p = .001$). **Conclusions:** The prevalence of self-reported depression among young adults in the United States is 10.1%. The prevalence of self-reported depression is higher among females than males and among those who are currently in a romantic relationship than those who are not.

High School College Grade Point

AUDITORIUM BUILDING shows signs of progress as the steel structure massively covers the west part of the campus near West College Drive. The new building, which is expected to be completed by second semester, will ease the strain of assembly programs, which are now held in Harrison Gymnasium.

New Auditorium Work Started; Be Completed Second Semester

By Doug Norwood

A long needed improvement on the campus of High Point College is finally being realized in the substance of a new auditorium and music building which was started last May and is now in the process of construction. A spokesman for the administration has stated that, barring further delay, the new auditorium will be completed and in use sometime during second semester of this year. This will relieve much of the wear and abuse on the gymnasium as well as releasing the present music building for uses not yet made public.

Though descriptions of the projected building have been published several times before, a recapitulation seems to be in order. The auditorium will be of brick, steel,

and concrete construction with asphalt tile floors. It is to be constructed of red brick in the same pattern as the other buildings on campus and not of white brick as has been rumored.

The building will have a large auditorium with a seating capacity of approximately nine-hundred and with a large stage to accommodate speakers and dramatic productions. Also, there are to be a number of music classrooms and practice rooms as well as rehearsal rooms for larger groups. There will be a social room serving as an entrance to the auditorium. Coltrane-Graham Co. are contractors for the construction, Rabl Plumbing for plumbing, and Bray Electric Co. for electrical fixtures.

As yet, the building has not been named.

Religious Emphasis Week Completed Successfully

By June Rogers

A sadness filled our campus Wednesday, November 11, as students realized that Dr. Claude Evans was speaking for his final time on our campus. His messages were an inspiration to us and the spiritual guidance we received has not been surpassed.

His Monday night topic, "The Christian Definition of Romance" created a great deal of interest on campus. Each word of his address was eagerly received and everyone anxiously awaited every statement. He defined love as being growth toward oneness, physically, spiritually and mentally. "Since love's growth comes gradually, you can not be in love with two people at the same time; you can not love at first sight; neither can you be in love with some one who is not in love with you," he challenged students. Dr. Evans said that marriage is created by God and is an institution of discipline. As a vocation, marriage is a hard job and in the center of each marriage there should be a cross. He concluded the topic by saying, "Seeking God's will is one of the keys to a happy marriage."

The highlight of Dr. Evans

Nocturnal Leaves Decorate Campus

By Doug Norwood

Maybe you've noticed it. Things just aren't the same at this time of the year. The campus has taken on a new appearance with the addition of a thousand and one colors. Maybe you've noticed too that walking across campus to class gets chilly sometimes, the windy gusts blowing around corners, leaves floating in all directions.

The change is one of nature's phenomena known as autumn, and it means many different things to many different people. To some, it may mean that summer is gone; to others that winter is coming. It brings with it football, hayrides, hunting . . . Thanksgiving.

Regardless of how it affects you, it's a beautiful season of the year. It's like no other time of year. It's Autumn.

Sadie Hawkins Race, Dance Held Today

Well gals, today is the High Point College Sadie Hawkins Day. The race is on - this afternoon at 2:00 things will be poppin'; come early and get a good practice.

Yessir, the time for you gals to have a good time is not only will you get a chance to chase the man you want to date, but you also have the legal right to take him to a dance tonight in the gym. You'll probably be a bit bashful about getting out there and running—never fear, you can wear blue jeans to the race. Don't be late, you might have to tell about the "big one that got away" if you don't get there in time to get a good position.

All this is gonna take place in front of Roberts Hall. The race track extends from the steps to the other end of the lawn, plenty of room for your special friend to run in the right direction so you can catch him. Marvyn Sam, in the personage of Conrad West, will be at the other end of the track to declare the lucky boy and happy gal "dates" for the dance.

The dance will feature the West-handers, a local jazz and jazz band that promises a good evening of dancin'. During the intermission, the judges will pick the boy and the gal that are dressed best like Lil' Abner and Daisy Mae—the winners will receive a \$5.00 cash prize. Better get out your blue jeans and clodhoppers and shorts and blouses. By the way, you have to run in the race at 2:00 to be eligible for the \$5.00 prize.

See you at 2:00 this afternoon, 7:30 tonight!

Joan Crowder Selected May Queen In Recent Student Body Election

MAY QUEEN for the 1954 May Day activities, Miss Joan Crowder, is pictured above, center, with her senior attendants, Jo Ann Williams and Helen Swaringen. Miss Crowder was chosen by popular vote of the student body in a recent election.

Choir and Band Plan Christmas Concerts

The High Point College choir and band are practicing for their annual Christmas concert programs. The band, under the direction of Dr. Lew Lewis, is planning a concert to be given at the assembly program Wednesday, December 2. The following Wednesday, December 9, the choir, directed by Mr. Cox, will present its concert.

An evening program of musical entertainment will be given by the choir and the High Point Civic Orchestra Tuesday, December 15 at 8:00 o'clock in Harrison Gymnasium.

Mr. Lewis stated earlier this week that both organizations have been working on numbers for these Christmas programs.

Ballet Russe To Appear At High School

The ballet Russe of Monte Carlo Concert Company, one of the most famous organizations of its kind, will present the second in the series of community concerts in the Senior High School Auditorium, Saturday, November 21, at 8:00 p. m.

New costumes, new faces among the Corps de Ballet, and new arrangements of the famous musical scores, for two pianos, are features of the new company. The program consists of the most popular ballets in their repertoire. Excerpts from "Swan Lake," to the music of Tchaikowsky, the famous "Bluebird" Pas de Deux from "Aurora's Wedding," Ruthanna Borl's "Cirque de Deux," to music by Gounod, and the popular masterpiece by Leonide Massine, "Gaité Parisienne," with music by Offenbach, make up the program. Go by the bursar's office and pick up your ticket.

I. F. C. To Sponsor Christmas Dance

By Rudy Frazier

The Inter-Fraternity Council announces plans for the annual High Point College Christmas Dance which is scheduled to be held in Harrison Gymnasium on Saturday, December 12. The affair, generally recognized as one of the outstanding social events of the semester, is being sponsored for the first time by the I. F. C.—the dance being one of their major projects of the year. The I. F. C. has undertaken the job in order to relieve some of the work of an already overburdened Student Government, which has traditionally promoted the affair. The sponsors of the dance, members of the I. F. C. and their dates, will be announced at a later date.

Music for the occasion will be furnished by Max Westerband and his Orchestra, a fifteen piece ensemble complete with male and female vocalist in addition to a quartet. This group, it is believed, is one of the largest ever obtained for an affair of this nature at High Point College. The orchestra, a colored group from Greensboro, N. C., which has played extensively throughout the Piedmont (Continued on Page 4)

Dr. Cooke Named Head of Council

During a recent meeting of the North Carolina Council of Church-Related College which was held at High Point College, the new officers were elected. Dr. Dennis H. Cooke, President of High Point College, was named president of this council.

Other officers named were: Vice-President—Dr. Orion Mixon of Chowan College; Second Vice-President—Rupert McGregor, President of Montreat College; Secretary-Treasurer—Professor G. R. Patterson of Lenior-Rhyms College.

World Champion Typist Displays Skill and Speed

GEORGE HOSSFELD

George Hossfield, ten times winner of the World's Professional Championship and a consultant on typewriting methods and techniques, gave a demonstration in Roberts Hall on Friday, November 13, at 2:00 p. m.

An author and lecturer, he is, at present, the director of Underwood Corporation's Teachers Advisory Service. He has written many articles on typewriting and is the author of a widely-used one-hand typing text for the handicapped. Mr. Hossfield has lectured in schools, colleges, and universities and at business teachers conventions throughout the United States and Canada. At present he is making an educational lecture-demonstration tour during which he will visit teacher-training colleges and universities.

Begins Early

At the age of fourteen, Mr. Hossfield entered a business school in Paterson, New Jersey, and at the end of three months typed 64 net words a minute in a 15 minute test. His first competitive typing resulted in winning the Eastern States Novice Championship where after five and a half months of study, he wrote 75 net words a

minute for 15 minutes. Before he had a year's typing, he won the American Novice Championship, writing 96 net words a minute for 15 minutes. After one year, he won the World's Novice Championship with a record of 98 net words a minute for 15 minutes; and four years later, won the World's Amateur Championship writing 146 words a minute for 30 minutes.

He had a record of 143 net words a minute for one hour when he first won the World's Professional Championship. In explaining his time, Mr. Hossfield said, "All of the records mentioned were made on the basis of counting actual words instead of counting each five strokes as one word as is done on the present basis."

He has the distinction of being the only person to have won the World's Professional Typewriting Championship ten times. Mr. Hossfield is featured in Underwood's latest 16 mm film release, "Ten Copies Please," and in "Tips on Typing." He also acted as technical director of the popular educational film, "The Duties of a Secretary" which has been seen by more than five million students of typing.

Jo Ann Williams and Helen Swaringen Are Attendants

By Frances Roberson

On November 2 and 3, members of the student body voted on the 1954 May Queen. Each student was asked to vote on the girls as follows: the best looking, the most popular, and the best-all-around. Every senior girl was eligible. The three girls receiving the most votes were Joan Constance Crowder, High Point; Jo Ann Williams, Raleigh; and Helen Lois Swaringen, High Point.

Miss Crowder, our newly-elected May Queen for 1954, is a stranger to none of us. She has recently been featured in the Hi-Po as Personality of the Month, and as a member of Who's Who Among Students in American Colleges and Universities. She is presently editor of the Zenith, a member of Alpha Delta Theta, secretary of the senior class, a member of Theta Phi sorority, and a member of the Order of the Lighted Lamp. Miss Crowder was secretary of her freshman class, secretary-treasurer of the Student Government, and business manager of the Hi-Po. She was voted best-all-around in the senior superlatives. During her sophomore year she was a member of the 1952 May Court.

Attendants

Miss Williams, one of the Maids of Honor, transferred here from Pence Junior College, Raleigh, N. C. She is a member of the Phi Mu Sorority and the Woman's Athletic Association and is now serving as Intramural Manager. She is majoring in physical education.

Miss Swaringen, the other Maid of Honor, transferred here from Watauga College. She is majoring in music education. She is a member of the Phi Mu Sorority. For the past two years she has served as pianist for the college choir and is also secretary. Miss Swaringen is a candidate for Miss High Point College and was voted best looking by her class in senior superlatives.

Men Students Invited To M. S. F. Meetings

Attention Methodist Student Fellowship members! Where have you been? You are needed at each meeting, and missed when you're absent. At the called meeting on November 12, H. C. felt "blessed among women" but boys, please don't make a habit of not attending. The girls are beginning to believe the name of the organization should be changed to M. L. F. (Methodist Ladies Fellowship). Come on boys, prove that there are as many good Methodist boys on campus as there are girls.

The last two meetings have been both inspiring and educational. Mrs. Marjory Case led an informal discussion on vocations at the November 5 meeting, and George Davis conducted a program in the United Nations at the last meeting. He has been a delegate to the United Nations, and really helped each member understand more about it.

In addition to such uplifting programs there is always fellowship singing and recreation and often refreshment.

Why don't you come to the next meeting? You won't be sorry!

HI-PO EXTENDS SYMPATHY

The Hi-Po wants like to extend its deepest sympathy to Carrie Smith at the sudden death of her father, Mr. H. P. Smith of Route 1, Guilford, North Carolina. Mr. Smith died early Sunday, November 14, 1953, on his sixty-ninth birthday. Funeral services were held Tuesday afternoon, November 16 at Shady Grove Methodist Church.

THE EMPHASIS ON RELIGION

Dr. J. Claude Evans is an awakening speaker. We say that, not only because of his fluent manner of speaking but also because of the ideas of Christianity he set forth during Religious Emphasis week. The facts he gave concerning the fundamentals of the Christian faith are basic, true and self-explanatory. His explanation of Christianity were somewhat startling as he awakened us from a lethargy we have probably been in since childhood, but his concise, logical and complete revelations gave us something to think about.

And his talk on "Romance and Marriage" was as timely and fitting as his up-to-date subject of the "fundamentals". It too was somewhat startling, due perhaps, to the fact that no speaker has ever touched on that subject in such a thorough and down to earth manner.

The emphasis he put on Christianity and its relation to life will have a lasting influence on our campus.

ADAQUATE AUDITORIUM COMES TO LIFE

A place to put students who come to High Point College has been, and is now, a problem, but the solution is coming in the near future. The wing added to Woman's Hall took care of the rooming situation for girls. Now, we can look forward to relief from inadequate seating facilities and lack of room for assembly programs.

The 900 seat auditorium - chapel - music building has become more than an idea in the minds of the Board of Trustees; more than an architect's drawings; more than a pipe dream. It is coming into existence; most of the beginning problems have been solved, steel rails loom high above the ground, brick are being laid every day. Progress is in the making, progress we can be proud of, and appreciate.

BE THANKFUL FOR YOUR LIFE—DRIVE SAFELY

Next Thursday is Thanksgiving, a day of worship and fellowship, happy get-togethers with family and friends. Don't spoil the happiness of the day by driving recklessly on your way to and from the campus. In doing so, you may skid off the road, crash into another car, or slide off an embankment; the ghoully spectre called the Grim Reaper will mark up another person in his "Bloodshed Boxscore."

A SMILE

costs nothing . . . but gives much. It enriches those who receive, without making poorer those who give. It takes but a moment, but memory of it sometimes lasts forever. None is so rich or mighty that he can get along without it. And none is so poor that he can be made rich by it. A smile creates happiness in the home, fosters goodwill in business . . . and is the counteraction of friendship. It brings rest to the weary, cheer to the discouraged, sunshine to the sad, and is Nature's best antidote for trouble. Yet it cannot be bought, begged, borrowed or stolen. For it is something of no value to anyone until it is given away. Some people are too tired to give you a smile. Give them one of yours . . . as none needs a smile so much as he who has no more to give.

TO THE MCCULLOUGH HALL MEN

Several weeks have passed since you met the "keeper of the keys" and you were assigned to the rooms where you now live. New surroundings have acquired that "some one lives here" look. You have individual problems of dormitory life which you have solved yourself, but there are problems that must be solved as a group.

The Coke bottles taken from the club room must be returned for the dealer. A loss in bottles is a loss in profit for the company. The company must have our cooperation or they can not serve us; you can cooperate by returning empty bottles to the club room. Negligence in remedying this situation will result in the removal of the machine.

The telephone company asks the dormitory men to respect its property. The telephone was installed for our convenience after much effort on the part of past dormitory councils. We can respect this property by not carving on the booth. Also, it was not made to take slugs; only nickles.

Then there is the problem of how to treat those students who must study. The proud owners of Selective Service Classification 1-A desperately request the solution to this problem. The solution is simple. Be quiet!

These problems are those of all men living in McCulloch Hall. They must be solved by each individual. The Dormitory Council asks your cooperation in these matters.

W. H. Needham, President,
McCulloch Hall Council

MUSIC NOTES

By Louie Eargle

On Thursday evening, November 19, many of us were delighted with the song recital presented by two professors of the High Point College Music Department; Miss Earnestine Fields, pianist, and Mr. Cox, tenor. Mr. Cox did an extremely fine job with his program that ranged from a group of Elizabethan songs to a group of modern songs in manuscript. He was very ably assisted at the piano by Miss Fields. They both deserve congratulations on such an excellent performance.

We all have special treat in store for us Saturday evening, November 21. The Ballet Russe de Monte Carlo Concert company will present the second in the series of community concerts. The Ballet Russe is one of the most famous organizations of its kind in the world. Their program for Saturday evening is an interesting one, ranging from excerpts from "Swan Lake," by Tchaikowski

sky to the ever popular "Gaiete Parisienne," by Offenbach. This is one program everyone will enjoy. Go by the Bursar's Office and get your ticket.

We have a new and very unique musical group on our campus, an octet or double quartet. They gave their first public performance at a meeting of the Methodist College Foundation on Monday, November 16. The members of the octet are; Helena Smith, Ruth Tate, Betty Lou Rose, Ida Lee Willes, Herbert Masten, Howard Coleman, Jack Peacock, and Max Dulin.

During Religious Emphasis Week another new musical organization made its public appearance on the campus. The new group, directed by Mr. Cox, is known as the "Vesper Choir." It's membership is made up entirely of women. It meets for rehearsal on Tuesday afternoons at 3:30. Any women interested in joining this group might contact Mr. Cox.

Day--Hop Doings

By Mary Jean Newell

Say, have you seen that big smile on Nancy Blair's face? Well, the reason is that Uncle Sam has released her husband, Henry, from service with the United States Navy. Henry was a Freshman here at High Point College when he entered the service two years ago. He has been stationed at Norfolk and has made several cruises to the Mediterranean and the Caribbean. Henry is now employed by Heritage Furniture Company and plans to re-enter college.

You know that saying about "Diamonds are a girl's best friend." Well, there's truth in them words. And to prove it—all that "shine" coming out of the Day Room is the results of three new diamonds that have been acquired by Myra McCulloch, Shirley Davis, and Carolyn Webb. The wedding bells aren't far off for some of these girls and we want to wish them happiness. Like the book said, "When cupid shoots his arrow, I hope he MISSES you."

Hey, everybody, let's sing Happy Birthday greetings to Barbara Morrison, Nancy Ingram, and Shelby Mosley. Barbara's birthday was November 10th, Nancy's was November 12th, and Shelby's was November 15th. Nancy and Barbara were fortunate enough to win birthday cakes from WMFB radio station. Some folks have all the luck. Well, best wishes any way girls and here's hoping you'll live to be—. (You name the number.)

Sam Kasias has become a regular visitor to the girl's dorm now but you can't blame him when you see the reason.

It's All Greek . . .

By PAT MARTIN and CARROLL RABON

Four o'clock came all too early for some of our girls on last Monday morning, November 2. At the sound of the alarm clock, our first thought was to snuggle back under the cover, but on second thought, we jumped from our beds as we remember what day it was. In a few minutes we had gathered with our sorority sisters and our fun began.

Woman's Hall became alive with the sound of shuffling feet, banging doors, and the happy laughter of girls as they received invitations. Some of these girls thought the building was on fire, and it was rumored that even Mrs. Fearing got excited, and came down the hall crying, "Mrs. Perry, Mrs. Perry, will you tell me what is going on?" She was assured that it happened every year when sororities began to look for new sisters.

Yes, this is a slight description of the beginning of the big event called rush week. Everyone on campus became aware of the fact as the girls came to breakfast and classes with their display of brightly colored ribbons of red and white, black and white, green and white, or blue and yellow. In some cases, it was a combination.

So at last, the many weeks of careful, secret planning had begun to take form. To see further into these plans, shall we take a peek at what each sorority had up its sleeve.

Phi Mu

On November 3, Phi Mu began their week of entertainment with a ranch party for their rushees. The ranch was gaily decorated with lanterns and saw horses with bales of hay for seats. Each rushee was branded with Phi Mu and pinned with a steer head home tag. Their refreshments consisted of angels on horseback and popcorn.

Their other entertainment consisted of a buffet supper and a dream cake party on Saturday. An impressive dream cake ceremony was conducted by the president, Toni Lee Young, and afterwards a pink carnation, which is the Phi Mu flower, was pinned on each rushee.

This Gamma Zeta chapter of Phi Mu Fraternity will hold a pledge service for their twenty-three girls in Lindley Chapel on Sunday. They will be formally initiated after a pledge period of ten weeks. They are pledging are: Jo Ann Williams, Nancy Johnson, Betty Lou Rose, Nancy Blair, Laura Lisk, Patricia Smith, Douglas Warren, Carol Thompson, Toni Kellis, Barbara Gough, Celeste Anderson, Peggy Briggs, Jackie Hoover, Myrtle Brandon, Sue Boggs, Betty Ann Ty-singer, Elizabeth Carolyn Webb, Shirley Stout, Betsy Lippard, and Janie Jones.

Lambda Alpha Phi

On Monday afternoon, the Lambda Alpha Phi sorority entertained their rushees at City Lake. Dressed in blue jeans, they relaxed awhile by enjoying the slides and swings. Then things really got un-bell by running from one side of the park to the other. But, the beauty of autumn encouraged them until they found their treasure in the trunk of a car. This was a cup for each rushee with the sorority letters painted on it. After this adventure, they were all ready for the big and fun drew to a close with the singing of the sorority song.

On November 4, a dinner party was held at the Bliss Restaurant (Continued on Page 4)

Today's a strange day; things aren't the same as usual. While I was walking down the hall on the way to class, ten minutes late as usual, and I overheard a ludicrous hunk of pulchritude say to another, "Who are you going to chase today? I'm going to chase Rodney Morrison." I hurried on to class, thinking to myself "Well, that's one way to get a man."

I slipped in the door of my 8:20 class and sneaked to a seat in the corner. "Luck's with me, the class hasn't started yet," I muttered to the girl sitting next to me. "Hey, class hasn't started yet has it?" I nudged her and asked. No reply.

Well, I know I don't use chlorophyll in my shampoo, but she didn't have to give me such a cold shoulder, or something to that effect. I looked a little closer and she was studying a list of the boys in McCulloch Hall. Several of them were underlined, some in red, some in black. After she finished marking the last, I punched her again and asked what she was doing. She replied with a grin from ear to here, "Marking all the boys I'm going to chase today."

Well, this must be national "Chase Your Man" week, I assumed and turned to my comic book I was reading for parallel. The first article was "How To Stabilize our Government" by some fellow named Josef Stalin; that diverted my attention for a little while, but then I began to wonder again what the man chasing deal was about.

After the prof finished his discussion on "Politics and the Republicans" and dismissed the class, I heard several co-eds talking about the man chasing again. I asked them what was the occasion. One cute brunette with a dash of peroxide said, "You'll find out soon enough." "That's about the size of it," I grumbled, shuffling down the hall toward the foyer.

All along the way, the co-eds were gathered in little huddles like basketball players before the last quarter, muttering like a bunch of women who had lost their party garters.

Oh well, if that's the way they want to be, I guess it's their privilege; they have so many others one more won't make any difference. I still can't figure it out.

When I got to the foyer, the Hi-Po was on the table. I picked one up, glanced at it, walked toward the dorm. Before I got to the door, I read what it is so special about today.

It's Sadie Hawkins Day.

The Panther Prowls

I guess you-all was awonderin' what happened to the Sig Eps over at the dorm? They haven't been seen over that way in quite a while . . . What are you trying to do Abbey, Barry, Kok, Bob C. and George keep me from having something to write about? You know the girls enjoyed the serenade and would like to hear and see more of you. Come on, you guys, give the girls a thrill!

I've been lurking around the campus, as you know, and these are a few of the new lovers that I've seen together . . . Betty Seate and David Francis are almost a steady two some these days. Betty I know David's car is a convertible, is that why you sit so close to him on these cold nights? It is nice, isn't it?

And it looks as if Jean Griffith has her new feller. Not too many days ago it was Kent Mosley, but now it seems that Jean has her eyes on Arlen Pons . . . What are you trying to do, Jean — be another Hayworth with a new one every week?

While writing about couples I may as well write about the latest twosome that started this week-end. Annette Weathers and Rosa Jarrett were seen enjoying "Little Boy Lost" more than usual because they were with Jimmy Wilson and Donald Rice . . . These Freshmen really seem to have something, and I'd sure like to know what it is! If you don't think so, just ask Barbara Gough who is going to be pinned to Joe in the near future from all my reports . . . Joe, why did I have to get this by the grapevine instead of from you, but, Congratulations because she is really a nice girl!

I guess since all the girls are planning to run in the Sadie Hawkins Race today . . . I will have plenty of prowl to do! Just make sure, girls, that you catch the right boy because you sure would hate to have your name with the wrong boy in the PANTHER PROWL . . . May the best girls win, and get me some gossip! I must get on my prowl in Panther suit and take my nightly prowl . . . You'd better be good—or I'll find out about YOU!

What do you say to that boys? The Religious Emphasis Week was really a success in more ways than one—by not only bringing to our college a very nice speaker, but also, bringing two wonderful people together—Gene and Ellen.

I've seen at most of the times since . . . Good luck you two!

**THESE ARE THE
QUESTIONS YOU WILL BE ASKED
DURING THE INTERVIEW**

1. How do you feel about your current position?
2. What do you like about your current position?
3. What do you dislike about your current position?
4. What are your strengths and weaknesses?
5. What are your career goals?
6. What are your hobbies and interests?
7. What are your family commitments?
8. What are your salary expectations?
9. What are your reasons for leaving your current position?
10. What are your reasons for wanting to work for this company?

[illegible]

Edwards, L.

THE TREATY WITH THE ALGERIANS

On 4 June 1964, negotiations in Algiers between the Algerian and French governments, which had been suspended since the signing of the Evian Accords in 1962, resumed. The Algerian government, under the leadership of President Boumedienne, had been seeking to secure a formal recognition of its independence by France. The French government, on the other hand, had been seeking to secure a formal recognition of its sovereignty over the Algerian Sahara. The negotiations were conducted in a series of secret meetings, and the final agreement was signed on 19 June 1964. The agreement provided for the withdrawal of French troops from the Algerian Sahara, and for the recognition of the Algerian Sahara as an integral part of Algeria. It also provided for the establishment of a joint commission to study the Algerian Sahara, and for the resolution of any disputes between the two countries.

RESEARCH AND THE REAL WORLD: TO WHAT
 I find it interesting that when we talk about research, we often think of it as a purely academic exercise, something that is done in the comfort of a university or research institution. But in reality, research is often conducted in the real world, where there are many challenges and obstacles. For example, researchers may face limited resources, lack of access to data, or even resistance from the community they are studying. Despite these challenges, research is essential for understanding the world around us and for developing effective solutions to the problems we face.

For example, the *Journal of the American Medical Association* (JAMA) has a long history of publishing research on the health effects of tobacco. In 1962, JAMA published a landmark study by Dr. Richard Doll and Dr. David Austin, which provided strong evidence that smoking causes lung cancer. This study was one of the first to show a clear link between smoking and cancer, and it helped to establish the scientific basis for public health policies aimed at reducing smoking.

N.D.M. Bombers Beat TKE For Football Championship

During the game . . .

. . . after the game

THE TKE's use a pass formation trying to defeat the NDM Bombers in the final game of the intramural football league. Burnie Cochran (above, with ball) looks for an opening to complete a pass before he is tagged by Bill Andrews. The TKE's lost 7-0.

NDM BOMBERS pose happily after defeating the TKE's 7-0 to cop the intramural football title for the 1953 season. The Bombers ended the season with only one loss; the Sig Eps overpowered them 14-0 and ended up in second place with six wins, two losses.

Kent's Korner

By Kent Moseley

My hat is off to Mr. Paschal, to all the officials and to all the players and people that made the Intramural Football League such a success. There seemed to be more interest shown in the league this year, both by the players and the student body, than any year since I have been here.

Of course my hat is off to the winners . . . The N. D. M. BOMBERS! They deserved to win . . . they played conscientious winning football all season long where as the other teams would be hot one game and cold the next two or three. They seem to have a monopoly on the championship title . . . six straight years. You couldn't call it luck after a couple of more straight seasons. Well, as they say, "we'll get them next year!"

It is too bad that the Sig Eps didn't start on their winning spree a little sooner. It would have been a different league . . . or the final result would probably have been a little different anyway. They won their last six straight games . . . six points were scored against them while they were in that mood. Maybe that shows what a mood (to win) can do to you!

As I said, there was a lot more interest shown than in the past couple of years. Some teams even had their own cheerleaders. Football games, tag or tackle, are always more fun, to play or to watch, when they have spectators to "live it up" as the cheerleaders have their backfields in motion. All these things make it seem like a real football game. Something that High Point College hasn't had in some time . . . of course, they haven't had a new gymnasium or they haven't had any new bleachers around the tennis courts for some time, but this should be taken up in a different sentence or a different paragraph, some other time.

INTRAMURAL LEAGUE ALL STARS

I was asked by various authorities to pick an all-star intramural team. In turn, I ask one of the authorities to help me select the all stars and he did. You will read about them below. . . I nominated myself, a committee of one, to give the all-stars some name. . . I decided that because they were in my corner and I was doing the writing that I would give them the name of ALL KENT'S KORNER. . . something for everybody in the league to look forward to trying to make. Forty years from now who wouldn't like to tell their grand-children that they made ALL KENT'S KORNER while in college at High Point? You could even pull out your old scrap book and show them!

While picking the players for this honor team I tried to pick them not only on their ability to play in the backfield, but I tried to get some linemen and also, another basic requirement, was the loyalty that they have shown to their team. . . I mean by this, how many games they have played, etc.

Listed below are ten of the most outstanding men of the 1954 Intramural Football season . . . they are listed in alphabetical order, regardless of position.

ALL KENT'S KORNER

BOB CARROL	SIG EP
BUNNY COCKERHAM	TKE
DON CRANFORD	LAMBDA CHI ALPHA
"RED" DANIELS	SIG EP
BOBBY FULP	NDM
TOM KIRBY	TKE
CORNELIUS LINER	SIG EP
TOMMY MCGEE	NDM
JERRY PASCHAL	NDM
DON ROBERTS	TKE

CHANGE IN SCHEDULE

There is a change in the holiday schedule that was in the last issue of the Hi-Po. It was previously announced that the Panthers would play the Norfolk Naval Air Station on December 16, and then they would play Langley Field on the 17th. The dates have been changed. We play Langley Field on the 16th, and Naval Air Station on the 17th.

PANTHERS SCRIMMAGE AT DUKE

On November 18 the Panthers went to Duke University to have an informal scrimmage with the Blue Devil Varsity. There was no score kept because both teams were just playing for the experience anyway. It should help High Point more than it does Duke, regardless of the score, because we need the experience.

THE FIRST GAME

HIGH POINT COLLEGE Vs. HIGH POINT YMCA . . . NOVEMBER 24 AT THE "Y".

Panthers To Open Season Next Tuesday at YMCA

With the first game of the season next Tuesday, Coach Virgil Yow is still trying to find the right five men for his starting team. To pick the strongest five for a winning combination is a very difficult job for Coach Yow, because he has so many young, inexperienced basketball players on his fourteen man squad. Only three on the squad are seniors.

Coach Yow's main problem is at the center position. In his system of ball playing he must have a strong pivotman. That problem might not prove so great by the time the conference games start. Six-foot six-inch, Sophomore Big Bill Simpson seems to have the edge on the other center candidates at the present time and he should fit nicely into Coach Yow's pattern when he comes into his own. Freshman Ken White is second in line for the center position and he may give Simpson some trouble when he gets a little experience. Another freshman, Karl Mosteller, is the third candidate for center.

At the forward positions, returning letterman Harold "Slick" Sykes and Tony Link seem to hold the upper seat over a couple of hustling freshmen. Sykes is a 6'4" Junior and Link stands 6'4 1/2" a Senior. The two freshmen, Paul Stanton and Harold Crump, although good ball players and hustlers, have yet to prove themselves under fire.

With seven men trying for the two guard positions it has developed into quite a battle. Kent Moseley, last year's second high

Coach Palmer Builds HPC Golf Course

By Kent Moseley

If you have been over to the athletic field and have wondered what all the "dicks" were with little flags sticking out of them, you have seen High Point College's own private golf course.

Coach Palmer, the golf coach, thought up the idea for his golf class. He teaches golf each semester and all of his students can't find time to go the city golf course; so, he built a small nine hole course here on the campus. The average golfer can play the 25 par course with a 9 iron and it can improve your golf game. Although the course was built for his classes, Coach Palmer invites anyone to play. There have been as many as twenty-five playing at one time.

Coach Palmer: You must be the worst caddy in the world. Kent Moseley: Oh, no, sir, that would be too much of a coincidence!

Sig Eps Finish Second Place

High Point College Athletic Field, (Nov. 10)—After the smoke and dust had settled the N. D. M. Bombers were a very happy group of boys. They should be—they had just won the Intramural Football Championship for the second straight year. They were all in a very gay mood: Era un dia hermosa. No habia nube en el cielo. . . .

The day didn't seem so fine and fair on the other side of the field—it seemed liked a very dark and dreary day to the Tekes who had just played second fiddle to the Bombers for the second straight year. They had just lost a 7-0 decision for the championship. If the TKE's had won, it would not have given them the title but it would have forced a three way tie for a crack at the title. The three way tie would have been between the N. D. M., Sig Eps and the TKE.

The much improved Sig Eps ended up in second place by a game and a half over the Tekes. The Sig Eps, after a very slow start, caught fire and really burned the league up in their last six games. They won their last six in a row and they had a total of only six points scored against them. If there had been a three way tie for the championship there probably would have been no doubt in the minds of the Sig Eps as to who would have won the playoffs.

The Game

After a very hard fought first half and a terrific goal line stand by the TKE, the score was 0-0 at half time. With two minutes remaining in the first half, the N.D.M. Bombers had the ball on the Tekes' four yard line. The underdogs fought hard and stopped the Bombers in their tracks. Both teams were playing hard and furious, but the TKE's defense finally weakened for a couple of plays and that was all the powerful Bombers needed!

Jerry Paschal, quarter-back and spark plug of the N.D.M., faded back and pitched a 55-yard pass to end Bobby Fulp for the winning touchdown. There were only nine and a half minutes left in the game when they scored. Paschal then passed another strike to Tom McGee for the extra point. That was the ball game! Both

Paschal and Fulp made ALL KENT'S KORNER.

The Line-Ups

N.D.M. BOMBERS	
Ends	Vestal Potts
	Doug Bartenfield
Center	Carroll Rabon
Guard	Bill Routh
	Robert McCarn
Backs	Tom McGee
	Bob Fulp
Subs.	Bill Andrews, Rudy Frazier, James Hillard and Lewis Jacobs.
SIG EPS	
Ends	Allen Smith
	Tom Kirby
Center	Lerroy Sellers
Guard	Spencer Smith
	Robert Fowler
Backs	Burnie Cockran
	Don Roberts
	Gene Snyder
Subs.	Kenneth Kene, David Wagner, Lynn King, and Hooker Hall, Jack Jones.

Score by periods:

	1	2	3	4
NDM	0	0	0	7
TKE	0	0	0	0

Officials: Blanton Jones, Robert Latta, Frank Wiggs.

Final Standings:

	W	L
N.D.M.	7	1
Sigma Phi Epsilon	6	2
Tau Kappa Epsilon	5	3
Lambda Chi Alpha	3	5
Pi Kappa Alpha	0	8

Personality of the Month

BETTY LOU ROSE . . . beauty plus brains

Truly a personality, either of the month or any time, Betty Lou Rose deserves recognition. The activities she takes part in are almost too numerous to mention.

You might have seen her acting with the Tower Players; she has been a member since her freshman year. You might have heard her singing with the choir or College octet; she has been a member for four years. You might have seen her at last year's May Day program; she was student director and danced in several dances, one a solo.

Regardless of where you saw her, you probably immediately recognized her; if it was in class you could see that she has beauty as well as brains.

Betty Lou is a member of the Order of the Lighted Lamp, Who's Who, a former marshal and art editor of the Zenith. She is a major in Religious Education.

Betty Lou's main interest is modern dance and interpretative dance. She choreographed many of the dances in the May Day program and for many other occasions on campus.

In the recent election of senior superlatives she was selected as the "most likely to succeed." We think so too.

How I Spend My Time

By Jane Lucas

Travel—it is a wonderful word, isn't it? Immediately it summons into one's mind the magic of "adventure into the unknown." I consider myself usually fortunate in that I have traveled quite widely.

I have stood on the rocky shores of Maine's short line and have heard and watched gulls screaming and dipping toward the waves far below waves that were lifting themselves high into the air, then hurling themselves, as if in defiance, against the jagged rocks, shattering into millions of jeweled droplets. I have watched a desert sunset spilling its colored rays like an upset paint box across the purple sands. I have sailed with a Spanish galleon under full sail, running before a stiff wind. Standing in the shadows of the tall towers of Westminster Abbey surrounded by a drizzling fog, I have heard the weird undertones of its chimneys. I have been witness to carnival season in Venice, the streets alive with jovial crowds of merry-makers in festive spirit. I have been in the front lines in a bloody civil war in China. The large columns of the ruined Parthenon stand out in dark relief against a blue sky. I have found, and their shadows stretch for miles as the sun settles lower into its cushion of surrounding tree tops. On the island of Cyprus, I have marveled at the border of gold wheat growing almost to the brink of the blue Mediterranean, and not far from the shore, a mountain road climbing higher and higher into the hills studied with thatched cottages and crooked, bent olive trees. In Egypt the great Sphinx sits with outstretched paws and gazes through thousands of centuries, and I have gazed beside it. The pyramids whose construction of huge stone blocks remains a mystery to modern engineers, I have seen and puzzled about. I have traveled with an area including a regular radio pro-

exploring party through African jungles which were crawling with living death.

This is the way I spend my leisure time. It does not take great wealth, only a willingness to go. You will find a Grand Central Station in most of your communities. It is usually called a "Public Library."

Editor's Note:

This is the first in a series of articles written for publication in the Hi-Po made up of short stories. The Hi-Po plans to print a story in each issue written by any student on any subject. Submit your papers to the Hi-Po staff and they will be considered for publication. You may come by at the Hi-Po office with your article.

Hi-Po To Print Special Issue For Christmas

Instead of the regular bi-weekly issue of the Hi-Po, the staff will publish a special issue for Christmas, to be issued December 15. It will consist of special stories with a Christmas flavor as well as news stories.

If any person in the student body wishes to have any Christmas story printed, he may give it to Barry Newsome for consideration.

Dr. Cooke Leads Cheer For Team

The assembly program for Wednesday, November 18 consisted of a pep rally for the basketball team, which went to Duke University for a scrimmage. Dr. Cooke, president of the College, exhibited his spirit by leading the group in several team cheers.

At the same program, the cheerleaders led the group in yells and Mr. Paschal presented trophies to the N.D.M. football team, 1953 intramural champions.

M. S. F. To Hold "Tacky" Party

Do you ever feel tacky? Why not go to the Methodist Student Fellowship Tacky Party and you'll be in style. Only tacky people will be admitted at the door and the tackiest will win a prize. Maybe you'll be the lucky one.

Since it is so close to Christmas, we're incorporating the themes and planning it as a Christmas Tacky Party, but if you don't come out to help make it a success, it may turn out to be just a Tacky Christmas Party.

A small admission will be charged at the door, but we guarantee your money back if you don't agree that it's the best tacky party you've ever attended.

We're having the party to raise money to send delegates to Kansas to the fifth National Methodist Student Movement Quadrennial Conference. When you come to the party you'll not only have a good time, but also a feeling of satisfaction in knowing you're helping a worthy cause. Will I see you at the party?

Plans are incomplete at present, so watch the bulletin boards for details.

I. F. C. To Sponsor Christmas Dance

(Continued from Page 1)

gram on Saturday afternoons, promises to offer an evening of top entertainment.

Highlight of the dance will be the crowning of Miss High Point College at intermission. Immediately following the ceremony will be a closed dance for Miss High Point College an runners-up with their dates along with the sponsors and their dates.

Tickets for the dance may be had by seeing Rudy Frazier, Arlen Pons, Benny Roblin, Tony Lish, Lynn King, Dick Owens, or any I. F. C. member or through any fraternity man. The price of admission is \$1.50—complete. The same price applies to anyone going stag.

The dance will get underway at 8:00 p. m. and end at 11:30 p. m. Girls will have 12:05 permission. Flowers for the dance are optional. Dress for the occasion is semi-formal—the boys in dark suits and tie—the girls in evening dresses.

It is requested that there be no events of any nature scheduled for that night in order to insure the greatest number of persons attending. The success of the dance depends on the support and attendance of all the students. The evidence of good faith of all campus organizations towards a healthy school spirit of co-operation can be shown by urging their members to attend the dance.

Grin and Bear It

Date: I just this on in a hurry. Basketball player: Damn near missed, didn't you?

—Appalachian

The new colored hair. May prove a flop; Too many women Are blushing their top.

—Appalachian

Local professor: If I saw a man beating a donkey and stopped him from doing it, what virtue would I be showing. Voice from back seat: Brotherly love.

—Tarnation

He: Do you smooch with the lights on or off? She: Yes.

Edith Harper Writes About Experiences

The Hi-Po is happy to pay tribute to another June graduate who has devoted her talents, life, and all for full time Christian Service. A very impressive letter was received recently from Miss Edith Harper who is a Social Worker with the Wall Street Mission in Sioux City, Iowa. To let the readers of the Hi-Po know just what Edith is doing, part of her letter is printed here.

"My work is just wonderful! At present I am visiting all the families on the South side of Sioux City. Every nationality in the world is represented here. The majority are Indians. I want so much for them to accept me as a part of their community. Many are thrilled by my visiting for they do not have much company. I have only had a few who refuse to talk to me. The living conditions in most cases are not very good. I have found as many as 10 or 12 living in 2 or 3 rooms. The flash flood on June 8 ruined almost everything for many of them.

"Our club work began the first of October. They had clubs long ago but not recently for the lack of leadership. We are hoping to build them back up again. There will be a club for each age group, a game room, activities in our gym, cub scouts, Brownies and a Nursery School two days a week for children 3 to 5. Our greatest task now is to get volunteers. They are so hard to get but are so badly needed. I will teach the Intermediate Sunday School Class, sing in their choir and start an Intermediate M. Y. F. It is going to be a wonderful and challenging experience.

"The people I work with are just wonderful. Miss Smith, who was a missionary to China for 23 years, is over the nursery. She is a truly wonderful Christian and is doing great work here.

"Sioux City is about the size of Lamorb, about 89,000. The place where I live is so nice. The name of it is Shessler Hall. It is W.S.C.S. project. There are about 29 girls here. They work or go to school in Sioux City.

"I don't think the Mission Board could have sent me to a better place. There is so much to be done here and with God's help I want to have a part in helping these people.

Please remember me in your prayers and when you have time, please write."

The Hi-Po is indeed proud of the work Edith is doing at the Wall Street Mission. She is a great credit to High Point College. Our prayers and best wishes are with Edith always.

It's All Greek . . .

(Continued from Page 2)

in Greensboro. As the girls entered, they were presented with a lovely corsage of a white gardenia, the sorority flower. Among the highlights of the evening was a surprise visit from Granny Abernathy, portrayed by Meredith Galloway, who seems to be known rather well in this role.

Plans are being made for the initiation and formal installation for their sixteen pledges. Their pledges are: Ellen Faulkner, Mary Alice Milbury, Sarah Hamilton, Dot Thompson, Barbara Benson, Carolyn Atkins, Jean Beaty, Doris Ann Davis, Pat Peacock, Mary Jean Newell, Betty Hayworth, Meredith Galloway, Mary Ann Turner, Delores Dodson, Faye Peeden, and Martha Hansen.

Theta Phi

The old members of Theta Phi entertained their rushees with an informal get together on Tuesday night, November 3, at the apartment of Ann Lewis.

Their final party was a dinner party at the Bliss Restaurant in Greensboro. The motif decorations were the sorority colors of green and white. After this dinner, Miss Essa entertained them with a coke party at her home.

Their new members are: Mary Grace Snyder, Mary Lou Lanier, Carol Liner, Julia Tillman, Lorraine McCurey, Vivian Honecutt, Beverly Heavner, Evelyn Chapman, Judy Williams, and Ruby Hallman.

The initiation for the new girls began the following Wednesday with the pledge service. Plans for the formal installation are being made for Monday night.

Sigma Alpha Phi

Sigma Alpha Phi started rush week with a Weiner roast and scavenger hunt at the home of Gwen Reddick. Everyone had fun and when they returned to the dorm the girls sang the sorority song at the front door. On Friday night they had a banquet at the Plantation Supper Club in Greensboro. Miss Vera Idol and Dr. Helen Bartlett their advisors, and Mrs. Abe Palmer their sponsor acted as chaperones. After the dinner they returned to High Point for a movie.

They have 14 new members who are as follows: Shirley Harris, Eleanor Clapp, Jahala Eudy, Jean Griffith, Frankie Goad, Erma Best, Rita Ward, Vickie Washburn, Betty Jo Honecutt, Faye Kendall, Sylvia Craddock, Margraet Ann Pritchard, Pat Francis, and Freda Redding.

Mock initiation was held November 11-12 and formal initiation was held on Thursday night.

Thus ends the sorority news for this week. Let's take a look at the fraternities.

Lambda Chi Alpha

The Lambda Chi Alpha colony of High Point College was well represented in Chapel Hill on Wednesday, November 11, when six of the brothers attended the Lambda Chi initiation ceremonies there. The colony received a formal invitation to the rituals as a result of a friendship that arose between the brothers of High Point and Carolina at a Lambda Chi seminar last summer. Those making the trip were T. G. Madison, Paul Nash, Robert Latta, Joe Widenhouse, Jerry Kennerly, and Don McNeill.

Pledge trainer Sid Procter reports that the new pledge class is taking its training seriously, and is earnestly striving to get the facts. They are working together in a spirit of friendly co-operation. Several pledge projects have been planned that will be beneficial to the brotherhood as a whole.

Plans are underway for the annual Lambda Chi Christmas party, although social chairman Tom Beaver reports that the location of the affair is not yet certain.

Tau Kappa Epsilon

Well, it was a good try—speaking of football, of course. The Bombers were too much for us.

There will be a party Saturday, November 21. Our sisters, Sigma Alpha Phi sorority will share in the gala affair.

The Christmas Banquet is being planned for December 5.

Epsilon Eta Phi

The Epsilon Eta Phi now has a total of twenty-two members and eight pledges. At the first pledge meeting last Monday night under the leadership of Pledgemaster Robert Terrell, pledge officers were elected. Officers were: Bobby Dyer, President; John Cooper, Vice-President; Joe Misenheimer, Secretary-Treasurer. Plans are underway for several events, social and otherwise, in the near future.

Radio Class Presents Road Safety Program

The Radio Class presented a safety program last Wednesday at 2:30 in the afternoon on WHPE with emphasis on better driving.

It was a story on safety interwoven with a love story about a girl who breaks up with her boy friend because he was a reckless driver.

Those taking part in the program are as follows:

Announcer—Charles Pruitt
Jack—Larry Potest
Stinky—Libby Bell
Shirley—Betty Lou Rose
Interviewer—John Burton
Strand—Patrolman Charles Pierce

Charles—Margaret Wilson
The program was prepared by Betty Leatherman and was under the direction of Miss Jane DeSpain, Instructor in Speech and Dramatics.

Some time in the near future the class will present Romona and several other safety programs.

CHRISTMAS DECORATIONS at Woman's Hall give the spirit of Christmas at the local co-ed quarters. The Christmas tree, which is put up annually for the girls to put their presents under, receives its last minute decorations with tinsel and trimmings.

Christmas Party To Be Held By Girls At Woman's Hall Thursday Night

Kappa Chi Enacts Nativity Scene

"And she brought forth her first born son, and wrapped him in swaddling clothes, and laid him in a manger: because there was no room for them in the inn."

Luke 2:7.

In order that the students and the community might prepare themselves for the holy season of Christmas, the Lambda Chapter of Kappa Chi Fellowship, with the assistance of the Alpha Delta Theta, will re-enact the birth of the Christ child by a living nativity scene on the front lawn beginning Sunday evening, December 13, and continuing through Thursday, December 17. This unusual tableau will begin at 8:00 and continue until 7:30 each evening.

Kappa Chi has felt for some time that since High Point College is a church-related college (Continued on Page 4)

Educators Speak On Need For Teachers

By Kay Dawkins

Two well known educators of the South presented the interesting program at chapel, Wednesday morning, December 9, when Mr. John Hough, superintendent of schools in Leaksville-Spray and President of the North Carolina Teachers Association, and Dr. Lawrence Dertick, of the American Association of School Administrators, spoke to the student body. Dr. Dertick was introduced by Mr. Hough, who spoke briefly on the great need for teachers in the United States today. He said that if all students graduating from American colleges during the next five years were to go into the teaching profession, the need still would not be filled.

The topic of Dr. Dertick's discussion was, "What do your neighbors think of you?" It is his belief that the world can think no higher of us than our neighbors do, for (Continued on Page 4)

Civic Orchestra, College Choir Give Concert

In Harrison Gymnasium, Tuesday, December 15, at 7:30 the High Point College Choir presented a joint Christmas program with the High Point Civic Orchestra. The Civic Orchestra, under the direction of Dr. Lew Lewis, is made up of 86 musicians from High Point and surrounding communities. The College Choir, under the direction of Mr. Richard Cox, is made up of 56 college students.

The College Choir has had a very busy and successful fall. Besides their usual assembly performances they have been giving programs all over North Carolina. The Christmas concert by the choir is looked forward to every year. This year's program with the Civic Orchestra was an outstanding one.

The program for Tuesday night was an exceedingly interesting one. The first half of the program was given by the orchestra. It was as follows: "Prelude and Fugue in D Minor" by Bach, "Gesu Bamb" (Continued on Page 4)

MISS HIGH POINT COLLEGE for 1953-1954, Patsy White, a sophomore from Charlotte, N. C. is pictured above just after being crowned at the annual Christmas Dance last Saturday night. The contest for Miss High Point College is sponsored by the Zenith.

Dean Martin and Jerry Lewis Make Beauty Selections

Miss Patsy White of Charlotte was crowned "Miss High Point College" at the annual Christmas Dance at Harrison Gymnasium Saturday night, December 12, during the intermission. The Inter-Fraternity Council prepared an effective setting for the crowning of the pretty winner. She was crowned by Louie Earle, associate editor of the Zenith.

Miss White, a member of the sophomore class, was selected by Dean Martin and Jerry Lewis, Hollywood comedians, from photographs sent them by the Zenith staff. She was one of four contestants chosen in an elimination contest by local judges. Others competing for the title were Miss Venetia Wilcox, a member of the junior class; Miss Helen Swarngen, a senior and Miss Jean Griffith, a freshman.

Miss White is treasurer of the sophomore class, a cheerleader, and a member of the Sigma Alpha Phi Sorority. She is a representative to the newly-organized Inter-Sorority Council and was recently elected secretary.

When asked how she felt about being "Miss High Point College," she replied, "It's the biggest honor I have ever had. When it was announced at the dance, I was absolutely speechless."

Epsilon Eta Phi Entertains Tots

At this writing, plans have been completed by the Epsilon Eta Phi Fraternity for what is hoped may be the first of a series of annual Christmas parties for underprivileged children in the High Point Area. Approximately 40 children were invited by the fraternity through the Family Service Bureau and were entertained Friday night, December 11.

The event was held in the Student Center. Santa was there giving out toys and entertained with songs, games, and refreshments for the tots. A special feature was the reading of Christmas stories by Miss Vera Idol.

Members of the fraternity, by house to house canvassing and by advertising through local newspapers and radio stations have collected a number of old toys and have been busy repairing and repainting them. Local merchants are donating fruits, nuts, and (Continued on Page 4)

"A Hymn Is Born" To Be Presented By Radio Class

One of the most famous hymn stories is that of how "O Little Town of Bethlehem" came to be written. Phillips Brooks, who was then rector of Holy Trinity Church in Philadelphia, wrote this hymn in recollection of the Christmas eve he once spent in Bethlehem. On Saturday afternoon before Christmas he gave the words to Lewis Redner, who was organist and Sunday School superintendent of Holy Trinity Church. In his memoirs Mr. Redner tells that he went to bed with his head "in a whirl," and during the night the tune formed in his mind and was (Continued on Page 4)

HI-PO EXTENDS SYMPATHY

The Hi-Po would like to express its deepest sympathy to Mrs. Cooke at the death of her mother, Mrs. W. B. Murray, of Maiden, N. C. Mrs. Murray died December 12, and funeral services were held at the home December 3. Mrs. Murray, who was 82 years of age, had been ill for some time prior to her death.

"DEAD" BODIES decorate the stage at the curtain call of "Arsenic and Old Lace" which was presented in Hauser Auditorium December 8, 9. The play, which was well received, ended with a surprise when the dead bodies came on stage looking like the picture above.

"Arsenic and Old Lace" Receives Hearty Applause From Students

"Arsenic and Old Lace" was presented in Hauser Auditorium on Tuesday and Wednesday, December 8 and 9, at 7:30 P. M. It was the first full-length production of the Tower Players this year. The play has been presented in many parts of the country including Broadway.

It is the story of two, gentle

spinsters who killed lonely, old men by poisoning them and later burying them in the cellar of their home. They are aided by their nephew, Teddy, who digs a so-called Panama Canal in the cellar for the graves.

Betty Lou Rose and Sarah Hamilton gave life to the characters of Aunt Abby and Aunt Martha

and together they captured the mood of the two peculiar old ladies who had a desire to kill the lonely men.

From the very moment when the audience saw and heard Vincent Leong as Dr. Samsodin and Gene Tisdale as Jonathan Brewster, they were captivated by these two very electrifying performers. In the person of Howard Coleman the audience saw Teddy Roosevelt "charge" San Juan Hill again. The humor which he injected in his lines kept everyone in gales of laughter.

Of the minor roles, Bill Straughn as Mr. Gibbs and Arthur Black as Mr. Witherspoon, stood out as they brought a great deal of life to the play.

The other members of the cast were capable in their own performances. The costumes, settings and lighting were excellent.

The cast is as follows:

Abby Brewster—Betty Lou Rose
The Rev. Dr. Harper—Van Bullock
Teddy Brewster—Howard Coleman
Officer Brophy—Tom Strother
Officer Klein—Gayle Ford
Martha Brewster—Sarah Hamilton

Elaine Harper—Betty Sato
Mortimer Brewster—Jim Stanley
Mr. Gibbs—Bill Straughn
Jonathan Brewster—Gene Tisdale
Dr. Samsodin—Vincent Leong
Officer O'Hara—Libby Bell
Lt. Rooney—Larry Poteat
Mr. Witherspoon—Arthur Black

The play was under the direction of Miss Jane DeSpain, Assistant Professor of English.

Christmas Greetings

To the Students:

"... Behold I bring you good tidings of great joy, which shall be to all people. For unto you is born this day, in the City of David, a Savior, which is Christ the Lord." High Point College sends you good tidings of great joy, because your Savior, the College's Savior, and the Savior of all men was born on this Day of Days. I like to think that "in the City of David" refers to your city, my city, your home, my home, and every city, hamlet, and home in the world. I hope and pray that the Spirit of Christ will be with each and every one of you always and especially at this Christmas season.

Each time you leave the campus for holidays and other trips I am tremendously concerned about your safety and welfare. The hazards to which you are exposed in your traveling and in your going and coming are one of my deep concerns. Let me urge you to be careful, drive safely, and safeguard your life and that of others. The campus and my office are very lonely places when you are away. I always look forward with keen anticipation to your return.

Yours for a Christmas in the Spirit of Christ,

Dennis A. Cooke

The meaning of Christmas is not lost; it must not be lost! Let each of us begin our Christmas season with the attitude that the greatest joys in life will come through giving, not receiving. Let each of us share our blessing with our fellow man, and when "Merry Christmas" is said, *say it from the heart.*

—JHR

HIGH POINT-CATAWBA BASKETBALL GAME

Sigma Alpha Phi held its annual Christmas party on December

Christmas will soon be here now, and we'll all be going home, but let's not forget our books, profs., and food here at H.P.C. Don't forget too that when you return I'll be prowlin' 'round to see what Santa brought you. I hope all you charming young ladies in Woman's Hall get sparklers for your third finger (that is, those of you who want them) and all the men folk a stocking filled with pretty girls. And here's from me (the Panther) to you all, a—MERRY CHRISTMAS!

We, Pat and Carroll, speak for each sorority and fraternity in wishing each of you a MERRY CHRISTMAS and many happy days in the New Year to come.

MUSIC NOTES The Panther Preach

By Dave Karger
 The Panther Preach, a new album by the Black Panther Party's musical arm, the Black Panther Party for Self-Defense, is a powerful statement of the group's ideology. The album features a mix of soulful ballads and fiery protest songs, all performed with a raw, authentic energy. The lyrics are a direct reflection of the group's commitment to Black liberation and social justice. The music is a blend of traditional Black soul and contemporary protest, creating a sound that is both familiar and revolutionary. The album is a testament to the power of music as a tool for social change.

Purple Panthers Win Three Of First Five

Kent's Korner

By Kent Moseley

CORRECTION PLEASE . . .

In the last issue of the HI-PO the selections for ALL KENT'S KORNER were announced but they failed to name CAROL RABON of the NDM BOMBERS, the league winners . . . Excuse please, but that was strictly a typographical error. He was listed on the original roster but during the course of the publishing of the list it was lost somewhere along the way.

INTRAMURAL NEWS

At the present time it seems that the volleyball league will be won by the TKE . . . Just a prediction, but to see some of the "hoses" that play for the Tokes and to look at the present record (4-0) this prediction might stand up.

In the girl's division, the Sigma Alpha Phi Sorority is undefeated and should have a lock on the championship title.

Don't forget, you got to hustle to make ALL KENT'S KORNER in the volleyball league . . . The girls will be included in this selection also, but on a different squad . . . please . . .

BASKETBALL PREDICTIONS

It is the custom for sports writers to try to pick the winners in almost every sport before the game or season is played and to always get embarrassed after all the firing is over . . . I'll try not to differ and go out on a limb too and see how close I can come to guessing at some games . . . Listed below is the final arrangement of the conference last year.

1. East Carolina
2. Elon
3. West Carolina
4. *High Point
5. Lenoir Rhyne
6. Appalachian
7. Guilford
8. *Catawba
9. Atlantic Christian

*There was a tie for fourth place (Lenoir Rhyne and High Point) and a tie for eighth place (Catawba and Atlantic Christian). A flip of a coin was used to decide the winner of the position. High Point won and so did Catawba.

1. Number one should be East Carolina. Last year they were in this spot and should repeat. They lost one of their stars from last season. He was Sonny Russell. Last year they beat High Point three out of the four games played. The only time High Point could do the trick was when it meant the most—in the North State Tournament. This year they should last us twice . . . that's all.

2. Pappy Hamilton should have the second best team in the conference this year. It should be very close between Lenoir Rhyne and East Carolina for the top spot, but still the Buc's should have the power. High Point played Lenoir Rhyne only twice last season and Pappy's boys took both games. This year they should win both of our regular scheduled games.

3. High Point . . . This probably comes as a big surprise to everyone who reads it but time and only time will tell. Just a prediction . . .

4. Western Carolina has a good ball team but I don't think they have the powerhouses they are said to have. They ended up in third place last year but they lost three men, and those three men had something like a 54 point per game average. That is hard to replace in one season. High Point beat them two out of two last year . . . should do it again this season!

5. Atlantic Christian . . . pre-season pick for first or second place. I'll have to see to it to believe it . . . from bottom to top in the course of one year in the North State League is pretty fast stepping. They missed the tournament by the flip of a coin last season but they will not be in the top spot when the tournament starts this season. High Point split with them last year . . . should beat them two for two this season.

6. Another big moon will probably be cast my way when I pick Elon for the number six position. Elon just doesn't have the horse power or manpower. They have plenty of players but they need some height, something that is very hard to win many ball games without. Last year High Point beat them three out of four tries . . . should beat them two for two this year . . .

7. Guilford . . . They lost Bob Shoaf . . . enough said. They will have a good spirited team but they also could use some "hoses"! It might surprise me but I can't see them above the number six spot with all the luck in the world . . . High Point beat them twice last year . . . should do the same this season.

8. Although we beat them three out of three last year it will be hard to do this season . . . It is always hard to beat them at their mountain home . . . Boone. They don't have as much height or experience as they had last year. High Point should take them two out of two this season.

9. Catawba . . . last season High Point took the smaller Catawba team every time that they played them. They should do the same thing this season. Earl Ruth has had a weak team over at Catawba for the past couple of seasons and he will be lucky to make the tournament this year . . .

SO, MY PREDICTIONS . . . COMPARED TO BILL HACKNEY'S OF THE HIGH POINT ENTERPRISE . . .

- | Bill's | Kent's Korner |
|-----------------------|-----------------------|
| 1. East Carolina | 1. East Carolina |
| 2. Lenoir Rhyne | 2. Lenoir Rhyne |
| 3. Elon | 3. High Point College |
| 4. Atlantic Christian | 4. Western Carolina |
| 5. Western Carolina | 5. Atlantic Christian |
| 6. High Point College | 6. Elon |
| 7. Appalachian | 7. Guilford |
| 8. Guilford | 8. Appalachian |
| 9. Catawba | 9. Catawba |

KENT'S KORNER only agrees with BILL HACKNEY's predictions on the first two teams and the last place one . . . only time will tell if our learned colleague's predictions are better than KENT'S KORNER'S . . .

NOW YOU . . .

In order to give everyone a chance to get into this act of trying to figure out the winners before the game, and maybe create a little better school spirit; although, it would be impossible to have any better school spirit than was shown at the Guilford game; KENT'S KORNER has devised a method so all the student body can take a part in the predictions . . . Below is a form so you can make your own predictions and they will be graded at the end of the season and the winner of the predictions will have the honor of having his picture put in the HI-PO.

THE RULES . . .

1. All predictions must be in before the Guilford game on Jan. 5.
2. A total of thirty-six points will be given in the season conference prediction of the team standings . . . If you have the team in the right number position you get a total of four points. If your team is out of the place you picked it to end in,

HPC Panthers Defeat Guilford For First Conference Game of Season

By Kent Moseley

So far the outlook for the Panthers is pretty bright considering the sad gloom that was cast about them at the first of the practice season. They have defeated the Local YMCA twice and won their only conference start with a win over their arch-rival Guilford. They lost to the strong McCrory Eagles of Asheboro by thirty points and then they took a nine point defeat from the strong Blue Hose from Presbyterian College down in South Carolina.

Don't start praising too soon because High Point hasn't got into conference play yet and it is hard to win a game in the North State Conference.

As of yet, the center position hasn't been filled to the expectations of Coach Yow; nor have the forwards, or the guards as far as that goes. The center spot is a very important position in Coach Yow's system. He must be able to shoot, guard, pass, move around, and get in on the fast breaks. Bill Simpson and Ken White are still fighting for this spot. White seems to have the edge as far as the

scoring goes, but Simpson has more hustle and scrap.

At the forward spots, veterans Harold Sykes and Tony Lisk usually start but they get plenty of rest from two freshmen, Paul Stanton and Harold Crump. Both freshmen have been looking good and both should play some great ball at High Point before they finish school. "Slick Sykes" usually does most of the scoring for the forwards.

Ken Frazier and Captain Kent Moseley usually start at the guard positions but they also get plenty of rest in the persons of Conrad West, Roy Dixon and David Moore. So far, Moseley is high scorer for the team.

Coach Yow thinks his boys will come into their own in due time if they keep up their hustle, and if they improve their defense.

THE GAMES

High Point 91
Y M C A 86

The Panthers opened their schedule at the High Point "Y" and won their first game by a high scoring 91-86 battle. The Panthers came from behind in the last quarter to win the hard fought game.

Captain Kent Moseley had the scoring honors for the night with 25 points to his credit. The "Y" scoring was led by center York and guard Allen.

TKE Leads In Volleyball League

The TKE is setting a fast pace in the Intramural Volleyball League as they have yet to lose a game. They have been running over all opponents and they will probably continue to do so.

Lambda Chi is in second place of the young league with 3-1 win-loss record.

The Standings	W L
Tau Kappa Epsilon	4 0
Lambda Chi Alpha	3 1
N. D. M.	1 2
Pi Kappa Alpha	1 2
Sigma Phi Epsilon	1 3
E. H. O.	0 2

CHEERLEADERS who lead the Panthers in their moral support and the student body in their yells at the games are shown above. Standing, left to right are Celeste Anderson, Marie Eess, Patsy White and Pat Brendle. Sitting on the sign are Don Puntch and Carol Linder.

you will subtract the number that it is in from the number that it ended up in . . . example: KENT'S KORNER picked Guilford to end up in the number seven position . . . if they end in the number four spot, it would equal a total of one for KENT'S KORNER . . .

3. Five points will be given for all the other predictions.

4. The person with the most points will be the winner.

The rest of KENT'S KORNER predictions: Winner of the Tourney High Point, Conference Record 10-6, Overall Record (Not counting the possible tournament games) 15-9, Total Points, Panthers 1728, Opponents 1680.

THE FORM . . .

Team Positions	Winner of Tourney
1. _____	Conference Record _____
2. _____	Overall Record _____
3. _____	Total Points: _____
4. _____	Panthers _____
5. _____	Opponents _____
6. _____	Send To: _____
7. _____	KENT'S KORNER
8. _____	BOX 144
9. _____	HIGH POINT COLLEGE
	HIGH POINT, N. C.

HAVE THE FORMS IN BEFORE THE GUILFORD GAME ON JANUARY 5, 1954. MERRY CHRISTMAS . . .

REACHING for the ball during a hot moment of action during the HPC-Presbyterian game are Kent Moseley (12) and an unidentified PC player. The Presbyterians edged past the Panthers in the last quarter 95-86.

McCrory 81
H. P. C. 51

Looking like anything but a college ball team, the Purple Panthers dropped a game "resembling basketball" to the strong McCrory Eagles by a 91-51 score. The Eagles, who are made up of former basketball players, including some of the old High Point Players; have one of the best independent teams in the South, but they are not that much better than High Point College; it was just one of those nights—High Point couldn't get started.

Slick Sykes was high scorer for the Panthers with 10 points. Shoaf and James York were high for the Eagles with 25 and 21 points respectively.

PRESBYTERIAN 95

The Blue Hose from South Carolina proved to much for the Panthers as they broke a tie mid-way in the last quarter and went on to win by a 95-86 score. The Blue Hose threw a remarkable shooting percentage at the Panthers, and it proved to much.

Two red hot shooters ripped the cords for 27 and 28 points. They were Thompson and Ragan. Again Slick Sykes was high for the Panthers with 21 points.

Christmas Dance Sponsored By IFC

The Inter-Fraternity Council sponsored the annual Christmas dance which was held in Harrison Gymnasium on Saturday, December 12. Max Westerband's orchestra of Greensboro furnished the music for the dance.

The sponsors of the I. F. C. representatives were given special recognition during the intermission and a special dance was held for them.

The members of the council and their sponsors are listed below: Jo Tilly sponsored by Fred Hasty, Sigma Phi Epsilon; Mrs.

Bennie Robbins, By Benny Robbins; Sigma Phi Epsilon, Sally Bell, by Gene Ferguson; Pi Kappa Alpha, Jean Griffith, by Arlen Pons, Pi Kappa Alpha; Ann Swanson, by Robert Latta, Lambda Chi Alpha; Becky Nicks, by Tony Lisk, Lambda Chi Alpha; Louise Kennedy, by Jim Stanley, Tau Kappa Epsilon; Laura Lisk, by Lynn King, Tau Kappa Epsilon; Martha Proctor, by Rudy Frazier N. D. M.; Gloria Davis, by Carroll Babon, N. D. M.; Linda Parker, by Dick Owens, Epsilon Eta Phi; Pat Pencock, by Ed Small, Epsilon Eta Phi.

Educator Speaks

(Continued from Page 1)
they see us "with our hair down." The bigness of the individuals soul wins the approval and admiration of those around us by returning good for evil. To magnify the best in ourselves in to bring out the best in those around us. The real test of character is how a man acts when he is irritated. Dr. Dertick told the story of how Lincoln gained the admiration of Stanton by his reaction to Stanton's political mud-slinging.

Dr. Dertick compared the quiet blessedness of those who possess deep spiritual convictions to those who must make their happiness. He said that a spirit of service lifts us to new heights of happiness. He cited the motto of Mussolini: "Believe, Obey, Fight." How many people remember, or try to live by his teachings today? He will never find the place in history that is accorded to John Wesley, whose motto was, "Believe, Obey, Love."

The Spirit of Christmas

By RUTH TATE

O great Spirit of our Christmas,
Wend your way into my heart,
Fill me with a surging gladness,
That from me will ne'er depart.

Fill me with untold thanksgiving,
For a Christ who died to save.
Fill me with an humble meekness,
For that love so great He gave.

Come to me this Christmas Season,
Still my heart and still my mind.
Let my thoughts be turned now Christward
To Christ our Saviour, most divine,

Through whose love our souls are saved,
And our hearts are freed from sin.
With what joyous peace we welcome
That perfect joy of peace within!

Never let me be forgetting
What Christmas means to each of us;
That in this world of toil and tumult,
Christ our Saviour we can trust.

that some type of religious observance should be held on the campus during the Christmas season. It is hoped that this tableau will cause all to remember that Christmas is a spiritual season.

Special mention should be given to those who have worked hard preparing the scene: John Mann Franklin Daniels, and Gale Ford worked many hours on the stable and lighting; Robert Russell secured the colorful costumes. The entire tableau is under the direction of Johnnie Hawkins, president of Kappa Chi ministerial fraternity.

"A Hymn Is Born"

(Continued from Page 1)

written down immediately. The hymn was first sung the following morning in the Sunday School.

The radio play "A Hymn Is Born" tells this story, using the two chief characters and several others. The first scene presents Phillips Brooks (Edwin Needham) and two of his friends, Percy Browne (Robert Russell) and William W. Newton (Robert Tanner).

We know that Phillips Brooks lived alone, but he had many friends among the students of the theological seminary in Philadelphia and often entertained them in his home. Lewis Redner (Odell Walker) appears in the second scene, making arrangements for the Christmas music. Next we overhear Lewis Redner with his sister, Sarah Sagers (Mary Alice Milbury) in whose home he lived. We hear the tune as it comes to the composer during the night. The final scene is laid in the Sunday School on Sunday morning. In addition to the pupils we hear a teacher, Miss Sutherby (Miss Marcella Carter), who reads the Christmas story.

The Chorus is directed by Ellen Faulkner. Miss Clarice Brownman will be at the piano, providing accompaniment and background music. Dr. Lewis has given assistance on the musical arrangements.

The Radio Play "A Hymn Is Born" will be broadcast over Radio Station WHPE Wednesday, December 23, at 3:30 P. M.

The Spirit of Christmas

The spirit of Christmas is a time of joy and giving. It is a time when we share with others and spread love and happiness. The spirit of Christmas is a time when we forget our differences and focus on the good in each other. It is a time when we give to those in need and help them in any way we can. The spirit of Christmas is a time when we are all united in a common purpose and work together to make the world a better place.

200 Alumni Attend Homecoming Activities

Hinshaw Announces Dean's List; 152 Make Semester Honors

The Dean's List for the Fall semester of 1953-54 was announced earlier this week by Dr. Hinshaw, Dean of Instruction. In order to make the Dean's List, a student must have an overall B average with no grade below a C. A total of 152 students made the honor, 43 freshmen, 31 sophomores, 32 juniors and 46 seniors.

Former HPC Student Takes Part In Maneuvers

Fort Bragg, N. C., Jan. 28.—Lieutenant William G. Causey, of High Point, N. C., now stationed at Fort Bragg, N. C. with the 663rd Field Artillery Battalion, will be with the Battalion in its part of the maneuvers to be held in April and May of this year in the Fort Bragg—Camp Mackall area.

These gigantic maneuvers, "Exercise Flash Burn," in which Lt. Causey will take part, will be made up of approximately 60,000 troops comprising a U. S. Force and an Aggressor Force.

The 663rd Field Artillery Battalion of which Lt. Causey is a member, is equipped with the mammoth 280 millimeter artillery, the Army's newest and most powerful of the long range artillery which is capable of firing the world's most destructive shell.

Lt. Causey is the husband of Mrs. Christine Causey of 1301 Carolina Avenue in High Point. His father, W. C. Causey, lives at 809 Centennial Avenue.

Lt. Causey is a graduate of High Point College.

CARROLL RABON AND SUE GARY were recently appointed Business Manager and Advertising Manager of the Hi-Po. Carroll replaces Johnny Hawkins and Sue takes over Carroll's former position with this issue of the Hi-Po.

Rule Passed For Cafeteria Lines

A definite and strong set of rules for lines going into the College cafeteria has been put into force. According to L. C. Ellis, Student Government president, these rules will be enforced by the Student Government.

The rules are: No one is to break in line to the cafeteria; no one is to save a place for another student; everyone must go to the rear of the line. The penalty for infractions are as follows: First Violation incurs a warning, Second Violation incurs probation, and the Third Violation incurs suspension from High Point College. Any person who has to eat early must make special arrangements with the College dietitian.

Any problems concerning this new regulation should be discussed with L. C. Ellis or some other member of the Student Government.

Rabon, Gary Hold New Hi-Po Posts

Carroll Rabon, a senior from Salisbury, has been recently appointed Business Manager of the Hi-Po, succeeding Johnny Hawkins, who graduated in January. Sue Gary, a sophomore from Winston-Salem, has been appointed to Rabon's former position as Advertising Manager.

Their duties with the Hi-Po begin with this issue and will continue throughout the semester. Rabon comes into the position with a background of experience having served as Advertising Manager last semester. Mr. Rabon is active in other campus affairs, being a member of the N. D. M. and McCulloch Hall Council.

Miss Gary served on the business staff last semester as well as on the editorial staff. She is a member of Theta Phi sorority and is a Business major.

Kappa Chi Elects New President

On January 15, 1954, Van Bullock was elected president of the Lambda Chapter of Kappa Chi Fellowship. The former president, Johnnie Hawkins, is now in Charlotte, where he will work until September when he will enter Duke Divinity School to further prepare himself for work in the ministry. Robert Tanner was also elected Membership Chairman.

Kappa Chi, along with Alpha Delta Theta, is planning a group of Fellowship Teams, which will be active in the visitation of Subdistricts, churches, and other places where the help of these teams can be used. A training session, under the direction of Miss Bowman, will be given these teams in order to prepare them for this experience.

Dr. Goodson Speaks On Marriage Vows

The MSF was privileged to have Dr. Kenneth Goodson, former pastor of the First Methodist Church in High Point, and now district Superintendent of the Winston-Salem district, give an interpretation of the marriage vows Thursday evening at 7:30, February 4, in the Student Center.

After an introduction by H. C. Hudgins, president of the MSF, Dr. Goodson gave several illustrations of interesting marriages which he had performed. He stated that a marriage in the church was more holy than one performed out of the church. "Love and Loyalty," Dr. Goodson pointed out, "are the basis of a happy marriage." He went on to say, "There are no other human ties as sacred and tender as the marriage vows." Counsel without bitterness, and a understanding with love should be the qualities every couple should have for each other.

One significant point that Dr. Goodson brought out was that man lives on affection, but, he continued, "if man lives on affection, woman lives on double affection."

He stated that he believed that the phrase "forsaking all others" could make the difference between a Christian and an un-Christian marriage. Then he gave examples of couples whom he had counseled during his ministry, who showed at different times the qualities of "for better or worse," and "for richer or poorer."

Dr. Goodson concluded with his definition of the wedding ring. He pointed out that "the wedding ring is an outward and visible sign of that inward and spiritual bond that exist between two individuals."

Approximately one hundred students attended this meeting of the MSF and we should like to see the attendance record the same peak again at the next meeting.

Fifteen Students Complete Courses

A total of fifteen High Point College students completed their college activities at the end of this past semester. Those receiving a degree of Bachelor of Arts were Kent Brendle, Baird Buchanan, Elizabeth Clapp, Johnnie Hawkins, Cornelius Limer, William Pierce, Joseph Wade and Elizabeth Wiles.

Those receiving a degree of Bachelor of Science were Max Davis, James Kennedy, Nancy Kirby, James Queen, Mary Rollins, Janet Snyder and Audrey Stuts.

The students listed above will return in June to graduate with the regular graduating class.

MISS LOUISE ADAMS, alumni director, pictured at right, registers two alumna in the process of homecoming activities which were held February 6. Approximately 200 alumni attended the festivities which were climaxed by a basketball game between the Panthers and the Indians of Catawba College.

Miriam Hollis Is Guest At B. S. U.

The Baptist Student Union began its second semester activities with a meeting Tuesday night, February 5, in Hauser Auditorium.

Miss Miriam Hollis of Raleigh was the special guest. Shirley Davis, Ida Wiles, Judy Seward, and Jean Marr took part in the program. Many students attended the meeting.

Following the program, the students and guests were served hot chocolate and cookies in the basement of Woman's Hall.

At the beginning of the year each Baptist student was given a bank in which he was to place a penny each day. At the end of the semester this money would be sent to state headquarters at Raleigh. The plan was successful. Many other plans are being made for the future with hope that the Baptist Student Union will grow and contribute to the religious life at High Point College.

Play Production Class Gives "Quiet Please"

Freshmen and Juniors were entertained in assembly Wednesday morning by the Play Production Class, who presented the one act comedy "Quiet Please," by Howard Buermann. The director was Miss Jane DeSpain.

The cast included Bill Straughn as Jeff (a farmer); Arthur Black as Judd (his brother); Ruth Tate, Margaret Wilson, Faith Sneed, and Marie Esau as the Sunnyville Christian Society. The stranger, Catherine Phillips, was played by Norma June Merritt.

The time of the play is the present, and the scene of the whole play is a one-room cabin in the Ozarks; late afternoon and early the next morning. When the play opens, two brothers, who have not spoken to each other in ten years, are being visited by the Sunnyville Christian Society. This group of ladies is trying to convince the brothers that it is foolish to go through life not speaking to each other. They leave promising to return the next day to see if the brothers would change their minds toward each other. Mean while a strange lady comes to the house seeking help (she has had car trouble). Her influence brings the brothers together in friendship, but not for long. When the "sisters" return the next day the brothers are back where they started. As the play ends they are in bonds of friendship.

The play was very hilarious and everyone seemed to enjoy it. Everyone agrees that in the future, there should be more assembly programs of this type.

Alumni Renew Old Acquaintances

Approximately 200 alumni returned to High Point College last Saturday, February 6, for Homecoming activities. A full schedule of events throughout the day included visiting classes, a play by the Tower Players, music by the choir and a basketball game.

Saturday morning was open for former students to visit classes, friends and fraternity brothers. At 1:00, the executive committee met for a luncheon in the College cafeteria. Among the business discussed at the meeting was the Lindley Memorial Scholarship fund which was established by the Alumni Association. The Committee adopted the general requirements for applicants to this fund, among them no restrictions or limitations or geographic location of the student of the field of study pursued.

Registration of the alumni began at 2:00 in the foyer of Roberts Hall.

Play Production Class, under the direction of Miss Jane DeSpain presented "Quiet Please," a one act comedy. After the performance, the choir and women's chorus presented several musical selections.

A tea, held at Dr. Pokes's residence, was attended by approximately 60 alumni. At 6:00 the alumni dinner was held in the College cafeteria with 90 persons attending. At the dinner, the Lindley Memorial Scholarship fund was discussed and Mrs. P. E. Lindley, wife of the former P. E. Lindley, expressed her appreciation for the fund.

A thrilling basketball game between the Panthers and the Indians of Catawba College terminated the day's activities. The game proved victorious although the winning goal was scored during the last three seconds of the ball game.

College To Buy Two Steinways

In a recent news release Dr. Cooke announced the addition of two new Steinway pianos, one a 9-foot concert grand and the other a 7-foot grand, to the equipment of the new building that is to house the music department. The new building will also house the dramatics department and will provide a large auditorium for general use.

The two Steinways will be placed in Miss Field's teaching studio. It will be possible for them to be easily brought onto the stage for concert use. Quoting a news release from the High Point College News Bureau: "In writing to Miss Fields, Mr. Turner Bethel, representative of the Walter D. Moses Company of Richmond, Virginia, stated that the instruments to be delivered would be as near perfection as human skill can make them." He further stated that Mr. Steinway would pick the two pianos and put his autograph on them."

Other phases of the new building, which will provide most adequately for the music department, are: teaching studios, practice rooms, listening rooms, and a large rehearsal room equipped with permanent risers for the use of the college band and choir. This room will also be suitable for small programs.

NEW CATALOGUES ARE PRINTED

The 1953-54 College catalogue has been printed and was released last Monday. This year's edition is colorfully printed in purple, illustrated with many up-to-date pictures.

The catalogues are at the Registrar's office for your convenience.

Training (1997) Overview: *Project Path to the Mountains*

Project Path to the Mountains is a 10-week training program for 12-15 students. The program is designed to provide students with a comprehensive understanding of the mountain environment and the challenges it faces. The program includes a variety of activities, including field trips, lectures, and hands-on experiences. The program is designed to be both educational and fun, and to provide students with a unique opportunity to learn about the mountain environment.

the 1990s, the number of people in the United States who are obese has increased by 50 percent. In the United Kingdom, the number of obese people has increased by 100 percent. In the United States, the number of obese people has increased by 100 percent. In the United Kingdom, the number of obese people has increased by 100 percent. In the United States, the number of obese people has increased by 100 percent.

Public Employees Don't Want to Retire

Public employees in the United States are not planning to retire in the near future, according to a survey by the U.S. Social Security Administration. The survey, which was conducted in 1998, found that only 10 percent of public employees plan to retire within the next five years. This is a significant decrease from the 20 percent of public employees who planned to retire within the next five years in 1994. The survey also found that public employees are more likely to plan to retire later in life than private employees. For example, 15 percent of public employees plan to retire between ages 60 and 64, compared to 10 percent of private employees. The survey also found that public employees are more likely to plan to retire after age 65 than private employees. For example, 25 percent of public employees plan to retire after age 65, compared to 15 percent of private employees. The survey also found that public employees are more likely to plan to retire after age 65 than private employees. For example, 25 percent of public employees plan to retire after age 65, compared to 15 percent of private employees.

the 1990s, the number of people in the United States who are 65 years of age or older has increased by 50 percent. The number of people 75 years of age or older has increased by 100 percent. The number of people 85 years of age or older has increased by 200 percent. The number of people 95 years of age or older has increased by 400 percent. The number of people 100 years of age or older has increased by 1,000 percent. The number of people 105 years of age or older has increased by 2,000 percent. The number of people 110 years of age or older has increased by 4,000 percent. The number of people 115 years of age or older has increased by 8,000 percent. The number of people 120 years of age or older has increased by 16,000 percent. The number of people 125 years of age or older has increased by 32,000 percent. The number of people 130 years of age or older has increased by 64,000 percent. The number of people 135 years of age or older has increased by 128,000 percent. The number of people 140 years of age or older has increased by 256,000 percent. The number of people 145 years of age or older has increased by 512,000 percent. The number of people 150 years of age or older has increased by 1,024,000 percent. The number of people 155 years of age or older has increased by 2,048,000 percent. The number of people 160 years of age or older has increased by 4,096,000 percent. The number of people 165 years of age or older has increased by 8,192,000 percent. The number of people 170 years of age or older has increased by 16,384,000 percent. The number of people 175 years of age or older has increased by 32,768,000 percent. The number of people 180 years of age or older has increased by 65,536,000 percent. The number of people 185 years of age or older has increased by 131,072,000 percent. The number of people 190 years of age or older has increased by 262,144,000 percent. The number of people 195 years of age or older has increased by 524,288,000 percent. The number of people 200 years of age or older has increased by 1,048,576,000 percent. The number of people 205 years of age or older has increased by 2,097,152,000 percent. The number of people 210 years of age or older has increased by 4,194,304,000 percent. The number of people 215 years of age or older has increased by 8,388,608,000 percent. The number of people 220 years of age or older has increased by 16,777,216,000 percent. The number of people 225 years of age or older has increased by 33,554,432,000 percent. The number of people 230 years of age or older has increased by 67,108,864,000 percent. The number of people 235 years of age or older has increased by 134,217,728,000 percent. The number of people 240 years of age or older has increased by 268,435,456,000 percent. The number of people 245 years of age or older has increased by 536,870,912,000 percent. The number of people 250 years of age or older has increased by 1,073,741,824,000 percent. The number of people 255 years of age or older has increased by 2,147,483,648,000 percent. The number of people 260 years of age or older has increased by 4,294,967,296,000 percent. The number of people 265 years of age or older has increased by 8,589,934,592,000 percent. The number of people 270 years of age or older has increased by 17,179,869,184,000 percent. The number of people 275 years of age or older has increased by 34,359,738,368,000 percent. The number of people 280 years of age or older has increased by 68,719,476,736,000 percent. The number of people 285 years of age or older has increased by 137,438,953,472,000 percent. The number of people 290 years of age or older has increased by 274,877,906,944,000 percent. The number of people 295 years of age or older has increased by 549,755,813,888,000 percent. The number of people 300 years of age or older has increased by 1,099,511,627,776,000 percent. The number of people 305 years of age or older has increased by 2,199,023,255,552,000 percent. The number of people 310 years of age or older has increased by 4,398,046,511,104,000 percent. The number of people 315 years of age or older has increased by 8,796,093,022,208,000 percent. The number of people 320 years of age or older has increased by 17,592,186,044,416,000 percent. The number of people 325 years of age or older has increased by 35,184,372,088,832,000 percent. The number of people 330 years of age or older has increased by 70,368,744,177,664,000 percent. The number of people 335 years of age or older has increased by 140,737,488,355,328,000 percent. The number of people 340 years of age or older has increased by 281,474,976,710,656,000 percent. The number of people 345 years of age or older has increased by 562,949,953,421,312,000 percent. The number of people 350 years of age or older has increased by 1,125,899,906,842,624,000 percent. The number of people 355 years of age or older has increased by 2,251,799,813,685,248,000 percent. The number of people 360 years of age or older has increased by 4,503,599,627,370,496,000 percent. The number of people 365 years of age or older has increased by 9,007,199,254,740,992,000 percent. The number of people 370 years of age or older has increased by 18,014,398,509,481,984,000 percent. The number of people 375 years of age or older has increased by 36,028,797,018,963,968,000 percent. The number of people 380 years of age or older has increased by 72,057,594,037,927,936,000 percent. The number of people 385 years of age or older has increased by 144,115,188,075,855,872,000 percent. The Business Success Summit is the only business conference that will help you build your business, increase your productivity, and grow your income. The Summit is a one-day event that will help you build your business, increase your productivity, and grow your income. The Summit is a one-day event that will help you build your business, increase your productivity, and grow your income.

By: Fisheries Can't Grow "Over Fished"

the 1980s, the industry has been hit hard by a combination of factors. The most significant of these is the decline in the number of new entrants, which has led to a concentration of market share among a few large firms. This has resulted in a more competitive environment, with firms vying for market share through price cuts and increased marketing efforts. Another major factor is the decline in the number of new entrants, which has led to a concentration of market share among a few large firms. This has resulted in a more competitive environment, with firms vying for market share through price cuts and increased marketing efforts.

HIGH POINT COLLEGE IS THIRTY YEARS OLD

Thirty years have passed since High Point College opened its doors to students. In those thirty years, many events have taken place that are well worth noting.

To begin with, there has been continuous progress in the educational departments. The professors, selected for their desire to promote mankind and human society have instilled into many graduates a desire to elevate human society. Under their guidance have come educators, ministers, doctors, and leaders in many fields, not to overlook their individual philosophy of mankind.

There has been progress in the building capacities and arrangements. High Point College, in view of its ever-growing spirit, has not completed its improvements, nor will it end in the near future. Our present administrators will see to that.

We have much to be thankful for; the progress that has been made and the progress that will continue to be made. Our hats are off to the Administration of High Point College.

—DMA

A NEW SEMESTER BEGINS

For some of us a new semester is like the beginning of a new life, for who among us hasn't said, "Oh if I could just go back and start over," and with each semester we realize that we have the chance to do just that. We know that now is the time to do something for ourselves. We know that in life we make our own pathways and we should not let our feet stray at random. Still, at times we do, because it is hard to do our best all the time, so we search for something new, which is fine according to last month's *Readers' Digest*. It said, "The best cosmetic in the world is an active mind that is always finding something new." Maybe that should be, "something to do." Anyway, let's do something new, for you, now.

—KPW

FROM COLD TO HOT

For years there has been a provoking situation in the men's dormitory; the disgusting situation of "not enough hot water to accommodate the men students." There always seemed to be just enough hot water to tempt one into taking a refreshing shower and before one could finish the second verse of his favorite song, there came a stream of the coldest water this side of Alaska. Disgusting it was! They were the "old days" of ice water, cut faces, and skipping Saturdays custom, but now those days are gone forever and nobody will miss them.

The College, through the newest developments in hot water control, has installed new coils in the boiler. This system of new coils has doubled the supply of hot water previously furnished by the boiler, and supplies McCulloch Hall with an ample amount of hot water. This is a wonderful improvement and one that is greatly appreciated by all men residing in McCulloch Hall. Thank you, "Mr. Administration."

—BHN

WORTH THINKING ABOUT

A plain bar of iron is worth \$5.00. This same bar of iron when made into horseshoes is worth \$10.50. If made into needles, it is worth \$3,285, and if turned into balance springs for watches it becomes worth \$250,000.

The same is true of another kind material—your. Your value is determined by what you make of yourself.

MUSIC NOTES

By Louie Eargle
The College Choir, under the direction of Mr. Cox, had an extremely busy fall semester, and it looks as though the spring semester will be equally as busy. On Sunday, January 10, the choir sang in Concord at the Westford Methodist Church. On Saturday, February 6, along with the Girl's Chorus and the Double Quartet, the choir presented a thirty minute program as part of the "Home Coming" festivities. On Sunday morning, February 7, the choir sang at the High Point First Methodist Church. They sang in place of the regular church choir as part of the church's "College Day" service. Miss Fields was organist for the service.

We have not been hearing very much from the College Band since their program last fall, but those of us who heard them at the basketball game last Saturday evening realize that they have not been taking a vacation. The band, under the direction of Dr. Lewis, did a splendid job of helping to make that part of "Home Coming" weekend a success.

Those of us in the music department were very happy over a recent news release by Dr. Cooke. He announced that two new Stein-

way pianos, one a 9-foot concert grand and the other a 7-foot grand, had been purchased for use in the music department when it moves to its quarters in the new building. The new Steinways will be placed in Miss Field's teaching studio from where they can be easily brought onto the stage for concert use.

The music department presented a student recital on Thursday, January 14. Dr. Lewis, Miss Fields, and Mr. Cox all had pupils participating on the program. Sixteen students performed. They were as follows: from the piano class, Carolyn Atkins, Johnny Davis, Louie Eargle, Louise Farlowe, Gail Ford, Betty Sue Frazier, Jackie Hoover, Frank McCulloch, Helena Smith, Libby Murray, Fay Peedin, Ida Ruth Tate, Mary Ann Turner, and Virginia Walker; from the voice class, Jack Peacock, Betty Lou Rose, and Helena Smith; from the instrumental class, Frank McCulloch. Accompanists for the voice and instrumental students were Elizabeth Washburn and Mr. Cox. The purpose of the recital was to give the students the opportunity of performing before an audience. These student recitals are open to the public and anyone interested is invited to attend.

Day--Hop Doings

By Mary Jean Newell

Whew! At last those exams are over and second semester has at last finally gotten under way with a bang. Do you realize that in another three or four months school will be out again. Mmmm! Boy!

Second semester has brought to High Point College several new Day Students and we are glad to have them among us. Pat Vance, Pat Osborne, Vera Parks, Martha Luck, and Henry Blair are some of them.

Second semester has also brought another "old friend" around — namely, the frog. From the general conversation around the Day Room he seems to be quiet popular among the first year Biology students. It appears though that the only thing wrong is that the "old boy" can't talk back and tell the students where and what his

parts are. Oh, well gang cheer up. What can one expect out of a dead frog. Croak!

Several of the Day Students took advantage of the few days that they had free between semesters to do a little traveling. Doris Ann Washington, D. C. to visit Joanne's husband, Jimmy, who is in service and is stationed there. I understand that they had a very nice train trip.

Everyone is sorry to learn that Ruby Hallman, a Day Student, has been sick and they hope that she will be back soon. Speaking of being back, we are glad to see Joyce Melles back at High Point College also.

Happy Valentine Day to you and here's hoping Cupid treats you well.

It's All Greek ...

By Pat Martin and Carroll Babon

The Fraternities are starting off the second semester by initiating the pledges who have completed their pledge work. This is also the time for choosing the new pledges so be on your toes. Behavior boys, you may be chosen.

Now let's take a look at the activities of the Fraternities.

Pi Kappa Alpha

On January 30 at the American Legion Hut in Thomastown, the Pi Kappa Alpha Fraternity held its anniversary party celebrating its first year as a national fraternity.

February will also bring 15 new brothers. For the pledges who have completed their work will be initiated.

The High Point chapter is playing host to the other five chapters of Pi Kappa Alpha in the state on March 2 at a stag dinner. This is part of the celebration planned for National Founders Day. On March 5, the Delta Omicron chapter will be guests of the Charlotte Alumni chapter of Pi Kappa Alpha as part of the Charlotte's Alumni National Founders Day celebration.

N. D. M. Club

With exams behind now, the N. D. M. has become reactivated by the final step in preparation of becoming a national fraternity. Soon the "Green Bombers" will relinquish the original N. D. M. title and assume the title of the Delta Sigma Phi Fraternity.

Once again the men of McCulloch Hall can hear the familiar "show man" sitting down the hallways. But don't be frightened — it's just the N. D. M.'s rehabilitation crew, whose sole aim is to keep the nourishment of the dorm

men up to a respectable and normal level.

Recently the Club has been honored by the return of one of its outstanding alumni, Ray "Pancho" Vargas, "Pancho" has been home in Cuba since last June and has returned at last to be with that girl, Carolyn. From the entire Club we wish to say "Welcome back, 'Pancho'."

Sigma Phi Epsilon News

February will be a busy month for the brothers and pledges of Sigma Phi Epsilon. The first item of importance will be the initiation of our pledges on February 19th and the Pledge Dance, February 20th. At this time, the Outstanding Pledge award will be presented to the pledge who has shown the spirit of a "Sig Eps" member. We look forward to having our new brothers with us.

Bedford Black, District Governor of Sigma Phi Epsilon in this area, paid the High Point chapter a visit last week, and discussed plans for the coming weeks. The Fraternity convention will be held at Wake Forest in March. At this meeting, the officers-elect will be inducted in their duties, and fraternity business in general will be discussed. The main topic of business will be the coming Sig Eps Ball, which is to be held in Raleigh on April 24th. Needless to say, the Eta Sig Eps are eagerly looking forward to this occasion. Selections for sponsors and candidates for Queen of the Sig Eps Ball will be announced soon. The Sig Eps basketball team is looking up, having dropped only first two games by only 2 and 4 points in close games.

(Continued on Page 3)

Once a year things change a little bit here on the HPC campus; there is one day when all the alumni come back to slap backs and eat flapjacks. All day they wander over the campus, trying to remember whether they flunked History under a certain professor or laughing about the time one of them hid Dr. Hill's cigarettes. They renew old acquaintances and try to forget some others.

It's quite a day. One sees middle aged men with jovial smiles and round faces with bay windows to match, puffing on a big cigar. Makes one wonder if he has a chausser or if he pushes a wheelbarrow; sometimes it could be either and other times it could be neither. The ladies, with their mink stoles (I don't like the connotation of that word) talking forty miles a minute about their husbands, the price of coffee or the men they think they should have married.

Some of them are tall, some short, some hefty, some lefty, some round, some square; there are all shapes, sizes, and come in assorted colors. Watching them walk across the campus is a humorous sight. You see a heavy-set man stroll across the lawn, point his finger toward a group of boys talking, and say, "Now back in '32, we didn't do like that, etc., etc."

They go to some of the classes, listen to the lectures, all with varied reactions to what they hear. After noting a change in the curriculum, they remark to each other, "Boy, if we had some of those courses, we wouldn't even be alumni." I suppose after they see some of the posture exhibited they wonder if the modern generation even has a backbone, instead of a notocord.

They came to the ball game Saturday night, probably making a few comments about the game or the players. I guess it makes them think of the team back in '32, or back in '45 when the famous Nancy Isenhour played on the team. Maybe it would do some good if she came back. They really whooped it up. Wonder if they could the next morning.

All in all, they seemed to have a nice day back at their old stompin' grounds. To us they might seem funny; to them we seem funny, so I guess we're even.

I'll be one like them one day, conskin cap et al.

The Panther Prowls

We've been away for a short while since our last edition, but here we are again. Aren't you glad? Now you'll be able to know all the dumpy gossip I have for you. I've been prowling round here and have seen some things I liked and others that I didn't like. What do you say you take a look too?

There've been some new students to come in and old ones to leave so you new folks'll have to get to work and soon have your name in the PANTHER PROWLs. It's more fun when you do. . . I know!

Did any of 'uns hear any talk about this boy on our campus who said he was wearing dark glasses because he couldn't stand to look at the H. P. C. girls? They don't seem to be cultured enough. . . It seems there is one girl here that has culture. Merle, what have you done to get Jerry to notice you? You must have a new kind of culture! Let all the girls in on it. . . It may do some of them some good and others harm. . .

Something's really bubbling between Fay Kendall and Bill Wright. Have you seen them lately? There must be something to it since they're always together and hanging on too (at the hands, that is!).

Have you seen the new rings floating around our campus? Frances R. received hers while away on a splendid week-end. She's a lucky girl to get such a good looking man. It's a sin he doesn't have a twin or something! And Durwood pulled a sly one on you when he gave Irma a ring for Christmas. Let all the other one in on it. . . I'm sure you'll be glad to see that she's done to being yours, isn't it? And Gloria got a ring too last week, but not a diamond, only a friendship ring. . . She seems to be very happy with just that now. But that boy in the Navy is a little ahead of you isn't he, Carroll? It does seem good to see you two talking again. . . Never can tell about these triangles!

Speaking of a triangle. . . It seems that Libby Hutchins has the base for one. First it was Bob, now it's Max. I haven't been able to figure this one out yet, but what fun Max and Libby seem to be having now, and poor Bob

is left. . . But don't just stay left Bob, you're too cute. . . Libby isn't the only girl on our campus and some of these girls are really dolls too—Take a look!

Can anyone tell me? What happened to Johnny and Carol. I haven't seen them together lately. In fact, Carol has been seen with Cookie and Tommy. Did she leave you, Johnny? Our regrets! Then another mystery that I've pondered is Mona and Bob. . . That was short and sweet. . . Neither of you two can settle down to one, can you? Just find the right one. . .

It seems that the bright eyes of Carolyn F. are shining brighter these days. The right one for her has returned, hasn't he, Carolyn? We are so happy that Ray has finally come to claim you again. Sure hope you'll be happy.

A few lines up we spoke of the rings. What about the pins! These fraternity boys really are getting rid of them fast, but it seems the girls accept them faster than that. I'm very proud of myself because I said that this one was going to happen, and it did! Let me down. He finally got to pinning Barbara. She seems to like the idea too. It also looks as if Ann Swanson and Robert Latta have put away all their past love affairs now for being pinned to each other. They both had quite a few too. . . But we do wish them luck and hope they stay as happy as they are or seem to be right now.

The last pin that has gotten lost is not to a girl on our campus but one at W. C. It seems that Doug Norwood met a cutie over there and has gone and pinned her. . . I was wonderin' if you had it in you, Doug, and I'm glad to see you have!

There have been some new couples on our campus. . . In case you haven't noticed (how can you help). . . Sylvia Fox has been dating Kurlee quite a bit. These two are really a pair. And another boy from the boy's dorm is Don Haynes. . . Who has been running or to calling at Woman's Hall for Angie Gaskins. What does he kids! Something new, that's for sure. . .

That's about all for now folks but I'll be watchin' you in every move you make so beware of the PROWLIN PANTHER. . .

TKE Wins Intramural Volleyball Championship

Kent's Korner

By Kent Moseley

The TKE's mopped up the intramural volleyball honors as was predicted in this corner in the last issue. They also went undefeated, as was predicted. . . you can't argue with facts—too many hoses. To had the varsity basketball team didn't have more hoses. Maybe if there is any team that can give the Travelers a little competition it will be these big boys.

Getting back to volleyball. . . Credit is due to the only team that gave the Tekes any trouble in the volleyball race. That team was the Lambda Chi Alpha coached by L. C. Ellis. They didn't have the big men that the Tekes had, but had they, it would have made a very interesting game because the Lambda Chi's had a lot more hustle and scrap than the Tekes.

The intramural basketball is expected to be a very hard fought affair because so much depends on the outcome of the games. No one fraternity has dominated the intramural program so far this year and the results of the basketball will make one of them more or less superior. The N. D. M. Bombers won the football championship with the Sig Eps as runner-up and in volleyball the league had two new winners. . .

Coach Sid Williams is expected to have the team to beat as he has for the past two years. It is to early to tell much yet but I will go out on a limb again and say that the race will be between Sid's Travelers and Lynn King's Tekes. For the past two years these clubs have fought it out for the championship with the Travelers always on the glory end. Reports are from the Tekes camp that it will be a different story this year. . . time will tell. . .

Baseball Practice.

Coach Virgil Yow has already issued a call for the baseballers to start working out. He has only called for the pitchers and catchers so far but with this nice spring weather in the air he will probably call for the rest of the hopefuls before long. Let's hope that they have a better season this year than they had last year. Last spring the baseballers had a record about like the present edition of the Purple Panthers Basketball Team. . . please. . .

The North State Tournament

If the Panthers make the tournament this month what is to keep them from winning it? They will be given about as much a chance as they were last year before the first game. The first game last year was with Catawba and the Panthers almost lost the game but they finally won it and went on to win the tournament.

Any team that plays in the tournament of upsets is capable of winning it.

The student body should be complimented on their splendid support of a losing team. At no time this year have the students let the Panthers down and to support a loser is a very hard thing to do. Who knows, maybe all is over but the shouting now; but as I said, "Who knows?"

Fighting Christians Hand Panthers Stinging 81-64 Defeat Last Night

For the second time this year the Elon Basketballers defeated the Purple Panthers of High Point College by a very convincing margin. Elon, still mad from the three losses to High Point, last year didn't have any trouble in handling the Panthers in their regular schedule games. One of the defeats suffered by Elon last year gave the Panthers the North State Conference Championship.

The game, played at the High Point College Harrison gymnasium, more exciting and a better played game than the 81-64 score indicates. On four occasions in the third period the Panthers pulled up into a three point margin but they could never close the gap and tie them.

The Panthers, after a slow first period start, saw Coach Virgil Yow take his five starters out and put them on the bench until the beginning of the third period and they could never overcome the 42-31 margin that Elon College had at half-time.

The scoring for Elon was a well divided affair. The top scorers and players were: Dave Maddox, James Hamrick, Kivell, Neil Gauldin, Bob Packard and Jack Mitchell.

For High Point, Kent Moseley had 17, Paul Stanton 16, and "Slick" Sykes had 15. J. C. Bledsoe, J. V. Center until a couple of week ago and now the starting varsity center, captured most of the rebounds for the hillless Panthers.

The loss for the win-hunger Panthers showed them farther into the cellar and the possibility of them making the tournament is very slim. The game could have been a lot closer if the Panthers had have been hitting their foul shots.

It's All Greek

(Continued from Page 2)

Visitors to the Sig Ep section during the past months are: Bruce Trammell, of Appalachin; Bedford Black, District Governor from Kappa Alpha; Jim Hoote, Sig Ep from Wake Forest; and Charles Kearnes, Sig Ep from State College.

Lambda Chi Alpha The brothers of Lambda Chi Alpha were honored this past week when George Dirgalli, a traveling representative of Lambda Chi, visited them for a few days. George arrived on Saturday, and left on Tuesday morning, and during his stay, he talked with many of the brothers individually, who feel that they were benefited by his remarks. He also attended

two special meetings, at which he gave observations about the colony that are expected to prove exceedingly helpful.

The colony expects to initiate its pledges sometime in the next two weeks. The future brothers will be initiated by a degree team from the Lambda Chi chapter of Chapel Hill. The team will spend two days on our campus, and special events are being planned for their entertainment.

Also on the agenda for the near future are the elections of the various officers for 1954. The colony feels that the retiring panel has done a remarkable job, but is confident that it can select from the remaining upperclassmen an equally competent body of leaders.

THE TEKES pictured above are shown relaxing in the clubroom after completing a successful volleyball season. The TKE men breezed through the league without a single defeat in nine starts. Lambda Chi Alpha came in second with a seven win, two loss record for the season.

Panthers Fighting To Keep In Race For North State Tournament

By Kent Moseley

The always powerful Purple Panthers of High Point College have always been a powerhouse in the conference, but the situation is somewhat different this season. All the schools in the conference are getting revenge for their past year's defeats by the Panthers. Not only in the circuit but all the opponents are making the Panthers look smaller and smaller. The present record in six wins against eighteen defeats.

The Panthers are really trying to make the tournament, but they find that after letting the easy teams at the first of the schedule beat them that it is very hard to beat any of the real powers this late in the season. HPC might make the annual tournament, but if they do, it will be by the skin of their teeth. If they do not make it, it will be the first time in the history of the school that High Point isn't represented in the annual affair. It is being held in the new YMCA gymnasium in Lexington this year. Last year when the Panthers won the Championship it was being played in Winston-Salem.

This year's edition of the Purple Panthers, the defending North State Tournament Champions, just doesn't seem to click under the watchful eye of their new Coach, Virgil Yow. At times they have shown spurts of greatness, but these are counteracted by the many other times that they look like the "World's Champion Rindys." No certain five men to be the liking of Coach Yow as he substitutes very frequently trying out different combinations that he thinks might have that little something that it takes to win the most ball games. By giving all the boys a chance he is looking forward to next year so that the season will not be as humiliating as this one.

Most of the scoring this season has been done by senior Captain Kent Moseley. Harold "Slick" Sykes is the scored high scorer and Freshmen Paul Stanton is third in the scoring parade. There are more boys who can score on the team, but they are lacking in experience and that is very important. Maybe next season they can get off on the right foot and bring High Point back up to where it belongs in the sports world.

The Panthers ran into trouble this year after Coach Yow couldn't fill the center spot as he wanted to, and then Roy Dixon hurt his knee, and at the present time

Intramural Basketball Starts Good Season

The intramural basketball program got under way with a fine start and although it is still a young season it looks like the same old story for the top place teams. As usual, The Travelers have the team to beat. The competition is stiffer this year with the power very well distributed and maybe some one will slip up and knock off the past two year champs.

A great deal of interest has been shown in the nine team league and there will be some hard playing for the very nice trophies that will be given to the winner.

W. A. A. Plans Tourney

The Women's Athletic Association held its regular meeting February 3, 1954, with Gwen Redick, president.

Among the activities being planned is the basketball intramural program. All girls who are interested in playing basketball should get their name in as soon as possible.

The W. A. A. team is also scheduling some off-campus games. Check bulletin boards for all announcements concerning the Women's Athletic Association.

Lambda Chi Alpha In Second Place

The powerful, high-flying Tau Kappa Epsilon swept through the Intramural Volleyball League without a struggle. The Tekes were never really pressed to win any of their games as they never had to play the full three games in the two out of three series for the victories.

Lambda Chi Alpha finished in second place with a 7 win-2 loss record and they gave the Tekes the only competition that was given to the taller and aggressive winners. Pi Kappa Alpha ended with a five-five record - good enough for the third spot. On down the line the teams finished like this: N. D. N. Bombers, the football champions, were fourth and the Sigma Phi Epsilon and Epsilon Eta Phi both had 2-7 record and a tie for the next to the last position.

The Tekes were paced by such hoses as Spencer Smith, Don Roberts, Hooker Hall, Ken White, Bill Anderson, Jim Varner, Bill Simpson, and J. C. Bledsoe on the front line and with the little Hosases, Ralph Vick, Tom Kirby, Jim Newman, Roy Dixon, Jim Stantley, Lynn King, Gene Synder, and Bob Dardin, seeing the ball up from the back line, it was a simple matter for the older, more experienced, Kent Moseley coached Tekes.

Mr. Paschal, the intramural director, announced that the second place Lambda Chi Alpha would receive medals and the Champions would receive individual six-inch trophies.

The roster for the Lambda Chi Alpha is listed below. The men previously mentioned made up the Tekes' team.

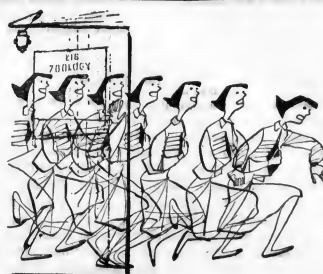

L. C. Ellis	Bob Latta
Ernie Ball	T. G. Madison
Bobby Gandy	Paul Nash
Joe Widenhouse	Don Cranford
Jerry Kennerly	Bob Smith
Max Davis	Phil Hayward

Personality of the Month

MAXINE SWARINGER personality plus

Maxine Swaringer, just plain "Mac" to everybody, is a true personality on our campus. If you are a freshman, you have probably become one of her friends; if you are an upperclassman, you are proud to count her among your friends. As a personality, she stands out when there is work to be done, leadership needed or as a counselor, she is ready to do what she can to help anybody.

Her activities are almost too numerous to mention. At the present time she is president of the Woman's Hall Council, a member of Theta Phi sorority, and is an assistant to Dean Allred. She has served as a member of the Student Government, Dance Committee, Christian Student Council, choir and the Tower Players.

As an all-round personality, "Mac" is one High Point College can well be proud of. "A friend in need is a friend indeed," is one of her mottos for successful and pleasant living, which she enjoys to the fullest.

Hinshaw Announces Dean's List

Along The Fraternity Line

The first semester is over and the grades are recorded. This is of great concern to the national fraternities on the campus of High Point College. The inter-fraternity council, the governing power of all fraternities, states that a pledge must have a "C" average before he can be initiated into a fraternity. That inter-fraternity law will affect every Greek letter organization on the campus. In a few days the fraternities will begin to initiate those pledges who have their "C" average. Many pledges will become brothers in his chosen fraternity, and many pledges will be disappointed. Those who do not have the necessary average must wait.

During this wait, it is the job of each fraternity to help its disappointed pledges. Perhaps there are individual study problems that can be adjusted. Each fraternity should investigate these matters and lend a helping hand to him who needs it. After all, is that not fraternity spirit? Let us not be guilty of placing too much emphasis on rushing and too little emphasis on pledging at the expense of our pledges. Let us welcome our new brothers and assure those who did not make the grade this time that next time they will. It is no good feeling to be left behind when others advance. There is a remedy to this unhappy situation. The Hi-Po feels sure that it can be found within the fraternities themselves. There is a challenge before us. Let us meet it with a solution and in brotherhood for the good of all.

My Funny Valentine

By Jane Lucas

Remember your first Valentine? Of course it was nothing fancy; in fact, the whole first grade made them together in class one day, but it was the thought in the little verse which counted.

*Roses are red,
Violets are blue,
Your head's made of wood
And stuck on with glue.*

This was the verse which made you the honored girl and the talk of the school for weeks afterward. It was the culmination of a most remarkable period of courtship.

Weeks before that eventful Valentine, THE BOY had been leading up to it with little hints. First there was that day at recess when he chased you all over the playground. This unusual display of affection brought to the attention of his fellow classmates the fact that he had singled you out, and that there was to be no competition. Then in class the next day he asked if he could borrow your red crayon, because he had chewed up his own. The first sure sign of his deep feeling for you came the day he took a bite of your apple when you weren't looking. From that day on you felt positive that he was the one man (!) for you. Then—would you ever forget it?—came the day that he asked you to be his dancing partner for "Captain Jinks of the Horse Marines." After the dance he whispered in your ear that he would love you forever and ever, and then you returned the pledge.

Now what was his name?

"A Plea To The Older People"

By Bryanlee Edwards

I often wonder how American kids coming out of high school and colleges over the land face a world torn with war. Can't you see that boy who pulled the girls hair and carried their books, and wrote notes during arithmetic period—yes, these boys were in it.

A boy in blue, a sailor now. Hardly a time ago he kept everyone laughing with silly wisecracks and maybe you wondered if he would ever learn to be serious; well, he became serious all right. He had to grow up in a hurry.

Then we all remember watching a blond kid play center on the basketball court. It seems as though he grew to that six feet of man over-night, and then we see him wearing the uniform of a marine. And there's something behind his grin and his eyes that makes you glad you are not the enemy. The boys we laughed with, who were carefree and scatter-brained, have and did turn out to be capable soldiers. We're proud of each one. We have confidence in them. We, their friends, know them even better than you who are older do, because we grew up with them.

We talk and act about the same as ever, we young people. But sometime when we're together, we're pretty serious. And when these boys left, they took many dreams with them, and at night we prayed that they would save those dreams and both come back together.

Sometimes you think we give the impression that soldiering is a picnic, but we are aware of all the seriousness and horror of war. We don't like to think of life-long friends on battle fields. We want hate and war to die.

We young people over the nation have a plea to make since the war is over. Many boys with their plans and dreams were given, and a great many with their lives.

This plea is made because we love our country, democracy, and humanity. To the leaders of all the world, remember us and our future. We don't want to fight another war in twenty years. We want peace and a chance to live our lives. We want our children to know they will not have to die on battlefields.

Will you do that much for American youth?

McCulloch Hall Men Hold Dorm Meeting

On February 10, 1954, the men of McCulloch Hall held a meeting and many suggestions for improvements were made. The most needed improvement was the lights in the sections. It was noted that the inter-communication system was not working, and the door of the telephone booth needs repair. Dean Allred gave the men his word that these suggestions would be considered and all possible repairs would be made.

A new television set was the next question for discussion. It was agreed that a committee, made up of the Dormitory council and Dean Allred, should investigate the possibilities of purchasing a new set and report their findings at the next meeting.

The meeting closed with the men deciding to hold Open House. The date is to be announced later.

Radio Class Continues Broadcast Activities

Although we have changed semesters and there were some changes in the members of the class, the show is still on the air, each Wednesday at 3:30 P. M., on station WHPE in High Point.

This coming Wednesday, the class will present a play about Cortez and this is a continuation of a series of "The World Is Yours." These shows are made possible through the Office of Education.

The new students in the class are as follows: Don Haynes, James Johnson, Don Punth, James Andrews, Rudy Frazier, Conrad West, and Sandra Loving.

677 Students Enroll For Second Semester

There are 677 students already enrolled and with the completion of registration, it is believed that the second-term figure will pass the 683 figure of the first semester. This is unusual because the second term does not usually have as many students as the first semester. This is due to graduation and other matters. Registration officially closes today.

Vincent Leong Speaks At I. R. C. Meeting

(Continued from Page 1)

century, through the Portuguese and Dutch conquests, the brutal Japanese rule during World War II, up to the present-day Malaya, member of the British Commonwealth.

The people of Malaya, as Vincent pointed out, are engaged mostly in producing rubber and tin, which are the country's chief exports. Education is not compulsory, yet it is available to all. After vividly describing the labyrinth of the shopping district of Singapore, Vincent, asked about the last war, told of Japanese officers who delighted themselves in executing and torturing people and cutting teeth in their swords as a record of decapitations. The country was liberated by the British in 1946. After the war, Malaya has become extremely cosmopolitan, and lately communist activities have increased considerably—Malaya is dangerously close to Red China.

Vincent has chosen civil engineering as his major field of study and plans to stay in the States with the hope that his family may join him soon. In these few weeks at High Point College, Vincent has already engaged himself in numerous activities on and off campus. The former tennis champion of Malaya, he plays the harmonica beautifully, and his role in "Arsenic and Old Lace" was outstanding.

As to America, "I find it very fascinating; the people are very friendly, and I am having a wonderful time."

Fraternity Averages Computed; NDM Takes Scholastic Honors

By Rudy Frazier

The N. D. M. Bombers have copped first place honors in scholastic achievement by edging out the last year winner, Epsilon Eta Phi fraternity. Forced into second place by the very narrowest of margins, only .001 of a quality point, it is almost certain the EHO will be out to shake the N. D. M. off the top were they are nervously enjoying the most precarious of positions. Perhaps some credit is due the N. D. M. in that they advanced more than any other fraternity—from fifth place last year to the top this year.

Also enjoying a significant rise were the Lambda Chi who came up from the bottom (last year) to claim third place in the inter-fraternity standings.

The Sig Ep's and TKE's slipped

a notch on the pole falling into fourth and fifth position respectively.

The lowest price for cotton was quoted by the Pi Kappa who, after having pushed the EHO for a close second last year, now bring up the rear.

The N. D. M. also boasts the highest percentage of men (85%) maintaining a B average or better. Nipping at their heels are the Sig Ep's with 24% in the B or better bracket. Although having a greater number of men in the honor group the Sig Ep's are squeezed out in the ratio of honor men to total number of members and pledges. The EHO, still a power to be reckoned with, are forced into third with a tally showing 21%. TKE posts a record of 15% to claim fourth place with Lambda Chi Alpha right behind with 14%. The Pi Kappa show 4%.

In all fairness to the Pi Kappa as well as the Sig Ep's and other fraternities who pledged large numbers of men, their fall in rank or lack of improvement was, to a large degree, the result of poor grades by the pledges.

This fact seems to suggest that immediate action by the fraternities in connection with regulating the study habits of delinquent members is in order. In fact the promotion of scholastic excellence is recognized to be one of the main pillars in the structure of a good college fraternity. As a

(Continued on Page 4)

Junior Class Variety Hour Presented

Tuesday night, February 16, 1954, the Junior Class, in order to raise money for the Junior-Senior Dance in March, presented a talent show entitled "Variety Hour." The admission was twenty-five cents per person, and a door prize was given away during intermission. The door prize was a ten dollar gift certificate from Lester's Jewelry Shop and was won by Joy Dawkins.

The show began with Conrad "Piano Keys" West and his quintet; Jack "Thumbs" Parks, David "String Along" Abernathy, Tommy "The Man with the Sax" Beaver, J. D. "Live Beat" Wade, and Vincent "Hot Lips" Leong.

The performers were Betty Lou Rose, Ruth Tate, Herbert Masten, Larry Strange, Vincent Leong, Mary Ruth Smiley, Vivian Jennings, Gail DeShazo, Joe "Champ Pugilist" Knox, Rita Ward, Don Puntch, and Joyce Mellis.

The program consisted of songs, solos and duets, dances, instrumental playing, prize fights, minstrel act, and pantomime. Such hit tunes as "A Simple Melody," "Say It Again," "Stardust," "Answer Me," "Shake A Hand," "Stormy Weather," "Secret Love," and "Ebb Tide" were featured.

Everyone seemed to enjoy the show. Judging by their laughter and applauding, they must have found it humorous and amusing as well as interesting.

It is definite that there will be another show in the near future. The date has not been set, but all students will be notified. Be sure to support the Junior Class; especially all Juniors and Seniors, that is if you want a Junior-Senior Dance. The price will remain the same, so come one, come all! Let's support the Junior Class in their next production of "Variety Hour."

Panel Discussion Held By IRC

By Bonnie Robbins

A panel discussion was held at a recent meeting of the International Relations Club. The discussion centered around the United States' foreign policy and its relation to trade.

An interesting discussion concerned the group during the meeting, a discussion which revealed many facts about the policies of the United States. The policy was stated as follows:

"The U. S. has banned all American trade with the Chinese Communists and has withheld U. S. aid funds to any nation selling strategic war goods to Communist countries. Most other allied countries have now suspended shipment of strategic war goods. . . . President Eisenhower says that our economic aid is a part of our defense program. He feels that we must have friends near Russia so we can set up radar units or 'sit the American cities would be 'sitting ducks' to Russia's long range bombers. Secretary of State Dulles says that we do not propose to throw away those precious assets of mutual respect and friendship by dominating methods in our diplomatic relations. He maintains that other free nations will be our equal, not our satellites."

"Eisenhower says that McCarthy's proposal for getting foreign affairs is exactly what the Russians have accused our government of doing. If we should turn impatiently to coercion of other free nations, we would be looked upon as being imperialistic rather than as leaders in world affairs."

Dr. S. C. Deskins, head of the History department, acted as moderator for the discussion.

It's The Truth!

Harold "Slick" Sykes got his picture in the March 1 issue of LIFE magazine. The photo was snapped during the HPC-Eton game January 18. Seems Sykes was playing London Bridge. See it for yourself.

We have at least one avid reader—read at that. She was reading the last issue of the Hi-Po and fell down a flight of steps and fractured her ankle. We didn't know it was so popular.

And Jerry Reiff's wife was visiting the Maternity Ward at one of the local hospitals. She was there on Sunday morning while Jerry was preaching his regular sermon. During the sermon, his family increased in the form of a boy, about 8 pounds. How did he keep his mind on his sermon?

Mr. Yarborough found a fifty dollar bill in front of the Student Center Tuesday afternoon. He said he was just walking along, saw the currency, and jumped at it. He said the person who owns it can come by and claim same.

THE MAY COURT for the annual May Day festivities planned for May 1 was selected recently by the student body. Members, pictured above are: First row, Celeste Anderson and Douglas Warren, Freshman representatives. Second row, Frankie Goad and Mary Ann Turner, Junior representatives; Myrtle Brandon and Sue Boggs, Sophomore representatives. Back row, Jo Ann Williams, Senior attendant, Joan Crowder, May Queen, and Helen Swearingen, Senior attendant.

Riddle and Brewer Named Mr., Miss FTA

Faber Riddle and Peggy Brewer, both seniors and members of the Future Teachers of America were chosen "Mr. and Miss Future Teacher of America" at a meeting last week. They will serve as representatives to the annual meeting of the North Carolina Education Association in session at Raleigh, March 19-20.

Miss Brewer and Mr. Riddle were chosen on the basis of their all-round capacities for teaching and their potential service to the teaching profession.

The local chapter, the Calvin Wiley Chapter, has more than 60 members, all of whom plan to enter the teaching profession. Sponsors for the local chapter are Professors Herman Coble, Ruth Steelman, and James Moffitt.

Closed Dance Planned By Fraternities

At the regular meeting last Monday night the Inter-Fraternity Council made tentative plans for the annual closed fraternity dance.

As the plans now stand, the dance will be semi-formal without flowers. It will be held at the Moose Club in Greensboro on the High Point road.

Music will be furnished by Harold Gayle and his band. A definite date has not been decided upon, but dates under consideration are Thursday, May 13, or Saturday, May 15. Tickets will cost either \$1.50 or \$2.00 per couple.

The dance, which will be the first to be held, will be open only to members of the six fraternities and four sororities and their dates.

Ten Students Tapped To Order of Lighted Lamp In Inspiring Ceremony At Assembly Program

ORDER OF THE LIGHTED LAMP members were tapped in assembly February 17 in an inspiring ceremony conducted by Dr. C. R. Hinshaw, Dean of Instruction. The members were tapped by Betty Lou Rose and Joan Crowder, old members from last year. The members are: Mary Williamson, Shirley Davis, Shirley Swiggett, Shirley Harris and Frances Roberson. Second row, Louie Eargle, George Armstrong, H. C. Hudgins, Sammy Kasias, and Johnny Hawkins.

NDM Sponsors Magic Show

Last Tuesday evening, February 23, 1954, approximately 150 High Point College students were mystified by the magic of Karl Mosteller. He changed two silk handkerchiefs into many, attempted to cut a girl's arm off, made a cake by magic, and performed many other mystifying tricks. Mrs. Paschal volunteered, and ascended to the stage to have her head cut off. Adding to the humor of this trick Marty Neustadt assisted Mosteller. Even with Marty's wisecracking and Mosteller's magic, Mrs. Paschal managed to leave the stage with her head still attached to her body.

The applause was evidence that the show was enjoyed by all who attended, forward to the next show given by the mystifying Mosteller.

Kappa Chi Members To Attend Meeting

Twelve pre-ministerial students, representing High Point College and the Lambda Chapter of Kappa Chi, will attend a regional meeting of ministerial students at Lenoir Rhyne College March 12-14. North Carolina, South Carolina, and Virginia are expected to send delegates to this conference. The students who will represent High Point College are: Galen Hill, Gayle Ford, Garland Young, John Mann, Joel Mina, Harry Long, Paul Bunn, John Burton, Leonard Mayo, Stowe Hull, Bill Whiteside, and Van Bullock.

The Fellowship Teams set up by Alpha Delta Theta and Kappa Chi are beginning to show progress. One team will go to Grace Methodist Church in Greensboro, February 28, March 7 and 8, a team is scheduled to visit, and on March 14 two teams will present programs. Anyone knowing of a church that would like to have a fellowship team to conduct youth programs, sub-district meetings, or regular worship services should contact Don Bridger.

Improvements Noted For McCulloch Hall

On February 24, 1954, the men of McCulloch Hall held an informal meeting immediately following the regular assembly program. J. H. Allred, Dean of Students, acted as chairman, bring up important business for the men residents.

Important improvements noted included a new service in the cleaning of rooms in the dormitory. Janitorial service will be provided each day for the rooms; the rooms will be swept and beds made once each day. Also, a new double-bunk bed will be installed in each room during Spring vacations. Changes will be made in the water pipes to avoid all leaks in the water system. New chairs will be provided for each room that needs them, replacing many of the old, worn-out chairs in some of the rooms at the present time.

The men were asked to cooperate in the new service by hanging their clothes in the closets provided. Allred made a request to the men to return empty Coke bottles to the center section.

The improvements came as a result of the desire of Dr. Cooke to have a cleaner and more desirable residence for the men students.

Rush Week Ends

Rush week for the six fraternities on campus will end tomorrow night at midnight. No fraternity member is permitted to use any means of persuasion on any of the rushers during the silent period which follows.

Dr. Goodson Speaks To Assembly

Ten High Point College students were inducted into the Order of the Lighted Lamp at assembly February 17, the highest scholastic honor that can come to a student. Of the ten, seven were seniors who have maintained a B or better average without failures or conditions through five semesters and who meet all other standards of the organization.

The new members were tapped by Betty Lou Rose and Joan Crowder, members of the Order from last year. The members are: Louie Eargle, Waxhaw; Johnnie Hawkins, Charlotte; Sam Kasias, High Point; H. C. Hudgins, Hobbsville; Shirley Davis, High Point; Mary Williamson, Nakina; Frances Roberson, Snow Camp; Shirley Swiggett, High Point; Shirley Harris, Greensboro; and George Armstrong, Mount Gilead.

Miss Clarice Bowman of the Religion department conducted the devotions and Dr. C. R. Hinshaw, Dean of Instruction, presided at the ceremony. Dr. Hinshaw gave a brief review of the past members of the Order and the history, being the twentieth ceremony.

Dr. Dennis Cooke conducted the pledge service in which the incoming members pledged their fullest fidelity to the Order of the Lighted Lamp. Dr. Kenneth Goodson, district superintendent of the Winston-Salem district, delivered the principal address, using as his topic "The Mistake of Shelving our Potentialities."

In his address, Goodson pointed out to the group the mistake many people make of putting their talents on the shelf of their life and neglecting to use them. He also warned against losing enthusiasm and zeal in the work we, as students, have chosen to follow. He ended his address with a suggestion to "keep in touch with the problems of people, and keep very closely in touch with the Infinite."

Benita Biswas Visits HPC Campus

On Sunday, February 21, the Alpha Delta Theta was in charge of the Vesper program presented in Hauser Auditorium. The theme was "A Universal Day of Prayer For Students" and was carried out in a very inspiring worship service.

In the future, students have a real treat in store for them. Here on our campus we will have Benita Biswas of Lahore, Pakistan. She has attended college in both Pakistan and the United States and speaks from first hand observation of the differences and similarities in the lives, concerns and problems of American, Indian, and Pakistan students.

The Woman Olympic Champion in the Punjab, Benita spent her first two years of college at Fortman Christian College, Lahore, Pakistan, where she served as Secretary of the Student Christian Movement and President of the International Youth Circle of the Y. W. C. A. Her junior year was at Maryville College, Maryville, Tenn., and she was graduated in January from Wooster College, Wooster, Ohio. She plans to return to Pakistan to do community health work and teach physical education.

We are delighted to have the opportunity to hear such a committed Christian. Benita tries to bring students the understanding and insight of a student who has had unusual opportunities to observe the work of the church and the world's problems in two hemispheres.

WILL IT BE FINISHED IN TIME?

Will it be finished in time? That is a question posed at some time or another in the mind of every senior at HPC. They are wondering whether they will be able to graduate in the new auditorium, which is under the slow process of construction. They want to be the first graduating class to use the auditorium for that purpose. Will they be able to have their wish?

We think affirmatively to that question; but, as the law of chance would have it, we stick our necks out in saying that. Nobody knows whether there will be any delay in the shipment of materials, some hold-up on supplies or any other unforeseen calamity.

According to the progress at the present time, and in view of possible setbacks, delays and changes that might be made, the auditorium should be ready for use by May 15. Will it be finished in time? We believe it will.

DMA

YOUR BLOOD MAY SAVE A LIFE

Once again there is an urgent plea for blood. On March 12, the Red Cross Mobile unit will be here on our campus in an effort to meet that plea. They can not do this alone. They are counting on the student body of High Point College to do its share in this drive.

If the blood campaign is to be a success, the students must make it so by giving their blood. That is a life saving challenge to the student body as a whole.

The Hi-Po urges each student to pause a moment to save a life. If you can give blood, do it. There are no words that express the appreciation of that "someone" to whom you gave a pint of blood.

Your blood is needed, NOW!

BHN

CAFETERIA LINE PROBLEM LICKED SUCCESSFULLY

The last issue of the Hi-Po presented a set of strong and definite rules for lines going into the college cafeteria. As the students read the regulations, the comments were many and varied, also questions as to the enforcement of the rules. That evening, at supper time, nobody broke in line, everyone obeyed the rules.

Why? One reason is that the rule was a good one and everybody felt the same about the situation but nobody cared to do anything about it. Second, the rules were, and still are, being enforced by the student government.

Problem—solution—result. The problem—breaking in line; the solution—a set of rules governing the situation; the result—nobody breaks the line and everybody is satisfied. The student government is to be commended for the solution to a "problem of the past."

DMA

NO PLACE TO SIT

Have you ever gone to the bookstore to sip a Coke between classes and relax for a few minutes, sat down in one of the shaky booths and had the table fall in your lap? We have, and were unpleasantly astonished. Is it not surprising that such a popular place be in such bad need of repair? It is to us.

We suggest that something be done about the situation. All students like to relax comfortably, but cannot under the present conditions. Perhaps someone has noticed and is doing something about it. If not, somebody should. If so, the Hi-Po will guarantee a rousing thanks from the student body.

BHN

LETTER TO THE EDITOR

Dear Editor:

I have noticed for the past two years the few times that the student center is open on Saturday night and I think the students should have some place to dance on the week-end.

I know that everyone is aware of how deserted the campus is on the week-end and how little entertainment there is. Most of the students go off campus to find some type of relaxation. It would be possible to find it right here on our own campus.

The student center is for the students and for the various activities and it should be open on the week-ends for a while just to see if anyone attends.

Buck Williford

MUSIC NOTES

By Louie Eargle

On Wednesday, February 17, Helena Smith, Louise Farlowe, and Mr. Cox presented a program for the High Point Woman's Club. The program was for the club's February luncheon. Louise Farlowe, a piano student of Miss Fields, played the adagio movement from Beethoven's Sonata Op. 27, No. 2 and Helena Smith, a voice student of Mr. Cox, sang two Irish folk songs, "Last Rose of Summer" and "Were My Song With Wings Provided." Helena Smith was accompanied by Mr. Cox.

Auditions

At Bland Piano Company in Winston-Salem on Saturday, February 27, the Steinway Piano Company, under the auspices of the National Federation of Music Clubs, will hold auditions for pianists for the awarding of a \$2,600 scholarship. This scholarship given by the Steinway Company in connection with its 100th anniversary celebration will afford advanced study for a young pianist preparing for the concert field. The auditioning in Winston-Salem is to select a candidate from this district for the national auditions. Dr. Lewis is to be one of the judges for next Saturday. Other judges will be Mrs. Willis J. Cunningham, a piano teacher of Ram-

seur, and Dr. Clemens Sandresky of Salem College.

Concert

I am sure all of us who heard the brilliant young Cuban pianist, Jorge Bolet, last night thoroughly enjoyed his playing. Last night's concert before the Piedmont Community Concert Association was definitely a successful one. Those in charge of selecting artists to appear on the series should be congratulated on their continued efforts to give us the best possible. It is interesting to note that Mr. Bolet carries his own piano with him wherever he goes on tour. He travels in his own car with his business manager, his dog, and a Baldwin concert grand carried in a specially designed trailer. Mr. Bolet dislikes to meet a stranger when he steps out onto the concert stage and has solved the problem by carrying his own piano with him. He says that he used to be afraid that the pianos in some school auditoriums would begin to play "Star Spangled Banner" instead of a Chopin "Ballade," from sheer force of habit.

We were all delighted with Mr. Cox's solo in assembly on February 17. He did an excellent job. Mr. Cox was accompanied by Miss Fields.

Day--Hop Doings

By Mary Jean Newell

The Junior class really deserves a big hand for the fine Variety Show that they put on. This show was to help raise money for the coming Junior-Senior Dance and it was one of the best. Several day students participated and gave excellent performances. Joyce Melis did some mighty fine tapping to "Tapping Toes." Also, if you were there you couldn't help but enjoy the "cool" playing of Conrad West and his Quintet. Tom Beaver did some excellent playing on the saxophone along with J. D. Wade who was "real gone" on the drums.

The wedding of Willie Davis, a former High Point College student and Religious Education Director at First Church here in High Point, was of great interest to many High Point College students and a number of her friends went to Durham for the ceremony. Each year the High Point College Chapter of the Future Teachers of America choose two delegates to represent them at the convention which is held in Asheville. This year the High Point chapter chose Faber Riddle, a day student, as Mr. Future Teacher. Faber along with Peggy Brewer who is Miss Future Teacher will represent High Point College at the convention. Recently, several day students were given the honor of being tapped into the Order of the Lighted Lamp an honor society on the campus. These honor students were Shirley Swiggett, Shirley Davis, and Sam Kasias.

It's All Greek . . .

By Pat Martin and Carroll Rabon

In starting our news we would like to say that some of our most important news is that of our Intra-Sorority Council. We have not had this group on campus before and we think things in the sorority line will be working more smoothly under their leadership. They are now working on their constitution and by-laws. Their officers are: Tommie Lou Young, president; Peggy Brewer, vice-president; Patsy White, secretary; and Evelyn Chapman, treasurer.

Lambda Alpha Phi

The Lambda Alpha Phi girls really got the season started off with a bang. They held their banquet on February 13, at the Woman's Club in Thomasville. The time was appropriate singing the new day was Valentine's Day and the place became alive with cupid's shooting arrows at the many hearts. Eleven-thirty came all too soon for the pretty girls in their party dresses and the boys who looked especially nice for the occasion. We are hoping to enjoy many other occasions just as gay as this one, so just stay around.

Theta Phi

Theta Phi really felt great over the volleyball tournament and they had every right to feel this way. They finally beat Sigma Alpha Phi in their two games out of three. They have some more big news too. The Mock Faculty program which they present every year is to be given on March 11. I know we are all looking forward to this event so, let's start saving up our pennies to see one of our favorite programs.

Sigma Phi Epsilon

The Sig Eps held their formal

initiation of pledges on Friday night, February 19th, at the Par-lis cabin near Rosebud Beach. Eleven new brothers now will take their place in the fraternity, making a total of forty-eight brothers to be initiated into the N. C. Eta chapter of Sigma Phi Epsilon. The night's activities was finished with the launching of the Pledge trainer into the icy backwaters of High Rock. This is the beginning of a tradition which future pledges intend to carry out as long as the supply of hot-matured pledge trainers last.

The new brothers are: Jack Cox, Seagrave; Sam Dockery, Winston-Salem; Sam Haywood, Uiah; John Powell, Raleigh; Clayton Reid, High Point; Dave Embler, High Point; John Mann, Sanford; Don Leonhardt, Gastonia; "Doodle" Waggoner, Mt. Airy; Darwood Wiggins, Goldsboro; and Paul Stanton, Greensboro.

The initiation ceremonies were climaxed Saturday night with an Honor dance at the High Point YMCA. A combo, organized by David Hiatt of Winston-Salem provided the much enjoyed music for the evening. At intermission, the outstanding pledge award was presented to Sam Haywood. Two pledges received honorable mention. They are Jack Cox and John Powell. Guest for the evening were: Dr. and Mrs. Lev Lewis; Dr. and Mrs. James Moffitt; Mr. and Mrs. Ed. Ruffy, of Salisbury; Jim Hoots, Sig Ep of Wake Forest; Alumnus Jack Nivens, Frank Graham, Larry Burton, and Penn Jones. Our very special guest were the many lovely ladies from High Point College.

The entire chapter congratulates

One night last week I was sitting in my easy chair with the sprung springs comfortably reading "A Tale of Three Towns" by Don Juan, when all of a sudden from the brooding quiet came a ramble of noises that sounded like Mt. Vesuvius after a long winter. I was deeply interested in the plot of the book and the characters in it, so I let the noise continue without bothering me. That is, for a while; it didn't stop.

It really wasn't anything out of the ordinary. It happens all the time. The only time there is complete silence in boys dorm is during vacations, and even then it isn't ghostly quiet. Every week or so somebody drinks a little too much Listerine and gets noisy, but this noise I had just heard sounded like a herd—of elephants.

I sat there trying to concentrate on the plot of the book I was reading, but there was no use trying. I said to myself, "I'm a peaceful man, but this isn't Geneva. This has got to stop." I calmly laid my book aside, gave it a pat on the back for being a nice book and went into the hall. Looking around, I saw nothing that would cause a disturbance like the one I had heard. The boys, bless their pointed heads, were sitting around in a ball session, quietly discussing the principles of Darwin's theory of natural selection.

"Hmm, must have been my imagination. No noise out here; I should have known better," I muttered to myself. I went back to my book and started to read. After about five minutes of intriguing tales, I heard the noise again. I tried to pass it off, thinking it would go away. No soap. It didn't.

I began to wonder if it could be my imagination; some type of malady. For the past several months I've been seeing spots before my eyes. (That must not be my trouble though, because I sent my pants to the cleaners, and I don't see spots anymore.) Then the noise came back, a little louder this time. I looked in the mirror to see if it could be my head that was causing all the noise. It wasn't, my head was still fastened on. I stumbled out into the hall to look for the noise again. (How do you look for a noise?) I couldn't find the source of the disturbance; the boys were still having their quiet bull session.

I went back into the room, sat down, and continued reading. I was getting to the interesting part of the book where Don Juan was feeding his white horse.

Then it occurred to me what the cause of the noise was.

I think I'm in love.

The Panther Prowls

Well, here I am finally! I almost didn't get in this issue because of some difficulties that are unexplainable . . . But, at last, I'm here. Are you glad?

First of all, have you seen the picture of the work H. P. C. basketball team was doing against Elon a few weeks ago in LIFE magazine? It seems that Slick is the foremost character in the picture. Just don't know what to do about you Slick; with that great big pic of yourself. Say you're going to buy all the magazines in High Point?

I have an apology to make to Susie Murray for not writing about her ring in the last issue. I knew she had gotten it and it slipped my mind. (Can't remember it all since so many rings are going around!) It really is a beauty . . . Congratulations!

And what do you think if Joe and June? She has his class ring now and seems to enjoy wearing it as much as any girl would . . . You two make a nice couple. Keep up the good work . . . You have our good wishes also.

These girls that are trying to catch some boys eye without too much work may one of these days succeed if they keep trying. Have you seen Vonzely sitting in front of the dorm with the new boy? That looks good to me, how about you . . . And Helen Dickinson has been stepping out some also. Keep it up girls!

And there are some new couples around our campus too! Have you seen the way Eleanor and Johnny go for each other? It looks good to me. These two are going places together it seems . . . And have you Bob S. and his new flame Jahala? She seems to like boys with the name of Bob . . . You two are really good looking together. Bob, good luck, you couldn't have picked a nicer girl . . .

It looks as if Paul Stanton wants to put his bid in for a cute little redhead named Carol. She must be having her own problems Paul, because she won't pay too much attention to you yet . . . Don't give up and keep plugging like you do that basketball, Paul, and I know you'll come out on top . . . And Carol, why not give the poor fellow a chance. He needs someone . . .

And Ted seems to be the lone wolf now. He can't seem to be able to find the right one since Mary Lou . . . Come on girls, don't let this one pass.

I'm always Prolin around so you'd better watch what you do . . . And be sure to read the PROWLIN PANTHER!

our two brothers, George Armstrong and Louie Eargle, on their being tapped into the Order of the Lighted Lamp. It is a wonderful honor for two fine brothers.

Phi Mu

Phi Mu is sponsoring a skating party Wednesday night, March 3, at the High Point Recreation Center. The skating session starts at 7:30 and ends at 9:30. Tickets are fifty-cents each. Ways to and from the rink will be provided for those who need them. A good time for everyone is guaranteed. The week-end of March 6, has been set for initiation. A slumber party is being planned by the active members to honor the new initiates.

Phi Mu congratulates Theta Phi for being the volleyball champions.

THE CITY

CHICAGO'S MAYOR, RICHARD DALEY, HAS ANNOUNCED THAT HE WILL RESIGN HIS POSITION AS MAYOR OF CHICAGO ON MAY 15, 1992, TO BE REPLACED BY DALEY'S VICE MAYOR, DAVID M. DUNN.

DALEY'S RESIGNATION COMES AFTER HE WAS CONVICTED OF VIOLATING THE CHICAGO ETHICS CODE IN A CASE INVOLVING HIS OWNERSHIP OF A COMPANY THAT HAD A CONTRACT WITH THE CITY.

DALEY'S RESIGNATION WILL BE EFFECTIVE ON MAY 15, 1992. DUNN WILL BE sworn in as mayor on that date. DUNN IS A FORMER MEMBER OF THE CHICAGO POLICE DEPARTMENT AND HAS SERVED AS VICE MAYOR SINCE 1989.

Editorials

THE CITY OF CHICAGO HAS A LONG HISTORY OF LEADERSHIP. FROM THE EARLY DAYS OF SETTLEMENT TO THE PRESENT, CHICAGO HAS BEEN A CITY OF FIRSTS. AND NOW, WITH DAVID M. DUNN AS MAYOR, CHICAGO IS SET TO CONTINUE THIS TRADITION OF LEADERSHIP.

DALEY'S RESIGNATION IS A SIGN OF THE CITY'S COMMITMENT TO ETHICS AND INTEGRITY. IT SHOWS THAT THE CITY IS WILLING TO HOLD ITS LEADERS ACCOUNTABLE FOR THEIR ACTIONS.

CHICAGO IS A CITY OF OPPORTUNITY. AND WITH DAVID M. DUNN AS MAYOR, CHICAGO IS SET TO CONTINUE TO BE A CITY OF OPPORTUNITY FOR ALL OF ITS RESIDENTS.

CHICAGO IS A CITY OF PROGRESS. AND WITH DAVID M. DUNN AS MAYOR, CHICAGO IS SET TO CONTINUE TO BE A CITY OF PROGRESS FOR ALL OF ITS RESIDENTS.

CHICAGO IS A CITY OF HOPE. AND WITH DAVID M. DUNN AS MAYOR, CHICAGO IS SET TO CONTINUE TO BE A CITY OF HOPE FOR ALL OF ITS RESIDENTS.

European Civilization versus Conversation

It was late afternoon. I was up in my room with the door closed and locked (I thought), all ready for a session with European Civilization, especially chapter forty-six, "The First French Republic and Its Struggle To Survive." An awful silence hung over the house. (My sixteen-year-old sister had not yet returned home from school.)

I read: "The proclamation of the new regime was accepted as a more or less unwelcome but logical . . . the door burst open. I had forgotten to lock it after all. 'Jane, how do you like me in this dress?' 'You look lovely, it's a beautiful' . . . political society dominated by ardent revolutionaries which had affiliated itself with . . . 'My Dress! What are you doing in my new dress that I just bought yesterday and haven't had a chance to wear yet? Take it off this instant!' . . . pop-

ular and radical deputy of Paris . . . walked me uptown today, he said that's nice . . . that Louis XVI be condemned to death. The Girondists, the party . . . is going to be held at Harriet's house, really? Well why don't you run along like a good girl and make plans with Harriet . . . solution of one problem, the Convention greatly aggravated a second, the question of . . . what do you think I should wear, Jane? Anything except my new dress . . . stirred by the French example, and to them . . . do you think Larry will like it? Most assuredly, he'll love . . . these armed revolts in the provinces, but their cause was . . . please go away and let me study Helen or I'll have to call . . . the central government, but the republic appeared to be on the point of . . ."

Mother come and get her before she drives me insane!

It's All Greek

(Continued from Page 2)
the movement towards nationalization is rapidly becoming a realization. The status of the Club is now similar to a colony in other fraternities, and soon the final step in becoming an active Delta Sigma Phi chapter will be achieved.

As members of the N. D. M., we all hope that you who were privileged to witness the miraculous magic of Karl Mosteller enjoyed the show. We should also like to express our congratulations to Karl, who astounded even us with his "marvels of the mystic."

At the present time the prime interest of the Club lies in the rushing period. After pledging we hope to have a Club of Green Bombers which can equal any Club of the past, perhaps even excell any.

In concluding, I remind you men that the rehabilitation man (Chow Man) will be available more since warm weather is just around the corner.

Phi Kappa Alpha

On February 21, the Phi Kappa Alpha Fraternity initiated sixteen new brothers. They were: John Abernethy, Joe Beaman, Earl Burdette, Tommy Murray, Fred Noble, Kerice Little, Tommy McMahon, Roy Bevan, Cecil Thomas, Linwood Harris, Jack Parks, Bob Lee, Bob Duncan, Frank McCulloch, Joe Knox, and Lawrence Strange. This initiation concluded a semester of hard work but also a lot of good times.

The brothers and pledges will have their rush party on the Saturday, February 27. Approximately seventy men are expected to be present.

The National Founders Day Banquet will be held on March 2, at the Y. M. C. A. The local chapter will play host to the other five chapters. The speaker is to be Mr. Howard Arbutick, Jr., an interesting

Application Ask By Registrar For Readmission

N. P. Yarrowburgh, High Point College Registrar has announced that applications for readmission must be filed in his office by March 22. The application blank must be accompanied by a ten dollar reservation fee.

A necessity to return the forms passed out at assembly February 24 was stressed due to the advanced number of applications and inquiries.

Any re-application made after March 22 will be considered on the same basis as a new application and will not have priority because of current attendance.

Fraternity Averages

(Continued from Page 1)
more or less select group with any pretension to ideals and standards of at least average caliber, if not above, a fraternity cannot maintain a level of prestige much above mere respectability without scholastic achievement.

The necessary measures needed to provide a greater emphasis on learning is obviously left to the discretion of each fraternity. More than a challenge, it is a fraternal obligation of older members to aid their brothers in achieving a better scholastic record.

These statistics are the results of data compiled by the Inter-Fraternity Council in determining the eligibility of pledges for initiation as brothers as well as a stimulus to further encourage achievement and distinction in the scholastic realm. It is to be understood that these figures are not complete as several men have conditions and incompletes, but they represent the standings of the fraternities to date.

Below is a tabulation of the fraternities and their relative standings in quality points, percentage of men with a B average or better, and percentage of men failing to maintain a C average. A quality point average of 3 is an A; 2, a B; 1, a C.

Quality point average:

N. D. M.	1.340
Epsilon Eta Phi	1.339
Lambda Chi Alpha	1.232
Sigma Phi Epsilon	1.199
Tau Kappa Epsilon	1.187
Pi Kappa Alpha	1.022

Percentage of men with B average or better:

N. D. M.	25%
Sigma Phi Epsilon	24%
Epsilon Eta Phi	21%
Tau Kappa Epsilon	15%
Lambda Chi Alpha	14%
Pi Kappa Alpha	4%

Percentage of men failing to maintain a C average:

Epsilon Eta Phi	24%
N. D. M.	25%
Lambda Chi Alpha	34%
Pi Kappa Alpha	40%
Sigma Phi Epsilon	41%
Tau Kappa Epsilon	44%

May Day

(Continued from Page 1)
Danville, Virginia will represent the junior class. Representing the sophomore class are Myrtle Brandon of Winston-Salem and Sue Boggs of Kannapolis. The freshman class will be represented by Douglas Warren of Fayetteville and Celeste Anderson of Lexington.

"Essence of Time"

By Bryanleen Edwards

I should look up, laugh and play,

I know it takes time to live this day,

But rush I would as days flee on,

like quickened shadows the years have gone.

My hair turns silver, my voice grows weak,

They seem to echo youth's blithe speech:

"Live and love

as you know how

Your day is now!"

Junior-Senior Prom Set For March 27

Here is just a word to let you know that the annual Junior-Senior Prom is coming up next month, on March 27. The location has been decided yet, but will be disclosed at a later date.

During the previous and present semester the Junior Class has sponsored various projects as a means of financing the prom. The projects were; "Bingo" at the Halloween Carnival; typing address seals for the College; and a very successful Variety Show. There is another show in the process now and will be given in March. The money made on these projects will be used to finance the prom. The money made on these projects will be used to finance the prom. The money made on these projects will be used to finance the prom.

The main purpose of this article is to inform all Juniors and Seniors of the date so plans can be made by everyone to attend. Invitations will be sent out but make your plans now.

Phi Mu To Have Skating Party

The Phi Mu Sorority will have a skating party for the benefit of H.P.C. students Wednesday, March 3 at the High Point Recreation Center on Ward Street.

The party will begin at 7:30 and will continue until 9:30 in the evening. Tickets are available from any member of Phi Mu. Transportation will be provided for any student who does not have a way to the Recreation Center. Those persons who wish transportation should meet in the foyer of Roberts Hall between 7:15 and 7:30 on Wednesday evening.

Tower Players Plan One Act Comedy

By Jean Marr

The Tower Players are at it again, and it's another comedy. The play, *Charley's Aunt* by Brandon Thomas, is a world-famous farce which has moved millions to tears of laughter. There is love, laughter, and music from the "gay nineties."

Here is the plot:

Charles and Jack invite two young ladies to their room for lunch and meet Charley's wealthy aunt from Brazil. The problem is to find a substitute aunt until the real one comes. An Oxford undergraduate fills the bill until Jack's father falls in love with "her." Then the real aunt shows up, and the comic confusion which results will delight an audience of any age.

The cast includes Conrad West, Lord Fancourt Babberley; Howard Colman, Stephen Spettigue; Arthur Black, Jack Chesney; Bill Strangh, Charley Wykeham; Vincent Leong, Brassett; Frances Roberson, Donna Lucia D'Alvarez; Mary Alice Millbury, Alva Spettigue; Betty Mullins, Kitty Verduin; Martha Hansen. Miss Jane DeSpain is director and Jean Marr assistant director. The play will be presented in about five weeks.

Radio Class Presents Drama About Life of George Washington

The Radio Class which is heard over Station WHPH every Wednesday afternoon at 3:30 presented this week, the story of George Washington's parents.

There are two tales about the story of Mary Ball, who was George's mother. One is that she was a gay, young girl, and the other is that she was the housekeeper for George's father before she became George's wife. George's father, Augustine, had been married before and was then the father of three children.

Sandra Loving plays the part of the gay, young Mary Ball and Joan Crowder portrays the part of the Mary Ball as the housekeeper. Augustine is played by Larry Poteat.

Don Rayne is the announcer.

Other taking part in the cast of *Charlemagne* are: Betty Mullins, Ruth Tate, Margaret Wilson, Fred Herbert, Donald Puntch, Libby Bell, James Andrews, Buck Willford, and Gaston Johnson.

Mock Faculty Planned By The Phi Sorority

The annual Mock Faculty, sponsored by the Theta Phi Sorority, will be given March 11, at 7:30 P. M. in the Hauer Auditorium. Your favorite friends will play the parts of your favorite professors, or maybe not your favorites. The idiosyncrasies of the professors and members of the staff are over-emphasized and exaggerated so as to bring laughs. Wonder what Mrs. Perry and Mrs. Holt are gossiping about now? Wonder what Dr. Moffitt is complaining now? Wonder what Dr. Cook's latest statistics are? Come out March 11 and find the answers for yourself!

<p>1. Introduction</p> <p>The purpose of this study is to investigate the effects of a new teaching method on student performance. The study was conducted over a period of six months, during which time the new method was implemented in a classroom setting. The results of the study are presented in the following sections.</p>	<p>2. Methodology</p> <p>The study was conducted using a quasi-experimental design. The participants were a group of 30 students who were divided into two groups: a control group and an experimental group. The control group was taught using the traditional method, while the experimental group was taught using the new method. The data was collected through a series of tests and quizzes, and the results were analyzed using statistical methods.</p>																					
<p>3. Results</p> <p>The results of the study show that the new teaching method had a significant positive effect on student performance. The experimental group scored significantly higher than the control group on all tests and quizzes. The results are summarized in the following table:</p> <table border="1"> <thead> <tr> <th>Test/Quiz</th> <th>Control Group (Mean)</th> <th>Experimental Group (Mean)</th> </tr> </thead> <tbody> <tr> <td>Test 1</td> <td>75.2</td> <td>82.5</td> </tr> <tr> <td>Test 2</td> <td>78.1</td> <td>85.3</td> </tr> <tr> <td>Test 3</td> <td>80.5</td> <td>88.7</td> </tr> <tr> <td>Quiz 1</td> <td>72.3</td> <td>79.8</td> </tr> <tr> <td>Quiz 2</td> <td>74.6</td> <td>81.2</td> </tr> <tr> <td>Quiz 3</td> <td>76.9</td> <td>83.5</td> </tr> </tbody> </table>	Test/Quiz	Control Group (Mean)	Experimental Group (Mean)	Test 1	75.2	82.5	Test 2	78.1	85.3	Test 3	80.5	88.7	Quiz 1	72.3	79.8	Quiz 2	74.6	81.2	Quiz 3	76.9	83.5	<p>4. Discussion</p> <p>The results of the study suggest that the new teaching method is more effective than the traditional method. This may be due to the fact that the new method is more interactive and engaging, which helps to keep students motivated and focused. The results also suggest that the new method may be more effective for students who are struggling with the material, as they were able to achieve higher scores than the control group.</p>
Test/Quiz	Control Group (Mean)	Experimental Group (Mean)																				
Test 1	75.2	82.5																				
Test 2	78.1	85.3																				
Test 3	80.5	88.7																				
Quiz 1	72.3	79.8																				
Quiz 2	74.6	81.2																				
Quiz 3	76.9	83.5																				
<p>5. Conclusion</p> <p>The study concludes that the new teaching method has a significant positive effect on student performance. The results suggest that the new method is more effective than the traditional method, and that it may be more effective for students who are struggling with the material. The study also suggests that the new method may be more engaging and motivating for students, which could lead to improved learning outcomes.</p>	<p>6. References</p> <p>1. Smith, J. (2010). It's All About

Abstract The purpose of this study was to determine the effect of a 12-week, low-intensity, supervised walking program on the physical fitness of sedentary, middle-aged women. The study was a randomized, controlled trial. The subjects were 40 sedentary, middle-aged women who were randomly assigned to either a supervised walking program or a control group. The walking program consisted of 12 weeks of supervised walking, 3 times per week, at a pace of 3.0 to 3.5 miles per hour. The control group consisted of 20 women who did not participate in the walking program. The physical fitness of the subjects was measured at baseline and at 12 weeks. The measurements included heart rate, blood pressure, and body mass index. The results of the study showed that the walking program had a significant effect on the physical fitness of the subjects. The heart rate of the walking group decreased significantly from baseline to 12 weeks, while the heart rate of the control group remained unchanged. The blood pressure of the walking group decreased significantly from baseline to 12 weeks, while the blood pressure of the control group remained unchanged. The body mass index of the walking group decreased significantly from baseline to 12 weeks, while the body mass index of the control group remained unchanged. The results of this study suggest that a 12-week, low-intensity, supervised walking program can improve the physical fitness of sedentary, middle-aged women.

Queen Of The Tournament

MISS LORRAINE MCCURRY, queen of the 1954 Intramural Basketball Tournament was selected Wednesday night at the half-time festivities of the championship basketball game. She was crowned by Blanton Jones, captain of the Shotgun, one of the competing teams. Miss McCurry was chosen by faculty judges from seven other contestants.

"Charley's Aunt" To Be April 6, 7

On April 6 and 7, the curtain will go up and Brandon Thomas' three-act comedy, *Charley's Aunt*, will be presented by the Tower Players under the direction of Miss Jane DeSpain.

Charley's Aunt was revived on Broadway by Jose Ferrar and since then has been made into at least four movies.

Music will be furnished by an 1890 orchestra under the direction of Dr. Lewis.

The costumes are being made by the cast and some of the girls from the Home Economics Department. The committees and committee chairmen are: Publicity, Bill Hipps; Property, Evelyn Chapman; Program and tickets, Sara Hamilton; Costumes, Marie Venable; Make-up, Betty Lou Rose; Lights, Jean Betty.

Kappa Chi Holds Lenten Services

In order that students on the campus may have an opportunity to pause for a few moments of worship during the busy days, Lenten services will be held each evening from 6:30 until 7 p. m. during the Lenten season. Worshipers are free to come and go as they please during the thirty-minute period. Each evening students will find an inspiring worship center with someone playing the piano in order to create a more worshipping atmosphere. These services are being sponsored by Kappa Chi with the help of several other students on the campus. It is hoped that these services will be climaxed with a special service to highlight the Lenten season.

Bloodmobile Unit Collects 100 Pints

Approximately 100 pints of blood were collected by the Bloodmobile Unit which was in Harrison Gymnasium Friday, March 12. This amount was reported to be a good average, as about 15 per cent of the student body donating is the average amount donated by colleges.

J. H. Allred, Dean of Students, expressed his appreciation for the cooperation of the students in donating the blood. About twenty donors from the city of High Point brought the total up to about 120.

Lorraine McCurry Crowned Queen Of Tourney

Miss Lorraine McCurry was crowned Queen of the 1954 Intramural Championship tournament Wednesday night, March 10th, in a ceremony held in Harrison Gymnasium. Miss McCurry represented the "Shotguns," 4th place winners in the tournament. She was selected from a field of 8 contestants by a faculty committee composed of Mrs. Betty Perry, Mrs. Lois Livingston, Mrs. Arthur Paschal, Dean Hobart Allred, and Mr. Gray Whicker.

Blanton Jones, captain of the "Shotguns," was escort for Miss McCurry in an honor dance for the queens which started an informal dance held for all the students.

The other contestants were: Jo Anne Williams, Travers; Vivian Jennings, Kappa Chi; Jean Griffith, PiKa; Paty White, TKE; Barbara Going, Lambda Chi; Pat Kornegay, EHO; Sue Gary, Sig Eps.

McCulloch Hall Men Enjoy Improvements

By W. H. Needham
The men of McCulloch Hall are all smiles and rightly so. The addition of janitorial service has done wonders for the rooms and the men seem well pleased with this new service. McCulloch men now have their floors swept and their beds made each day. With this very grueling task removed there is more time for sleeping.

Sleep! Now there is a good word, and I predict there is hope for more and better slumber.

It is a fact that the dormitory will have new beds to replace the old ones in a few weeks. Tain't as McChes. Oh! But it is! These beds are to be installed during the spring holidays. They should do wonders for that touch of spring fever. That is not all; to go with the beds are new chairs. What more could we ask for? Steady men, only one suggestion at a time.

The open house date has been postponed until the arrival of the new furniture. Our thanks go to the college administration for these much needed improvements.

It's The Truth!

Spring weather brings the tennis team out to practice; be nice to have some bleachers so we could have a place to sit . . .

Koy Dawkins is official "stretch-er bearer" for the girl's dorm; he had to carry Lorraine McCurry to the infirmary after she fainted last Thursday at the bookstore . . .

Chow lines are beginning to form outside Roberts Hall on the warm days; makes traveling in the halls at 12:10 a little easier . . .

We hear that some of the "mean boys" in the bass section of the choir framed up on Jack Peacock and he stood up and hollered "I was framed" . . .

Roberts Hall got a junior atomic bomb in the hall last Wednesday; Dr. Locke thought he had been shot . . .

Mission Conditions In North Africa Are Discussed

Dr. Hayla Watters, surgeon and missionary, was guest speaker on the assembly program Wednesday morning, March 3. Dr. Watters has been in Africa where she has been working for three years at the Grant Mission.

She told about the people living in the bronze age, worshipping many gods, and about the witchcraft practiced there.

"The question asked most missionaries," she said, is "Do those people have religion; and if so, why upset them by telling them something different?" Her answer to this important question was, "They don't feel capable of praying to God so they pray to those things that represent God to them, such as trees and mountains. Our purpose is to show them they are capable of praying to God." She went on to say "The religion of those people is not adequate. It is the job for us as missionaries (Continued On Page Four)

Student Government Nominations Planned

At the regular meeting of the Student Government Association, the members decided on a date for the nominations to the offices of the Association for next year. At time for nomination, the regular assembly period March 24, the present officers of the Student Government will present a slate of candidates for the election, which will be held on a date.

Other nominations may be made from the floor at the assembly period. Candidates for the presidency must come from the rising junior class, vice-presidency from the rising junior class, secretary-treasurer from any class, and Christian Student Council representative from any class.

Student Government president, L. C. Ellis asked that the student body be thinking of capable and qualified students who may be nominated at the assembly March 24.

Bullock Participates In Panel Discussion

The Student Council of Belmont Abbey College in Belmont, in cooperation with radio station WBT in Charlotte, is sponsoring a 13-week collegiate panel discussion including as many colleges in North and South Carolina as possible. The purpose of the program is to stimulate among college students greater participation in campus and community activities through the discussion of subjects of interest to themselves and to the community.

The second in a series was broadcast March 6, at 8:45 p. m. Those taking part in the discussion were Miss Anne Ford of Woman's College of the University of North Carolina; Mr. Van Bullock, pre-ministerial student, at High Point College, and Father Francis Pally of Belmont Abbey College. Mr. Gilbert J. Farley, member of the faculty of Belmont Abbey, is the moderator.

Van Bullock, Joe Knox Named Editor, Business Manager Of 1955 Zenith

ZENITH HEADS for 1955, recently chosen by the present Zenith staff and approved by the rising senior class are pictured above. Carolyn Adkins was chosen as Associate Editor, Van Bullock, Editor, Joe Knox, Business Manager and Martha Henson, associate Business Manager.

Foreign Students Speak To FTA

By Bryanleen Edwards

Vincent Leong and Mike Reyes Varela gave two very interesting talks about the school systems of Malaya and Mexico.

Vincent told the future teachers some interesting facts about formal education in his home country. Education in Malaya is not compulsory; if a child attends grammar school, his parents must pay \$2.50 per month. Mathematics, English and general science are taught most thoroughly. High School consists of three years in which they benefit from vocational training. No examinations are taken during the entire senior year until two weeks before graduation; these examinations are sent from England and the grades are in turn sent back. Students usually start reviewing three or four months before the examinations are taken.

Mike told us that in Mexico, girls and boys are separated throughout the entire grammar school and secondary school. Hold your hats! The girls and boys have thirteen and fourteen subjects in High School, most of which are advance courses. Most of their major subjects are taken in college at the State University of Mexico, students pay \$10.00, plus books, a year. All the subjects are specialized. Hold your hats again! The students may have any number of cuts throughout the year; but if many cuts are taken it is tough around examination time; and you know what—their exams last all day!

Well, there was much more, but this will let you know that these talks were plenty good, and we are very proud to have Vincent Leong and Mike Reyes Varela on our campus making us at High Point College feel very proud of our own educational system.

Junior-Senior Prom Plans Completed

The Junior Class, who traditionally plans and sponsors the Junior-Senior Dance has been working on this year's dance for quite some time and from all reports it promises to be one of the highlights of this year's social calendar.

The dance will be held at the Shrine Club on the Greensboro highway. The date for the dance will fall on Friday night, March 26 and will last from 7:30 till 12:00. The music for the occasion will be furnished by "Sonny" Freeling and his orchestra. Highlighting the evening's entertainment will be the crowning of a Miss Junior Class and Senior Class Queen. They will be chosen by the faculty members who will chaperone the dance.

This year's Junior-Senior Prom promises to be one of the best ever given by the Junior class. The Junior class feels sure that this will be a most successful dance and will be enjoyed by all who attend.

Carolyn Adkins, Martha Henson Associates

By Joan Cronder

The members of the Junior class met on March 5th to elect the Zenith Staff for 1955. According to the custom, the present staff met and drew up a slate composed of the people they thought would be most capable. This slate was presented to the class for their consideration, and the class voted to accept the ones suggested by acclamation. The following people were elected to head the 1955 staff: Van Bullock, Editor-in-chief; Carolyn Adkins, Associate Editor; Joe Knox, Business Manager; Martha Henson, Associate Business Manager.

Van Bullock, the new Editor, is from Marion, South Carolina. He is a transfer student from Spartanburg Junior College. While there he participated in numerous activities. He was president of the sophomore class, president of the Student Christian Council, associate Business Manager of the "Olympian," the college annual, and was a member of the Methodist Student Fellowship. He is now President of Kappa Chi, the ministerial fraternity on campus.

Carolyn Adkins, is from Cool Springs, North Carolina. She transferred from Pfeiffer Junior College. While at Pfeiffer, she was a member of Delta Psi Omega, Associate Editor of the "Pfeiffer News," the school newspaper, and she was also a member of the "Sundial," the honor society. She is a member of Lambda Alpha Phi Sorority here.

Joe Knox, Business Manager, is from Wilmington, North Carolina. Before coming to High Point College, he went to Presbyterian Junior College. At Presbyterian, he was Associate Editor of the college annual Managing Editor of the school newspaper and was a member of the football team. A member of the Pi Kappa Alpha Fraternity, he is majoring in Social Studies.

Martha Henson's home town is Boone, North Carolina. She also transferred from Pfeiffer Junior College. She has gained experience in journalism through working on the yearbook and the college paper. She was literary editor of the "PalaCa," the annual, Campus Affairs Editor of "Pfeiffer News," college newspaper. Martha served on the News Staff both years while she attended Pfeiffer. She is a member of the Lambda Alpha Phi Sorority.

"Green Party" Held Honoring Freshmen

On Friday evening March 5, 1954, the Freshman class held an informal dance in Harrison Gymnasium.

With kites overhead and green all around, Wally Dodd gave the Frosh variety; something that most parties lack. Everyone who attended the dance agrees that Friday's "Frosh of the Evening Party" was truly tops. The evening of entertainment included a combination of social and square dancing, and also a bunny-hopped contest which was won by Duncan Reddick. Also popular among city and country folk alike was an old fashioned "ho-down."

Mr. Dodd brought along a number of unique games which "Yank-ee" Mosteller particularly seemed to enjoy. While some played table games, others tried their luck at guessing the number of beans in a jar. Charles Jarrell's guess was closest to the correct number, 1,583. Voncyle Linthum received the "best intermissioner" award.

The evening was concluded with lime-ice and cookies served by Mrs. Betty Perry.

BEST INTRAMURAL TOURNAMENT EVER

Interest in intramural athletics ran at an all time high this year, due partly to the increased program, but due mainly to the efforts of Athletic Director Arthur Paschal. The tournament especially seemed to be of more interest to more students than any of former years.

This, to us, seems better than good, since High Point does not have an inter-collegiate football team. The emphasis must be shifted to basketball and the intramural program.

The past intramural basketball season was strictly competitive; all teams were out to win the championship. For that reason, along with the undivided interest of Mr. Paschal, the tournament was a "whopping success," not to mention the large crowd at the championship game and the spirit shown there.

We think, taking everything into consideration, that this year's tournament was "the best ever."

DMA

YOUR PENCIL NEED SHARPENING?

Does your pencil need sharpening? Literally, the pencil you write with in class, take notes with or just doodle to while away the time. If it needs a point on it, you had better sharpen it before you come to class, or else you will probably end up looking for a pencil sharpener in Roberts Hall.

Statistically speaking, there is about one for every ninety students. Since statistics do not usually prove anything, put these figures into effect and try to sharpen your pencil when you are in a hurry. If you don't have to stand on your head, or shake a rickety book shelf you're lucky.

Would somebody like to donate several sharpeners to the College? Maybe it is a good project for a fraternity or club. Until somebody does something about the situation, maybe you can carry a jack knife to class.

DMA

RUSH WEEK ENDS WITH MILD SUCCESS

Second semester rush week is over! The "little white" envelopes are gone from the Dean's desk. By now, the majority of the fraternities have completed their pledge initiating ceremonies and many new men have been added to the pledge classes of the various fraternities. The new system of open rushing is now in effect as decided by the inter-fraternity council.

Let's go back and recapitulate the activities. This past rush week seemed to be somewhat quieter than that of first semester. This was evident by the fact that fewer rush parties were held. The fraternities expressed the attitude that the prospective pledges, most of them having been here a semester, know the fraternities pretty well by now.

The men who received bids seemed to express that they had their minds made up before rush week began. That was evident when rush week was officially over. The desk in Dean Allred's office was still littered with bids of men who failed to pick them up. Who was to blame here? It would seem that either the fraternities failed to notify the men to whom they sent bids, or the prospective pledges lacked the initiative to check by the Deans office.

The Hi-Po does not have the right to place the blame, but it can suggest that a remedy be found between now and the next rush week. Perhaps rush week procedure is not clear in the minds of all the students at High Point College. The fraternity opinion seems to be that this past rush week was a success, but could have been improved. This goal is something all can look forward to next year.

BHN

LETTER TO THE EDITOR

Dear Editor:

A little while ago many of the students complained about the meals in the cafeteria, and it was brought to the attention of the administration. The administration with the help of several students went to work and definite improvements were shown. Now it seems as if the students and the administration have fallen down on the job and the meals have begun to fall into the same dull routine. I think it is time we get back to work and see if we can make some changes which will make the meals more appetizing.

With a wonderful spirit of cooperation shown to us in the past by the administration I am sure we can do something to alleviate the situation.

Koy E. Dawkins

MUSIC NOTES

By Louie Eargle

Senior High Orchestra
In assembly last Wednesday we were all delighted with the very fine program given by the High Point Senior High Orchestra. The orchestra, under the direction of Miss Virginia Frank, presented a program ranging from the first movement of Beethoven's Fifth Symphony to Leroy Anderson's "Blue Tango." The orchestra is made up entirely of high school students, most of whom have never had any private instrument lessons. It is one of the best high school groups in North Carolina if not in the south. Their annual visit to us always precedes their performance in the state musical festival. This year they will be the only high school orchestra in North Carolina playing in the most advanced group. Their contest numbers are taken from standard symphony literature. Miss Frank is certainly to be congratulated on the wonderful work she is doing.

It was obvious from the enthusiastic applause from the stu-

dent body that they thoroughly enjoyed the program. It would be good to have more assembly programs with such general appeal.

College Choir

On Sunday, March 14, the college choir sang at the University Methodist Church in Chapel Hill. It was another in the series of Sunday programs given by the choir in Methodist churches all over North Carolina.

Spring Tour

It has been announced by Mr. Cox that the college choir will go on spring tour April 21-25. The choir will tour in the western part of the state. The tour schedule will be announced at a later date.

Girl's Glee Club

On Monday evening, March 15, a group from the college will present a musical program at the High Point Episcopal Church. The Girl's Glee Club, under the direction of Mr. Cox, will be featured on the program. Helena Smith will do a vocal solo. Helena and the glee club will be accompanied by Miss Fields.

and minstrels.

March 26—Junior-Senior Prom. Also coming up in the near future, the Tower Players will present a comedy play entitled "Charley's Aunt" by Brandon Thomas so day students keep this in mind as a must to see.

Day--Hop Doings

By Mary Jean Newell

Spring has sprung or so one thought after several days of warm weather, but it seems that March came in like a lion and there are several days of cold weather yet to come. Old man groundhog gets the last laugh after all.

Have you heard the latest "knock, knock?"

Knock, knock.
Whose there?
Dilemma.

Dilemma who.
Dilemma in my tea makes it taste good.

Oh well, I thought it was "comfy" too, but it just goes to show the influence of television.

The girls around the day room hope that by the time this issue of the Hi-Po comes back from the press that Doris Ann Davis and Lucy Haynes will be back in school. Both of these girls have been ill.

A lot of fun was had at the Phi Mu skating party which was held March 3 at the High Point Recreation Center on Ward Street. Many of the dormitories, as well as well as day students, turned out for the fun and even those who could not skate enjoyed watching the others "flying" around the rink.

Some important dates in March which will be of interest to the day students are:

March 23—The High Point Junior Chamber of Commerce will present their 1954 J. C. Jollies at the Junior High School for a five day run. There will be lots of songs and dances plus guys, gals,

The general topic of conversation in the day room now is that of practice teaching. It is really quite interesting to hear about these new experiences. These students are getting a chance to see how it feels to be a teacher now. Boy, I remember how it was when I was in school and we would have a practice teacher. Listen kids, take it easy. You might be a practice teacher one of these days.

Many of you day students may not realize it but if you are at home in the afternoons you have a fine opportunity to hear the High Point College radio class which can be heard over Station WHPE every Wednesday afternoon at 3:30. Week before last, the class presented a program about the Wright brothers. These students work hard to prepare these programs, so tune in and give a listen to them. Last week Conrad West and his band was featured. Don't forget to tune in.

Someone must have returned the wedding bell, for we have two weddings scheduled for April. Shirley Davis announced her engagement to S. Sgt. Aubrey McLellan of Durant, Mississippi and the wedding will take place on April 15 in Asheboro. Also Doris Ann Davis will become a bride on April 3rd.

It's All Greek . . .

By Pat Martin and Carroll Rabon

Lambda Chi Alpha
The brothers of Lambda Chi Alpha were gripped by fear of the death of Coy Willard. Mr. Willard was a charter member of Delta Alpha Epsilon, but was initiated with thirty-nine other alumni when they affiliated with Lambda Chi Alpha. He died suddenly the morning of February 22, and was buried the afternoon of the 23. All active members and pledges attended the church and graveside services.

Two initiation ceremonies were held this semester, the first took place at the Lambda Chi Alpha house at the University of North Carolina, February 23. Ernest Ball, David Francis, and Donald Crawford were initiated at that time. A second ceremony was held on the night of March 6, with the degree team from the University of North Carolina administering

the ritual. The following pledges were initiated: Jerry Sluonwhite, Max Davis, Rodney Morrison, Wesley Gagnor, and Jim Brown. We are happy and proud to welcome these men into our bond of fraternal brotherhood.

Our loss of two fraternity pins is a definite gain for Bob Latta and Joe Widenhouse in their recent pinning of Ann Swanson and Barbara Going. To these four we offer our hardest congratulations and best wishes for the future.

Last week we received welcome news from the national office requesting us to submit our petition for our charter. We have long anticipated this request as the brothers have worked hard to fulfill the requirements and meet the high standards that must be met to obtain a charter. Our petition was mailed March 7, to the

(Continued On Page Four)

I found out all about the faculty of HPC last Thursday night. I discovered the "real" professors we have here. I know all about their peculiarities and how others see them. I went to the "Mock Faculty;" it was a Lulu.

I saw a typical lunch by the professors at the college cafeteria; now I know what they talk about while they are sitting there, eating a new concoction that Mr. Branscome made up. I found out that Mrs. Perry noticed that some couples hold hands in front of the girl's dorm; funny, I never noticed.

I saw a cross section view of what the professors do at registration. Mr. Yarborough lost everything but his pipe, which he had in his mouth all the time. Dr. Hager looked uninterested, as usual. Dr. Bartlett commented on the "country club" and Clayton Snyder. Mr. Williams clutched to his money box like a tick on Saturday night. Mrs. Dale perched on the edge of a desk. Dean Allred complained about his wife not letting him go anywhere and the fact that he didn't have any money.

The faculty members who came saw themselves as students see them, although they were parodied to the nth degree. Obviously they thought it was funny, at least to see what students think of their associates; they saw their best critics in action. Every mannerism was displayed with a vividness that would make Balzac feel ashamed.

The faculty members left the auditorium after the performance, laughing and commenting on the program as though they enjoyed it. I'd give a Confederate nickel to know what they really thought. They probably would like to give a "mock student" program, although I don't think they would get as many laughs; we aren't as funny as they are.

Taking everything into consideration, including the laughter and applause, I don't believe the professors themselves could have done a better job.

The moral of the story: Don't do anything that anybody can make fun of; just don't do anything.

The Panther Prowls

As the warm breezes start and the sun beams down upon our nice campus I think we're all beginning to realize that Spring is almost here. All we have to do is to look at the new couples around and we know that it's true . . . what do you say?

It seems that a boy who drives a blue Ford—namely Ed Needham has his eyes on a certain Shirley Caudill. You two have been seen around quite a lot lately. What gives? Is it really Spring?

Ask Don Haynes what season it is. Ed. He'll probably tell you it's Fall . . . He and Angie seem to be having some trouble. What happened to you two? You were so happy a few weeks ago . . . I've heard some tales that it is Angie. Gal, don't you realize you have something that shouldn't be traded. Why not give him a chance? Also, Don, she's not the only girl on our campus and you need someone.

Whom did I see Alfredo holding hands with the other night? —Mary Alice! Is that the way you study Dr. Bartlett's history? Guess I'll start studying if it will help that much . . .

Abbey is still the watchboy for Woman's Hall. They're all calling on the telephone now asking for him. It is nice to have a watchman to see that no one goes into the dorm. Say, Abbey, do you get paid . . . If so, are you planning to retire soon?

Last week-end was an exciting one for some folks on our campus. Wasn't it! The Freshman party seemed to be a great success for all the Freshies . . . including Mrs. Perry and Mr. Branscome. The usual two-somes were there such as Joe and Fink, Carol and Tommy,

Charlie and Celeste, Doug and Herb, Carroll and Gloria, and Libby and Max. But did you notice Jackie Hoover with Johnnie Cannon? And Rosa seemed to be having a nice time playing 3-D Tilt-Tat-Toe with Jim? Why Rosa I

thought you had a crush on someone else. But Jim is a nice boy too, but he's not like the other one is he? Yes, the N. D. M. does look pretty nice from your point of view . . .

The Freshman President, Rodney, seems to have his eyes on a new girl . . . and she seems to like it just as well. Barry says there was someone else holding her heart but it seems that is fading fast since you came into the picture, Rodney. Keep it up fellow . . .

Saturday night something big happened when the Duke Glee Club sang in town. Some of the girls went to the party after the concert and they seemed to have a marvelous time. Betty M. even had a good time before the party when a certain young man announced his encore. At the party the girls and fellows danced, sang and got acquainted. It seemed that Jahala already had her eyes on this Bob character even before the concert (there's another Bob). Seriously the girls seemed to have a nice time and especially when some of the boys went so far as to serenade them. Are you waiting for another Duke concert girls?

This concert also found two wonderful people dating each other—Mary Ruth and the new student, Harry Long; you both seemed to have a nice time and I sure hope to see you together again. Mary Ruth has been rooming in since Jackie and Harry seems to be a nice guy to settle down with any day.

By the way—have you seen who Gladys Robertson has been with lately? It must be nice—Galen Hill—no less, you two seem to be right for each other—so keep it up.

That's all for now but until the Love Bug hits you—after all it's almost spring. Don't let the Panther see you if IT (the bug that is) does. You'll see your name in —Panther Prowls.

Travelers Win Basketball Championship

Kent's Korner

By Kent Moseley

HATS OFF . . .

Mr. Paschal, Athletic Director and Intramural Director should be congratulated on running off such a swell intramural tournament. The tournament was run just like the big time affairs and I dare say that it created as much interest here on the campus as any big tourney anywhere . . . three days of festivities with a dance to end the gala affair . . . what more could anyone ask for?

Mr. Paschal was instrumental in promoting the tournament but of course he, without the co-operation of the Pi Kappa Alpha, N.D.M., game officials, timers, scores, beauty queens, judges, etc., it couldn't have gone over with the bang that it did.

Congratulations to every one connected with it—it was nice!

TRAVELERS

Of course the winners should be congratulated and they are. They should have won because they had the best team. I'm not one that pulls for the underdog; I like to see the best team win. They did!

Three straight years as champions of the league! Coach Williams says that you have to be consistent and he seems to be—thirty one straight victories! Sounds like some of the old High Point College Purple Panther Teams in the heyday of their basketball reign.

ALL KENT'S KORNER

The boys who were selected for the Intramural All Star Team are the boys who made ALL KENT'S KORNER. They were:

Bert Westbrook—Lambda Chi
Doug Cooper—N. D. M.
Don Roberts—TKE
Bob Clodfelter—Travelers
Bobby Fulp—Travelers
Jim Andrews—Pi Kappa Alpha
Speck Allred—Shotguns
Blanton Jones—Shotguns
Jim Hunter—Sig Eps
Vestal Potts—Travelers

There they are. It is the second time that two of the boys have received that honor. Bobby Fulp of the N. D. M. and Don Roberts of we will see which fraternity is the most athletically inclined . . .

FRATERNITY ATHLETIC RATINGS

In order to decide which fraternity has the edge in athletics, each fraternity that wins either of the four major intramural sports will receive a rating of five points. The second place position is worth three points . . . add them up at the end of the intramural sports and we will see which fraternity is the most athletically inclined . . .

Let us look at the past sports:

FOOTBALL

N. D. M., Champions
Sig Eps, Runner-up

VOLLEYBALL

TKE, Champions
Lambda Chi, Runner-up

BASKETBALL

Travelers, Champions
Lambda Chi, Runner-up
By this method of rating them we have:

1. Lambda Chi	8
2. N. D. M.	5
3. TKE	5
4. Sig Eps	3

It will take softball to decide the overall champion!

BASEBALL

Coach Virgil Yow has called for all baseballers to report for workouts and some twenty-nine or thirty reported . . . no predictions as of yet . . .

TENNIS AND GOLF

Coach Author Paschal has issued a call for all the men interested in trying out for the tennis team and maybe High Point College can come through again in this sport. They have been the North State Champs for the past two or three years in tennis.

Coach Abe Palmer has his golf prospects working out daily over at the Country Club and of yet, not too much is known about the boys' ability.

No predictions on either sport . . .

GET ON THE BALL!

Now that spring is here and golf, tennis, love and other things are on everyone's mind, David Moore tells a joke that fits the golf duffer to the "T."

It seems that this so called golfer hit a ball that landed in this ant hill. There were about one thousand ants in this ant colony and this duffer goes up to his ball and takes a healthy cut at the ball and misses it completely, but he kills about five hundred of the ants. He takes another swing at the ball and misses it again but this time he kills about four hundred and ninety-eight ants. One of the two remaining ants looks at the other one and says, "If we want to get out of this alive we had better get on the ball!"

Maybe the baseball team can "get on the ball" and win more than the basketball team did . . . Let's hope so . . .

Williams Coaches Team For Third Straight Win

By Kent Moseley

Harrison Gym., March 10. Lighting hasn't struck twice in the High Point College Intramural Basketball League—it has struck three times! The lighting was in the form of Coach Sid Williams' basketball stars. Three straight years Sid's "Travelers" have won the intramural honors. The only thing that they had to do different this year was to defeat the Lambda Chi in the finals. The two preceding years they had played the Tekes in their final outing. According to Sid, the Travelers now have a record of thirty-one straight wins without a single setback.

The finals of the tournament were witnessed by approximately five hundred students that saw a more exciting game than the score of 61-47 indicates. It wasn't until the last six minutes of the ball game that the Travelers turned on the coal—in the form of Bob Clodfelter, getting seven straight points—and built up a comfortable margin.

Early Lead

At the end of the first quarter the Travelers led by a slim margin of four points—16-12. The half time score was tied at 26-26 by the fighting Lambda Chi coming from behind and making up for the four points that they had given up in the first period. The second quarter was the only quarter in which the Travelers were out-scored. The third quarter saw the Travelers pour in 16 points compared to their opponents, 6, and in the fourth period they also got four points more than the Lambda Chi.

The Travelers were paced in the point department by their great center Vestal Potts. He threw in 21 points—most of them from close in but he always had all over him. Bob Clodfelter helped the cause with fourteen points and a very outstanding floor game. The game was a very good example of team work and that is what, along with hustle, won the game.

Coach Tony Lisk's Lambda Chi charges were paced by Bert Westbrook with 19 and Jerry Kennerly with 12. L. C. Ellis aided the losing cause with 6 points.

Four of the final game's high scores were named to the Intramural All Star Team and also KENT'S KORNER. They were Bobby Fulp, Vestal Potts and Bob Clodfelter from the Travelers and Bert Westbrook from the Lambda Chi.

The "Shotguns" played the Tau Kappa Epsilon in the consolation game for third and fourth place and the Tekes were victorious by a hard earned 44-35 score. Anderson and Charleville were high for the victors and "Blimp" Jones and Frank Whiggs starred for the "Shotguns."

TRAVELERS, championship basketball team are pictured above after the tournament Wednesday night at Harrison Gymnasium. The team was coached by Sid Williams, who coached the team to its third successive championship. The finals of the tournament found the Travelers playing the Lambda Chi Alpha fraternity. The Travelers won by a margin of 14 points to a score of 61-47.

Tournament Results

First Round
TKE 53.....Kappa Chi 23
Travelers 63.....Epilon Eta Phi 42
Shotguns 37.....Pi Kappa Alpha 35
Semi-Final Round
Lambda Chi Alpha 30.....Sig Eps 28
Travelers 52.....TKES 37

Finals

Consolation
TKE 44.....Shotguns 35
Championship Game
Travelers 61.....Lambda Chi 47

The tournament was brought to a very successful finish by a dance given in honor of the Tournament Queen, Miss Lorraine McCurry, representing the Shotguns. Special credit should be given to Mr. Paschal and the Pi Kappa Alpha Fraternity for the success of the tourney. The dance was sponsored by the N. D. M.

Medals Presented

Coach Virgil Yow, Basketball coach of High Point College, presented medals to the boys that made the Intramural All Star Team. Dr. Ben Hill, ardent basketball fan, had the honor of giving the runner-up medals to the Lambda Chi and Dennis Cooke, President of High Point College, presented the individual trophies to each of the Travelers, with a special trophy being given to Coach Sid Williams for winning the championship three straight years.

Consolation Game

TKE Shotguns
F-Smith 3.....Hanes 6

Girls' Intramural Basketball Games Reach Tourney

Eight teams were entered in the girls single elimination Intramural Basketball Tournament. Four Sorority teams; Phi Mu, Theta Phi, Lambda Alpha Phi, and Sigma Alpha Phi. Four teams made up of day students and Dorm students: The Net Nappers, Green Horns, Goal Getters, and Blue and White.

The Net Nappers played the Goal Getters and Lambda Alpha Phi played Sigma Alpha Phi in the semi-finals. The Net Nappers and Sigma Alpha Phi won and they met on Tuesday night to determine the championship.

Both teams had players who had played on the W. A. A. basketball team during the regular season and had also played ball on various high school teams. The game was fast and hard fought with the Net Nappers leading all the way until the last few minutes of the game. The score was 28 to 30 when one of the Net Nappers committed a foul. The shot was good which gave Sigma a score of 29. The tension was high and the girls fought hard. Another foul was committed by the Net Nappers and Sigma made the shot which tied up the game. Instead of playing an overtime period it was decided that another game should be played in fairness to both teams.

Personality of the Month

T. G. MADISON Congenial personality

Although T. G. Madison is a day student who works in the afternoons, there are not many students who do not know him or come in contact with him. And those students who come in contact with him will agree that he is a genuine, congenial personality on the HPC campus.

As a student, he is above average; he was appointed chief marshal last semester. As a BMOG, his activities are numerous. He is vice-president of the Student Government, president of the Lambda Chi Alpha fraternity. In past years, he served as vice-president of the freshman and sophomore classes.

A junior and physical education major, T. G. plans graduate work at UNC in Public Health. Active in intramural basketball, football, softball and volleyball, he also plays basketball in the city league in his spare time.

As an all-round student, T. G. is tops. Whether you meet him in the halls, in the classroom, at the bookstore, at the gym, or walking across the campus, you will agree that he is a real personality.

It's All Greek

(Continued From Page Two)
National Office for immediate circulation throughout the one-hundred and forty-four chapters of Lambda Chi Alpha.

We are happy to welcome into our pledge ship three new men. They are: J. V. Pettijohn from Winston-Salem; Ray Klutz from Mooresville; and Johnny Cannon from High Point.

Pi Kappa Alpha
The Pi Kappa Alpha Fraternity has just completed a very successful rush period. Ten boys have pledged Pi Kappa Alpha. They are: Clyde Ridgill, Maurice Smith, Dick Charleville, Sam Kaines, Dick Hunt, Charles Davis, Joel Nimon, Bill Frye, John Balfour and Al Finnley.

Coming March 30 at 7:30 P. M. there will be an "All Colored Variety Hour" with talent coming from the William Penn Negro High School. Included will be a combo, tap dancer, vocalist, and readings. Admission will be 35 cents and tickets may be bought from any member of the fraternity.

N. D. M.
Rush week has ended leaving the Club with four top-notch pledges, Herbert Dixon, Harold Bull, Clayton Wampler, and Otis Gardner. Since this semester is an open rush season, the Club has not stressed the addition of new members as ardently as in preceding semesters, but we intend to add good men to the Club all through the remainder of the semester.

Still busily working toward becoming a national fraternity, the N. D. M. members are engaged in gathering up all the loose ends and preparing to cross over from local to national. By May of this school year a chapter of Delta Sigma Phi should be established here at High Point College.

The prospect of nationalization has necessitated the election of new officers for the Club recently. The new officers are: President, Robert McGinn; Vice-President, Bill Hollister; Secretary, Bill Cook; Treasurer, Paul Jones; Corresponding Secretary, Bruce Cooper.

Sigma Phi Epsilon
The Sigma Phi Epsilon Fraternity held a formal meeting Monday night, February 8, elected the following officers: President, Bob Carroll; Vice-President, David Abernathy; Secretary, Jack Cox; Historian, Sam

Haywood; Comptroller, Roy Dawkins; Jr. Marshall, Buck Willford; Jr. Marshall, Ronnie Owens; Guard, Jimmy Scott, and Chaplain, John Burton.

The new president took the gavel and expressed the feelings of the entire fraternity when he congratulated the outgoing officers for a fine job of guiding the fledgling group through the first, and most difficult, year of operation. Success to the new officers!

The Sig Eps had the pleasure of serenading two girls who became "Sig Ep Sweethearts" by their engagements to two of our brothers: Durwood Wiggins and Irma Best, and Dave Embler and Susie Murry. Another of our "Sweethearts" is Miss Sue Gary, who was selected as our candidate for Queen of the Intramural Tournament.

Recently pledged were: John Perry, High Point; John Petty, High Point; Sam Howie, Fayetteville; Joe Dan Byrd, Turkey; Earnest Broom, High Point; Knoton Wall, Thomasville; and Bob Dube, Providence, R. I.

Manpower: Brothers, 29; Pledges, 14.

Theta Phi
Theta Phi had a weiner roast on March 5 at which they enjoy a variety of games and dancing. The Theta Phi sorority would like to express their appreciation to the cast of "Mock Faculty," to Conrad West who was in charge of the talent show before the program, to the college staff for the use of their property, and to all who helped make the show a success. We consider this annual event a big success.

Sigma Alpha Phi
Sigma Alpha Phi had a party at the American Legion club in February. Many of their brothers of KTB Fraternity were invited and from all reports, they seemed to have had a good time.

Sigma Alpha Phi lost in the volleyball tournament, but they are holding their own in basketball. Sigma Alpha Phi has already beaten Theta Phi and Lambda Alpha Phi and are headed strongly in the direction of being top.

However, athletics are not their only interest. They are now making plans for their spring banquet and dance which will be held in early May.

Phi Mu
Mrs. Eugene Raiford, national alumni vice-president, visited the High Point Phi Mu alumnae group this past week. The purpose of her visit was to organize a Guild.

Saint Patrick's Shenanigans

By Jane Lucas
Sure now and if it isn't St. Patrick's Day comin', up again, and all ye lads and lassies had better be gettin' out your shillelaghs and polihain' up your Irish brogues for the wearin' o' the green in the village square.

People always think of the gaiety of the folk of the "Emerald Isle," gaiety which springs from the kindness, generosity, and warmth of heartedness of this romantic people (most of whom have kissed the Blarney stone at one time or another in the lives). Ireland is a land of fairies and elves which go about doing good or mischievous deeds, a land of beautiful Killarney Lakes and rich traditions.

This gay nation has retained its laughter and imagination even though its history books read of nothing but oppression by the English. At only one time in its history was Ireland one of the most advanced civilizations in western Europe, and that was during the period of St. Patrick. He landed on the lush green isle bringing with him Christianity and all its heritage. It has been said that there "were no Christians in Ireland when Patrick began his work, and no pagans when he died." No wonder Ireland celebrates with such enthusiasm the day of its beloved patron saint.

Eta Mu Eta Society Helps Members To Graduate Study

The Eta Mu Eta was organized in 1947 by the Pre-Medical and Pre-Dental students for the purpose of aiding and to further the fellowship of Pre-Medical and Pre-Dental students in their preparation for further study in their major fields and to provide them with an organization in which they can associate with students of mutual interest.

In 1951 the Biology and Chemistry majors, who were successfully pursuing the prescribed courses of study, were allowed to become members of the club.

The H. M. H. has had speakers from local medical schools and industries at their meetings. Sometimes movies of interest to the club are shown. The club has sponsored Blood Drives and the sale of Tuberculosis Seals.

The present officers are: President, George Armstrong; Vice-President, Clyde Anderson; Secretary-Treasurer, William Routh; Assistant Secretary-Treasurer, Earnest Broom.

Faculty Advisors are: Dr. E. O. Cummings, Dr. B. H. Hill, Dr. K. W. Perkins.

Mission Conditions

(Continued From Page One)
to show them a religion that is good for them."

Dr. Watters told about her experiences with the sorority, the local witchcraft society, and how they proved the practice of witchcraft was wrong in many cases.

Dr. Watters plans to return to Africa where she will continue her work as a surgeon and missionary.

ford County Phi Mu Alumnae Chapter.

March 4 marked the 102 birthday of Phi Mu Fraternity. The active and alumnae Phi Mu of High Point held a Founders Day program in Lindley Chapel on that day to celebrate the occasion.

Mrs. Leon Savage attended the initiation held last week for the fifteen pledges who have completed their ten weeks of pledge training. Initiation was held at the First Methodist Church. Following the service the girls were honored with a house party at High Rock Lake. The pledges who were initiated are: Barbara Goring, Jane Edwards, Betty Lou Rose, Myrtle Brandon, Douglas Warren, Jackie Hoover, Betty Lippard, Peggy Briggs, Gail Beck, Jo Ann Williams, Betty Ann Ty-singer, Nancy Blair, Nancy Johnson, Pat Smith, and Janie Jones.

During Mrs. Savage's visit she will conduct a training program for the newly elected officers for the next year. They are: Venilia Wilcox, president; Shirley Swiggott, vice-president; Barbara Goring, secretary; Elizabeth Prettyman, treasurer; and Virginia Ann Walker, pledge director.

IRC Gives Call For New Members

Something seems to be missing. Don't look now, but your lack of interest is showing!

From time to time announcements have been made in chapel, and posted on the bulletin boards concerning International Relations Club meetings, but few students attend any of the meetings. This should not be!

The I. R. C. is a national association and should not be a minor organization on this campus; yet only a very few attend the meetings. The purpose of the International Club is to meet and exchange any ideas which will aid improvement of international understanding and cooperation and the preservation of world peace. It strives to undertake such projects as deemed necessary to effect the above purpose. A club of these high ideals should be of primary interest and importance to all history and social studies majors and to all foreign students. It seems that any one with a desire to increase his knowledge by every available means would hasten to join the club.

The I. R. C. offers many interesting and educational programs presented by our students and would like to have some well known speaker, or students from other schools to give programs, but unless High Point College students show a greater interest, this will be impossible. The I. R. C. needs you as members. Would it be too much to ask that you resist the temptation to go the book store for that 10-20 "coke"? If this is too much, then everyone is cordially invited to bring his coke with him to the meeting. If the students have any interest in this organization and wish to see it grow, they are urged to attend the I. R. C. meetings the second

Orchestra Entertains At Assembly Program

The High Point Senior High orchestra under the direction of Miss Virginia Frank, presented a one hour concert in assembly Wednesday, March 10, 1954.

There were six concert selections, three of which were conducted by student conductors. The selections were "Serenade" by Beethoven, "My Beautiful Lady" by Caryll and conducted by student conductors; Sam Gerrard, "Blue Tango" by Leroy Anderson (L. H. Wilson Student Conductor) and "Promenade" by Leroy Anderson (Tommy Dale student conductor). The concert ended with "First Movement" from Beethoven's Fifth Symphony.

This was the third appearance of the orchestra at assembly and judging from the applause it is certain that there will be many more appearances.

Monday each month at 10:20 in room 5.

The I. R. C. can and has done many things for students, but it can do nothing without cooperation.

Summary of the Month

100

It is a common mistake to think that the only way to improve the quality of a product is to increase the number of features. In fact, the most effective way to improve quality is to focus on the core features and make them work better. This means understanding the needs of your customers and designing a product that meets those needs. It also means testing the product thoroughly to make sure it works as intended. By focusing on the core features and making them work better, you can improve the quality of your product and make it more appealing to your customers.

Number 9

Abernathy Elected President of Student Government

College To Award Honorary Degrees At Commencement

At the regular mid-winter meeting of the High Point College Board of Trustees held recently in the Wren Memorial Library on the campus three men were named to receive honorary degrees at the Commencement exercises on May 31: Jesper Ezell Garlington of Roxboro, Chesley Carlisle Herbert, Jr., of Charlotte, and Charles Lee Amos of High Point. The first two will receive D. degrees and Mr. Amos the LL. D.

"Charley's Aunt" By Tower Players Deemed "Big Hit"

By Jean Marr

The Tower Players, under the direction of Miss Jane DeSpain, presented their second comedy hit of the year on April 6 and 7. "Charley's Aunt" was deemed a smashing success by all who saw it.

Herman Coble, a graduate of UNC with a Masters Degree in Dramatic Arts, stepped into the role of Stephen Settegave after Howard Coleman became ill with mumps. Coble's performance and last minute interpretation of Settegave proved his ability and dramatic skill. Conrad West kept the audience on the edge of their seats with his hilarious antics as "Charley's Aunt." "Where the nuts come from," Larry Strange and Bill Strangh, as the two college gents, kept the situation, and the girls, Betty Mulnix and Mary Alice Milbury, well in hand until the real Donna Lucia, Sara Hamilton, arrived. To further complicate matters, Donna Lucia brought with her the girl, Martha Hanson, with whom Lord Farcourt Babberly, Conrad West, is in love. Donna Lucia and Jack's father, Arthur Black, fell in love and everybody got a girl except Spettigue who really didn't deserve one anyway. Vincent Leong gave a fine performance as a comical butler and general handyman.

The play was brightened by the songs of the cast and the 1890 orchestra under the direction of Dr. Lewis. The songs were "Where Did You Get That Hat," "Daisies Won't Tell," and "Strolling Through The Park One Day."

Senior Investiture Held At Assembly

On Wednesday morning April 8, at the regular assembly program the senior class was invested in their caps and gowns. Dr. Helen Bartlett, class advisor, presented the seniors to Dr. Cooke for investiture. Dr. Cooke made an enlightening address to the senior class. He chose for his topic "Thank God For America." Dr. Excellence Roselle led the devotional.

Those invested in Senior caps and gowns were: George Elton, James Peggy Bonville Brewer, Donald Gene Brigger, William Luther Browder, Harold Alvin Brown, Mary Ann Baisock, Carlos Caudle, Howard Luther Coleman, Esther Lowdermilk Cox, Virginia Mae Craven, Constance Joan Crowder, Helen Dean Eiler, Joe Raymond Faulkner, Oscar Rudolph Frasier, Jr., Betty Eugene Hayworth, Leighton Kenneth Hilton, Herbert Cernallin Hudgins, Jr., Dwight Monroe Jester, Sam George Kasias, Betty Jane Leathman, Norma June Merritt, Edwin Charles Neuham, Douglas James Norwood, Margaret Patricia Osborne, Vera Jean Parks, Laurence Edward Potast, Jr., Carroll Lee Babson, Jr., Charles A. Rhinehard, Van Elmer Rich, Fawar William Riddle, Bennie Lee Robbins, Frances Lee Robinson, George Simmons Robichaux, Elizabeth Lucile Rose, Robert Glenn Russell, Jr., Carrie Lucille Smith, James C. Smith, Patricia Holmes Smith, Paul Douglas Swain, Helen Maxine Swearingen, Walter Eugene Tisdale, Martha Ann Williams, Conrad M. West, Carolyn Hester Wilkinson, Mary Ethelyn Williamson, Paul Allen Albertson, Jr., Johnnie Powell Alcock, Jr., Clyde Benjamin Anderson, Thomas Joseph Beaver, James Clifton Berrier, Earnest Lindsey Brooks, Frank Young Brown, Tom

(Continued on Page 4)

It's The Truth!

Spring's here, summer's near, oh my goodness, you're so dear. Guess the grass will need cutting soon on the lawns around here...

Jimmy Varner's publicity on finding the little boy lost made him quite a hero. I guess he deserved it; we think so...

Slick Sykes has gone to join his roommate in the Army. Slick said as his last words, "Where Sonny goes, I gotta go."

The girls are really dressing up in their finery for Sunday dinners. Maybe the boys ought to wear two neckties to keep up with them...

Voting turnout seemed to be pretty good. All the candidates did some good campaigning but they didn't tell the voters how to use the machine...

And Johnny Morris of the Philip Morris Company created quite a stir in the bookstore yesterday morning. Gave away bouquets of samples.

Senior Class To Donate Plaque

By Sam Kasias

The Senior Class met recently and decided to leave to High Point College as the class project, a large plaque to be placed in the foyer of the new auditorium. On this large plaque will be listed the names of the donors of money to the new auditorium. This plaque will be the largest one in the foyer of the new auditorium and will forever carry the memory of the Senior Class of 1954.

The decision to leave the plaque was a hard one to make. There were many things which the members of the class thought they could possibly leave, but after much deliberation and investigation, the seniors decided that the best project would be this plaque. The plaque will be a permanent thing and will not deteriorate in the years to come.

High Point College Choir

Choir To Make Spring Tour

By Louie Eargle

Wednesday afternoon, April 21, the College Choir will leave for its annual spring tour. The choir, under the direction of Mr. Richard Cox, will tour the northeastern part of North Carolina. The choir will be made up of 35 students from the regular choir of about 45 members.

A schedule of the tour follows: Wednesday evening, St. Paul's Methodist Church, Goldsboro. Thursday morning, Senior High School, Wilson. Friday evening, First Methodist Church, Rocky Mount. Saturday evening, First Methodist Church, Wilson. Sunday morning, First Methodist Church, Henderson. Sunday afternoon, Madison Methodist Church, Madison.

The choir will return to High Point Sunday evening, April 25.

Easter Service To Be Held Thursday

The annual High Point College Easter sunrise service will be held Thursday morning at 6:30. The services will be held in front of the library.

There will be a short worship service under the direction of Ellen Faulkner and Sarah Hamilton. The program has been planned around a symbolic worship center. The sunrise service is sponsored by the Student Christian Council.

Salary Increase Noted For Faculty and Staff

A raise in salary for the faculty and staff members of the college was announced recently by Dr. Dennis H. Cooke, president of the college. In his announcement, Dr. Cooke stated that the Board of Trustees had authorized him to state that all persons on the payroll would receive an increase in salary for the coming year. Although the figures of increase were not released, the faculty members seemed appreciative of the consideration given them.

STUDENT GOVERNMENT OFFICERS for 1954-55 who were elected last week in student elections are pictured above. David Abernathy (seated) was elected President in the first ballot. The other officers, elected in a runoff ballot are Johnny Mann, SC Representative, Pat Martin, Secretary, and Bob Stepp, Vice-President.

Burton Named Head During Southeastern Ministerial Meet

John Burton, president of the Student Council, was elected president of the Southeastern pre-ministerial conference at Lenoir-Rhyne College March 12, 13, 14. John is an active member of Kappa Chi. Other members attending the conference were Harry Long, John Mann, Gayle Ford, Stowe Hull, and Van Bullock.

Six members of Kappa Chi will attend the National Conference which is to be held in Evansville, Indiana, April 23-26. Those making the trip will be John Burton, Frank Daniels, Galen Hill, Gayle Ford, Don Miller, and Van Bullock.

Kappa Chi is planning a communion service tomorrow (Wednesday) night before Easter holidays. All students and faculty members may take communion any time between 6:30 and 7:00. The services will be held in Lindley Chapel with Dr. Locke administering the sacrament.

I. F. C. Draws Up New Pledging Regulations

By Rudy Frazier

The Inter-Fraternity Council is now in the process of altering their constitution in order to create a stronger organization by which the fraternities may be better governed. Being a new body on the campus, the I. F. C. feels the need for a tighter unity among its members if any co-operative spirit and constructive work is to be achieved. Although the council has not been as strong as it should have been, its functioning has been progressive, and with new changes it promises to become increasingly effective.

New Regulations

Of general interest may be the new regulations concerning rushing and pledging: The week immediately following mid-term examinations in the fall semester is to be designated as formal rush week during which the various fraternities may openly entertain and solicit pledges. The customary rules covering silence and receiving bids still apply after which the entire year is open rushing. This was done in order to eliminate the expenses and conflicts of formal rush parties during the second semester. In addition, any pledge who, for any reason relinquishes his pledge to a fraternity is ineligible to pledge to another fraternity until the following year.

IFC Fee

Also beginning next year each fraternity man and pledge will pay \$1.00 a semester to the I. F. C. for promotion of social functions by the council.

State Convention Of F.B.L.A. Held In Roanoke, Va.

J. Harry Tesh, L. C. Ellis, Mickey Washam, and Jimmy Brown of High Point College attended the Virginia State Future Business Leaders of America Convention, Saturday, March 27, at the Roanoke Hotel in Roanoke, Virginia. Approximately five hundred students from the Virginia High Schools and Colleges were represented by the four High Point College delegates, and six delegates from Eastern Carolina College.

This trip proved beneficial in helping North Carolina plan the state organization's meeting to be held at High Point College, April 23-24. The group heard several interesting speakers, and talked with Miss Crumpley, Virginia State F.B.L.A. sponsor. She talked with both our North Carolina groups, and gave us proven suggestions on organizing our own state chapter.

Tonight at 8:30

Stepp, Martin and Mann Victorious In Run-Off Election

By L. C. Ellis

David Abernathy was elected president of the Student Government for 1954-55 in student body elections held last Tuesday and Wednesday, April 6 and 7. Other candidates, who were elected in a runoff election Thursday and Friday, are Bob Stepp, vice-president, Pat Martin, and Student Christian Representative, Johnny Mann.

The Student Government nominated a slate of officers at the assembly period on March 24. Those nominated were: President, David Abernathy; vice-president, Bob Stepp; Secretary-Treasurer, Shirley Swiggert; Student Christian Representative, Joe Widenhouse. At the same assembly, Student Government president L. C. Ellis opened the nominations to the student body. Those nominated from the floor were: President, Ed Small; David Waggoner and Van Bullock; vice-president, Roy Dawkins, David Moore, Robert McCarn, and Bob Carroll; secretary-treasurer, Pat Martin, Carol Liner, Mary Ruth Smiley, Bert Westbrook, Hardy Tew, and Sue Gamble; Student Christian Representative, Johnny Mann, Galen Hill, Harry Long, Stowe Hull, and Frank Daniels. Van Bullock later withdrew from the presidential race.

Participation in the first election was relatively high with 73 percent of the student body voting, but in the run-off, interest lagged as only 59 percent of the student body participated.

The new officers will be installed on Monday, April 26 at the regular Student Government meeting but will not take office until the beginning of the Fall Semester.

May Day Program Offers Different Dances and Acts

If you have any children, nieces, or nephews, bring them with you on May 1 to the High Point College May Day Program. The physical education department isn't too anxious to let out many secrets about this big program, except to say that they rather expect it to be quite different from anything put on here for quite some years now.

One thing Rusty seems happy to let everyone know is how much help she is getting from some of the students who are writing most of the dances. Jane Lucas has been winding mechanical dolls, Betty Lou Rose is winding music boxes, and Sally Bell and Duncan Reddeck are helping her. Gail Beck is over in the gym many hours helping to teach her dance, (or is it a crap game?) Patsy Cranford has been doing a fine job on the ragged Ann dolls, and with some dogs and cats too. That's nothing! Wait 'till you see what Mary Ruth Smiley is doing to those teddy bears.

It sounds to us as though it all has something to do with the "Stuffed Animal World." And we would tell you that we heard the monkeys were coming from George Armstrong's "World Famous Tumblers, Inc." but we won't.

Be careful when you go in the gym between now and May 1. We understand that there are elves and clowns and "little people" all over the place now.

TOO LATE GETTING STARTED

"We tried hard but were just too late getting started." This was the report by Mr. Harold Gale of National Entertainment Service in a telephone conversation with George Armstrong, Thursday night concerning contracting a name band for our May Day dance. Mr. Gale sent telegrams and made phone calls all over the country in an effort to find a band for us at great expense to himself. Only two bands could be found that had not already been booked. They were Tommy Tucker, whose price we could not meet, and Gene Krupa—who had only a trio and could not play a dance. Mr. Gale said "Had we known about this two weeks earlier, we surely could have got one of these names I gave you. I had no idea they all would be booked."

At present, plans are being made to contract Bob Hill and his all-college band for the dance. We all hope that plans will be made earlier next year and a name band will be brought to High Point College.

The dance committee and the student government wishes to thank all the students whose enthusiasm and support made the fruitless effort an interesting enterprise.

Our thanks too, to those members of the faculty, the social committee, and administration who supported us in our efforts.

Our sincere appreciation goes to Mr. Harold Gale for his efforts on our behalf and the expense to himself in trying to find a band for us.

Here's hoping for next year.

G. H. A.

A NOTE FROM NEW STUDENT BODY PRESIDENT

To the student body:

As newly elected president of the Student Government of High Point College, I would like to publicly express my appreciation for the number of students who voted.

In my term of office, I will strive to serve the student body as a whole in promoting interest in the government of High Point College and I will publicly stand up for the rights of all students.

My work as your president can not be accomplished alone. I will only be a speaker for the student body as a whole, and I can speak only if I know the desires and needs of the students. Therefore, with your support, I feel we can have a representative voice in the student affairs of High Point College.

You have my pledge of service to you.

David Abernathy

"Realities"

Bryanleen Edwards

I wander alone, a searching young chap,
L longing to know the world
and the things she holds in her lap.

I clearly saw the business men,
with many a cocktail to cover a sin.
The night clubs were bright and very gay
and written there, in many faces,
were the futile words, "Leave no traces."

I turned my back on what I saw;
this held no pleasure for me at all.

Lifting my gaze, my eyes did fall
on the doors of a church with a steeple so tall;
and through these doors came one and all.

Slowly, but surely, I took my step, following inside,
and saw that a great many people were satisfied
The Eternal God seemed to have spread
his mantle of peace upon each head.

As songs were sung ever so low,
with a humble spirit, my heart did know—could hear!
"Well done my son, your God is near!"

CLASSES END THURSDAY, APRIL 15, AT 5 P. M.
RESUME APRIL 22, at 8:20

MUSIC NOTES

By Louie Eargle

On March 31 in Assembly, the program was presented by the Music Department. It was a joint program given by the College Choir, the Girl's Glee Club, and the College Band. The choir and glee club was under the direction of Mr. Cox. The band was directed by Dr. Lewis. Of special interest on the program was two original compositions by Dr. Lewis. "The Night" with words from a poem by that name by Hilare Belloc, was written for Mr. Cox and the Girl's Glee Club. The other was a musical setting of the "Circus Day Parade", a poem by James Whitcomb Riley. The "Circus Day Parade" was written for tenor soloist with piano and band accompaniment. It was written for Howard Coleman and Helen Swearingen. Dr. Lewis, who composes as a hobby, says that this last rather humorous piece was inspired by his four year old son, "Mikey".

Primrose Concert

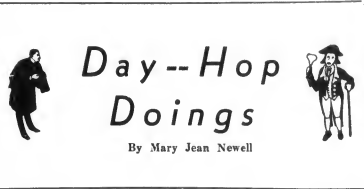

On Wednesday evening, March 31, some of us were delighted with the superb playing of William

Primrose, Primrose has been hailed the world over as the greatest violinist of our time. His program ranged from a "Concerto on Themes of Handel" by John Harbrioli to "Jamaican Rumba" by Benjamin. Those who had the opportunity to hear him and did not, certainly missed a treat.

Music Professors Judge

Our music faculty has certainly been busy with judging. During the last month Miss Fields, Dr. Lewis, and Mr. Cox have all acted as judges. On April 10 in Raleigh the State Federation of Music Clubs held its annual state contest in piano and voice for High School Seniors. Miss Fields was a judge for the piano group. On March 19 Dr. Lewis was a judge for Junior and Senior High School choral groups at Catawba College. Mr. Cox judged Junior and Senior High School vocal solos for the State Federation of Music Clubs' contest held at Elon College.

On Tuesday evening, April 13, at 8:30, the High Point College Choir, directed by Mr. Cox, will present a program of sacred music in Hauser Auditorium.

By Mary Jean Newell

Say, what has happened to the warm weather we were having? Maybe by the time this issue comes out it will be warm again. Have you noticed that the trees on the campus are getting green, and if you will look real close you will see that they are beginning to bud. Johnny's flowers near the library have begun to bloom too, so I guess Spring is officially here.

By the way, what has happened to the old custom of April Fool's Day. I saw only one April Fool's joke played on that grand old day of April. It is out of style now or are we getting to old for such? Oh well, maybe next year—at least we have a whole year to think up something good.

This is no April Fool's joke for Betty Harrison—she has the mumps. Betty, all your friends in the day room hope that you will be back with them soon and that you have seen the last of the mumps. Also Norma Grayson's friends will be looking forward to wishing her a happy birthday on April 13. April seems to be a good month. The calendar says that there are six good fishing days in April, so everybody let's grab a pole.

Congratulations are in order for Helen Lois Swearingen who was selected as Miss Senior Class by the faculty at the Junior-Senior Prom. Susie Murray was also chosen as Miss Junior Class. A special dance was played in honor of the Queens, and they sure were pretty to look at. A large number of the day students and their dates attended this year's Junior-Senior

among whom were Judy Williams, Nancy and Henry Blair, Pat and Kent Brendle, Helen Lois Swearingen, Betty Ann Tysinger, Tommy Lou Young, Sammy Kasias, Paul Albertson, Benny Martin, Benny and Betty Robbins, Maxine Hayworth, Charles and Mildred Maultsby, Leroy Sellers, Betty and Truitt Grant, and Ann VonCannon. This year's prom appears to have been one of the best ever given, and the Junior Class deserves a lot of credit for their hard work to make it a big success.

Speaking of success, Pi Kappa Alpha's All-Northern Variety Show from William Penn High School drew a large crowd the other evening, and it was well worth seeing. The talent was extra fine and each act was brought back for encores. It seems however that the most popular act was the quintet which did a very fine job on "Good Lovin'".

Due to the success of this show it is to become an annual event.

Well, the Freshman Biology students can have a sigh of relief now and smile again. Their "old friend", Mr. Frog, has taken his leave after about a month. My, how they will miss him and they were getting to be such close friends.

Betty Ann Tysinger and Helen Lois Swearingen attended the festivities of the Azalea Festival in Wilmington. Many celebrities were there for the annual event, which was reignited over by Ella Rains, Queen Azalea VII.

If you have read this far, you are doing good, so Happy Easter Holidays.

It's All Greek . . .

By Pat Martin and Carroll Rabon

Pi Kappa Alpha

On Tuesday, March 31, Pika presented an All Colored Variety Show, with the talent coming from William Penn High School. The show proved to be quite successful and the fraternity is looking forward to having them back. We wish to thank the entire student body for their support and cooperation in making this show possible.

The annual Dream Girl Ball was held on the Roof Garden of the Robert E. Lee Hotel in Winston-Salem on Saturday, April 10. The Toastmaster was Howard Coleman, invocation given by Maurice Waddell, Gene Ferguson introduced the guests, Johnny Hlatt presented the toast to the alumni and Robert Barrett gave the response, the toast to ladies was given by Arlen Pons and the response given by Pat Linberger, Phillip Mowery gave the toast to

pledges and Sammy Kasias responded. After the dinner, entertainment was furnished by the Three Racketeers. Later in the evening, the Dream Girl of Pika Jean Griffin was chosen from the brother's and pledge's dates. The remainder of the evening was enjoyed by dancing to the music of Jimmy Perkins.

Delta Sigma Phi

As of March 23, 1954, the N. D. M. Club became a colony of the Delta Sigma Phi fraternity and will function under this name in future events. However, the proposed installation of the Club as an active chapter will not be held until the school year of 1954-55, at which time the membership will be sufficient to permit installation as an active chapter.

Once again the Club looks forward to taking their place in the intramural field with their

(Continued on Page 4)

Spring has sprung, the grass has riz, and I can see where onions is.

It's spring again, and birds gonna' sing again, and I ain't gonna' fling again. This is the time of year when a young man's thoughts turn; they turn according to the young man, but turning seems natural, cause the book says so. Some people's thoughts turn to love, others' turn to thoughts of cutting the grass and spring cleaning. It all depends on the person and his outlook on life and nature.

My thoughts always turn to nature—human nature. Sometimes it's inhuman, but it's nature just the same. In the spring, human nature takes a change—I guess it's the feeling that one has been dormant all winter and it's time to start hustling. That's probably the reason for all the new girl friends the guys have; they're just getting around to doing what they thought about all winter. The couples walking across the campus are evidence.

The flowers' beginning to bud and the leaves emerging from the bare branches of the trees makes a person feel good inside, like hot soup in the middle of the winter. All of nature affects human nature. Just last week I walked across the lawn to the library to read the latest magazines and the spring weather felt so good I wanted to sing. So I did. It must not have been as pretty as the rest of nature, because all the birds hushed and stared at me, three flowers wilted as I walked by, and some grass turned brown. Then I decided to let human nature and nature go on divided paths. I stopped "singing" and everything was OK then.

As I came out of the library, April showers decided to pay us a visit with their dewy drops of moisture. It was more like a downpour; it was raining Fidos and Sylvesters. I ducked my head, put windshield wipers on my glasses and ran toward the ad building.

"Oh well," I muttered between the drops of rain, "into every life a little rain must fall." This wasn't a little rain; it was a big rain.

I guess the rain makes the grass and onions grow, and in the winter it makes a little snow.

Good night, sweet Prince; spring fever's got me.

The Panther Prowls

Spring has come with all its beauty and splendor and what else happens when Spring comes? Look around and this can be answered quickly. Have you noticed all the pretty birds that are fluttering around—love birds, that is.

Pins are really changing places fast. The happy couples are: Faye and Bill, Jean and Arlen, Flish and Joe, and I mustn't forget Sally and Gene. We're all pulling for you kids, and congratulations!

Have you been by to see Howard??? He seems to have a sickness that is catching so he can't get out for a while yet. The mumps are the latest thing aren't they, Howard???

The new couples on our campus—Paul has finally found him someone to take an interest and we're very happy for you, Paul. Pat is very cute and everyone likes her and from what I hear YOU must of all. Keep up the good work fellow!!

And Martha Hensen, who have we seen you with lately??? None other than Duncan Reddick. Go, girl, you two make a fine couple and Duncan has been looking for someone like you for a long time.

And I just can't forget the Bobs—It seems that a cute little day student named Gail Beck has a terrible crush on Bob Steps. She's real cute, Bob, and loads of fun. Why not give her a chance??? As for the other Bob—McCarn seems to be going steady these days . . . or rather, he is wearing her ring. Pat is her name and she lives in town. Say, Bob, why not give the girls on campus a chance? We have some pretty nice girls here.

Jim Scott and Beverly have been seen together lately too. . . . What gives you two? Is it the bug for you too???

Betty and Vincent seem to have it even though they aren't telling the whole world about it. Betty had a few good times with Duane and before it got too serious Betty and Vince started seeing each other. . . . What fun!!

I almost forgot to mention Dick Owens and all his many girls. He wanted me to write about each one but I don't have enough space in this column. I will say that I have seen Dick and Shirley looking startled eyed at each other lately. Don't worry girls, Dick says he is going to start dating the girls here on the campus again, and who knows you may be the lucky one.

Of course I could write more but they only give me a short space and when I fill that—well, that's all for now, but you's better watch out because the Panther is prowling.

Panther Baseballers Lose Five Out Of Five

Kent's Korner

By Kent Moseley

BASEBALL

It looks like the habit that the basketball team accumulated was contagious... at the present date the baseballers have lost five games out of five played and the future doesn't look any to bright. The Panthers, just like in basketball, just aren't pushed to the point where they really want to win.

It is really too bad that the once high flying High Point College has to go so low in sports. Just a few years ago they were known, not just in this state but in all our neighboring states, for their strong athletic teams. First you drop football, then turn out a few losers in basketball and a few in baseball and then you start emphasizing a very strong intramural program...

That's all right—you still have a school.

I HEAR YOU CALLING

First Sonny Thornton left us because someone thought that he would like a slight change in life, and now it seems that some of the other former basketballers are going to do something different for the next couple of years. Harold "Slick" Sykes and Tony Link both leave to join the armed forces of Uncle Sam late this month. Both are leaving at the draft boards request—who next?

ME
Enough said.

INTRAMURAL SOFTBALL

It is still to early to make to many predictions of the outcome of the eight team league but so far I will stick with last years champions... Tau Kappa Epsilon. It seems that the competition will be tougher because all the teams are showing a great deal of interest in the program. So far the Pi Kappa Alpha Fraternity has been the talk of the league because they are winning but I think that the league games will all have to be played before any champion can be picked.

TENNIS

About the only bright spot in the athletic program at High Point College is the defending North State Tennis Team. They have got off to the right start in their conference play by defeating Catawba by a convincing 6-0 score.

Good luck... maybe they can bring home the bacon. We really need some.

Few Spectators Support Team's Home Games

By Kent Moseley

Coach Virgil Yow's Purple Panther Baseball got off to a bad start as they have lost every game that they have played so far. They have played five games.

Apparently having some pretty good baseball material, the witless Panthers just can't seem to get into the win column. A few of their most obvious mistakes are: they have a pretty good fielding team but they just can't hit that old pill; they make far too many mental errors for a college baseball team—just little simple errors that really show and add up where they hurt; the third thing is that they don't seem to be worked hard enough—you have got to make a boy put out and do his best.

It seems like the once powerful High Point College teams are on their way down because after a cellar finish in basketball and a cellar finish in baseball it will take a lot to get the teams and fans back into the limelight.

PANTHERS BOW TO E. C. C.
High Point College's Purple Panthers dropped a pair of Eastern division baseball games in the North State Conference. The East Carolina nine bested the locals at the HPC field by scores of 4-3 and 9-4.

In the opener, Barnes edged out Elwood Mabry in the hill duel. In the nightcap, ECC had things more its own way with a 9-4 decision.

First Game
East Carolina...200 110 0-4 6 7
High Point...000 200 1-3 3 0
Barnes and Cline; Mabry and Morgan.

Second Game
East Carolina...105 200 1-9 8 0
High Point...010 030 0-4 8 2
Hall, Piner (5) and Britt; Johnston, Hall (2) and Morgan.

Panther Baseball Team Is Beaten By Guilford, 5-2

High Point College's Purple Panthers baseballers dropped their fourth game of the season, bowing to Guilford College's Quakers by a 5-2 score. The Panthers now have a 0-3 record in the Eastern division of the North State Conference. Catawba, non-stop foe in the divisional race, administered the other setback.

Guilford got its winning margin

I. F. C. To Sponsor Semi-Formal Dance

The Inter-Fraternity Council has completed plans for a Spring social to be held at the Moose Club (the old Casablanca club) on the High Point-Greensboro road.

The dance, a semi-formal affair, will be held on Thursday night, May 13, from 8:00 till 12:00 p. m. Music for the event will be furnished by Harold Gayle, a local ensemble from Greensboro. Flowers are optional.

The dance will be the last social event to be sponsored by the I. F. C. this year. A closed affair, only fraternity men and their dates are invited. All fraternities men are urged to contact their I. F. C. representatives for information concerning the event.

It might be of slight interest to some that the girls have 12:30 permission.

"First With the Best"

PANTHER BASEBALLERS pictured above have been having some trouble getting started in the North State Conference. Although there seems to be good material on the team, they haven't begun to click on the diamond yet. The team coached by Virgil Yow has lost five out of five in the season.

in the seventh inning by climbing on Elwood Mabry for four runs.
HPC got singletons in the first and eighth frames.

Score by innings:

Guilford.....010 000 400-5 8 1
HPC.....100 000 010-2 3 3
Nichols and Percise; Mabry and Morgan.

Two HPC Alumni Made Ensigns

The Navy's Officer Candidate School started approximately 700 young Reserve Officers off on their Naval careers on April 2, 1954, at graduation ceremonies held at the Naval Base in Newport, Rhode Island. Included among the newly commissioned Ensigns of the Line were: William J. Johnney, and Don L. Elkins, both 1953 graduates of High Point College.

The graduates represent more than 27 different colleges and universities as well as almost all of the 48 states of the Union. They have completed an intensive four month course in Naval indoctrination, covering the same basic material presented to NROTC students in schools throughout the nation. Successfully passing courses in Engineering, Naval Weapons, Seamanship, Navigation, Operations, and Orientation qualifies the new Ensign as a Junior Officer aboard any one of the Navy's warships.

Panther Netters Begin Season With 6-0 Win Over Catawba

High Point College's Purple Panther tennis team opened defense of its North State Conference net championship April 6 by whipping Catawba, 6-0.

The last doubles match was halted with the score standing 5-5 because of rain.

RESULTS:

Horasaitas (HP) defeated S. Ward, 6-2, 6-3; Frazier (HP) defeated Landis, 6-3, 6-4; Wiggs (HP) defeated Patterson, 6-2, 8-6; Eller (HP) defeated Rhodes, 6-1, 2-6, 6-4; Dyer (HP) defeated T. Ward, 3-6, 8-6, 7-5; Horasaitas and Wiggs defeated S. Ward and Patterson, 6-4, 6-3. Frazier and Eller of HP and Rhodes and Landis of Catawba match called with score 5-5.

In a warm-up match with The University of North Carolina Freshmen before the season got under way the Panthers didn't show much against the Freshmen Yealings. In the practice match played at Carolina the Netters got completely shutout — not a single man was able to score off the promising future greats.

Our brilliant Mexican Carlos Horasaitas seems to have the first position well in hand, as his running companion and first man last year has been in the hospital. Mike Reyes was number one last year but it is very doubtful if he will get to perform any this season. Rudy Frazier is the number two man and Frank Wiggs seems to edge on the others for

third position. The others positions are still trying to be decided by some seven players. The men who are fighting it out for the four, five and six spots are: Bill Eller, Doug Bartenfield, Dave Embler, Bobby Dyer, McMahon, Littrell and Ken Frazier.

The Netters leave on April 14, to travel through Tennessee over the holidays and play some very strong teams. Then they come back to school to defend their Conference Championship.

The Schedule

April 2—Lenoir Rhyne—T
6—Catawba—H
8—Guilford—T
10—Catawba—T
12—Elon—H
13—Guilford—H
14—Appalachian—T
15—East Tenn. State—T
16—Tenn. Poly. Tech—T
17—U. of the South—T
20—Southwestern College—T
23—Kalamazoo, Mich.—H
26—Appalachian—H
27—Elon—T
28—Lenoir Rhyne—H
29—East Carolina—T

Panther Golfers Open Season At Elon

The High Point College golf team will open their conference slate on April 12 with a match against Elon College at the Elon home course.

In a practice match with the University of North Carolina Yealings, the Purple Panthers lost by a 16-2 score. Boys taking part in that match were: (listed in the order of their position) 1. Ed Lowe, 2. Tommy McGee, 3. Gene Ferguson, 4. Kent Moseley, 5. Paul Stanton, 6. Clayton Synder. Kent Moseley accounted for the Panthers only points as he was the only one to beat his man.

The men above will make up the nucleus of the Panthers Conference Team.

As of yet, the schedule isn't complete nor have the place or the tournament dates been decided.

Eight Teams Enter Softball League

The intramural softball league has got under way with eight teams competing for the top honors. The competition is tougher this year and the defending Tekes are going to have a hard time of equalling last year's record. Last year the Tekes had a nine won and no loss record.

Trophies and medals will be awarded to the winner of the league and the runner-up, respectively. There will be a total of twenty-eight games played before the playoffs start.

THE SCHEDULE

1. EHO—Lambda Chi
2. Shotgun—TKE
3. Pi Kappa Alpha—Kappa Chi
4. NDM—Sig Eps
5. EHO—Shotguns
6. Pi Kappa Alpha—Lambda Chi
7. NDM—TKE
8. Sig Eps—KK
9. EHO—Pi Kappa Alpha
10. NDM—Shotguns
11. Sig Eps—Lambda Chi
12. KK—TKE
13. EHO—NDM
14. Sig Eps—Pi Kappa Alpha
15. KK—Shotguns
16. TKE—Lambda Chi
17. EHO—Sig Eps
18. KK—NDM
19. TKE—Pi Kappa Alpha
20. Lambda Chi—Shotguns
21. EHO—Pi Kappa Alpha
22. TKE—Sig Eps
23. Lambda Chi—NDM
24. Shotgun—Pi Kappa Alpha
25. EHO—TKE
26. Lambda Chi—KK
27. Shotgun—Sig Eps
28. Pi Kappa Alpha—NDM

All the games will be played on the intramural field or the baseball field.

SORORITY JACKETS

View of Auditorium November 20 . . . View at the Present Time

PROGRESS ON THE AUDITORIUM in the past five months can be noted by a comparison of the pictures above. The one on the left was run in the November 20 issue of the Hi-Po when progress had just begun on the building. Since that time, the brick have been laid, most of the hardest part of the interior work has been finished. At the present time, plasterers are plastering the audi-

torium ceiling and most of the work on other ceilings is completed. The Hi-Po predicted in an editorial that the building would be ready for occupancy by May 15. We still stick by our statement, as the hardest and slowest part of the construction has been completed. All that remains is the finish work and interior painting, as well as minor details.

It's All Greek

(Continued From Page 2)

strengthened softball team. With a little more practice we hope to take the top spot in this year's standings.

Tau Kappa Epsilon

In its simplicity, originality and forceful beauty, TKE's (pin you may prefer to call it) is truly "our beloved badge of gold," and its design is unique among fraternity pins. Our pledge button faithfully carries out our chief geometric symbol, the equilateral triangle, and our basic colors, cherry and gray. As pledge buttons should be, it is simple and easily recognized. Proudly wearing these buttons and soon to wear "the badge of gold," the TKE colonists at H. P. C. to guide the activities for the next year chose the following officers: Prytanis, David Moore; Epipyrtanis, Don Roberts; Grammateus, Jim Stanley; Histor, Duncan Reddick; Cryptophytes, Tom Underwood; Hypophytes, Ralph Vick; Hagemor, Bob Fowler; Pylotes, Leroy Sellers.

Sigma Phi Epsilon

N. C. Eta chapter of Sigma Phi Epsilon was represented by eight brothers at the district convention at Wake Forest College. The brothers who attended this annual convention were: Robert Carroll, Roy Dawkins, Buck Willford, Jack Cox, Libby Bell, Durwood Wiggins, Bob Dockery and John Powell.

Final plans are now being made

by the fraternity for their annual "Sig Ep Ball" to be held April 23-24 in Raleigh at the Memorial Auditorium. Sponsors are Betty Ann Tysinger escorted by Barry Newsome, and Betty Robbins escorted by Bennie Robbins. Candidates for queen are Lorraine McCurry escorted by Sam Haywood and Sue Murray escorted by Dave Embler.

A rush party and hamburger fry was held Thursday night April 8, at the home of John Perry.

Epsilon Eta Phi

Epsilon Eta Phi completed a busy rush period with a total of 14 pledges. This is a very promising group of men and we are happy to welcome the following pledges: Leon Arkledge, Henry Blair, Jimmy Cannon, Shirley Culpepper, Jim Cummings, Tom Noller, Wayne Ruth, Bill Shoaf, and Rufus Smithson.

On March 15, the fraternity held its formal initiation ceremonies and the following men were made brothers: Bill Brown, Bob Bruce, John Cooper, Galen Hill, Delbert Kirkman, Joe Misenheimer, Cliff Moran, and John Wiley. They now have twenty-six brothers and fourteen pledges.

Phi Mu

Phi Mu is sponsoring another skating party April 14. This one is going to be even more fun than the one before because it is going to be for college students only. Tickets may be purchased soon for fifty cents each.

years later, Elder. Among the churches he has served as pastor are the following Wesley Heights, Charlotte, 1931-33; Franklin, 1937-37; Forest Hill, Conrad, 1939-43; First Methodist, Lincolnton, 1943-48; First Methodist, Salisbury, 1948-52; Myers Park, Charlotte, since 1952.

Mr. Amos Is High Point Man

Although a product of Rockingham County, where he spent his early years on the farm, Mr. C. L. Amos from the age of twenty has been a High Point citizen. From 1907 through 1921 he was in the retail furniture business with his brother, but in 1922 he sold his interests and started the Melrose Hosiery Mill.

Continuously a citizen of High Point since his arrival in 1907 and a prominent figure in its industrial growth, C. L. Amos has naturally acquired civic responsibilities. Some of the associations of this nature are as follows: Member of the High Point College Board of Trustees since 1944; Member of the High Point City School Board for twenty-three years, the last eight as chairman; member for twenty years of the board of Guilford County Tuberculosis Sanatorium, serving as chairman for the past twelve or fifteen years; a trustee of the High Point Memorial Hospital; a steward in the First Methodist Church; a Mason and a Shriner.

Aviation Cadet Team To Be Here May 13

An Aviation Cadet Selection Team from Pope Air Force Base, Fort Bragg, N. C., will visit High Point College, May 13. This visit will last all day beginning at 9:00 a. m. in the morning and ending at 6:00 p. m. on the same day. The team is composed of one Air Force Flying Officer (Pilot) and three airmen, who are specialists on the Air Force's Flying Training programs.

The purpose of this visit is to counsel interested persons on the pilot and aerial observer phases of the aviation cadet training programs in the Air Force, and to assist those who desire to make application. Filing an application for this training does not constitute an enlistment and the applicant is under no obligation to go through with the training unless he so desires; application may be withdrawn at any time. Applicant chooses a date to go to the Air Crew Classification Testing Unit for mental and physical examinations at his own convenience, all transportation paid by the Air Force.

To qualify for Aviation Cadet Training, persons must be single, between the ages of 19 years and 26½ years of age, must have completed high school or have higher education, and must be able to pass the mental and physical examinations.

Future Teachers Go To Annual NCEA Meeting

Miss Steelman and four student members of the High Point College Future Teachers of America chapter attended the Annual Convention of the North Carolina Education Association. This convention is held yearly for school administrators, supervisors, principals, teachers, members of college F. T. A. chapters, and members of high school F. T. A. clubs.

The four students who attended the convention were Peggy Brewer, Faber Riddle, Harold Brown, and Bennie Robbins. Miss Brewer and Mr. Riddle represented High Point College as Miss and Mr. Future Teacher of America. They were presented along with thirty-one other college representatives and ninety-three high school representatives at a meeting of all the divisions, March 19.
